RE: Clay St Garage closure and reprogramming of validation terminals

Clay Street Garage will cease all parking operations effective December 1, 2016. The garage closure will not only impact parkers, but also City departments that offer parking validation at Clay St Garage and other City-owned garages including Dalziel Garage and City Center West.

As a result, we will be reprogramming all validation terminals prior to the closure date. Reprogramming will insure that each terminal has a unique identifying number in our revenue control system and that all terminals are programmed to meet each department's unique requirements.

To facilitate this process, **an informational meeting has been scheduled for representatives of City departments offering parking validation on Monday, October 24, 2016 at 1:00 PM in 250 Frank Ogawa Plaza, 4th Floor, Broadway Conference Room**. City staff will be available to answer questions and help departments define their needs. Whether or not you attend this meeting, we will be contacting you at the end of the month to make arrangements to carry out the reprogramming with little or no disruption to your service.

Clay Street Garage will be available for parking on an hourly basis through Thursday, December 1, 2016. Thereafter, the Clay Street location will be closed indefinitely. Post-closure, Dalziel Garage will operate from 6:30am to 1am Monday through Friday and 8am to 1am on Saturdays. Free-parking for regular and special-session City Council meetings held after hours will be provided at Dalziel Garage.

We apologize for the inconvenience, and look forward to helping make this transition as easy as possible for all of our customers.

Sincerely,

Tom Lee
Senior Manager
