A. Cases Proposed for Administrative Closure / Pursuant to Ordinance No. 12454 C.M.S. section 6, paragraph G subsection 9, hearing would not facilitate the fact-finding process and that no good cause is shown for further action.

1. Based on the findings of the investigation

Case No. 16-0534, Tamala Denise Tisdale/Meya Dean

a. Complainant's Comment
b. Staff Report
c. Discussion
d. Action

Complainants alleged that OPD officers used excessive force on Mr. Jamar Scott and that an OPD officer pointed a gun at them. The CPRB also reviewed the issues in this case as to whether the subject officers properly called in their stop per OPD rules prior to initiating it, and whether an OPD officer spark-tested his Taser prior to the beginning of his shift on the date of the incident.

Rationale for administrative closure –The CPRB staff recommends administrative closure of this complaint with a finding of **Lack of Jurisdiction** to allegations #1, #3 and #5 as the Subject Officer is no longer employed by the Oakland Police Department.

The CPRB staff recommends administrative closure of this complaint with a finding of **Exonerated** to allegations #2 and #4 as the investigation revealed that the act or acts which provided the basis for the complaint occurred; however the acts were justified, lawful and proper and not violations under law and/or departmental policy.

The CPRB staff recommends administrative closure of this complaint with a finding of **Sustained** to allegations #5 and #6 for the Subject Officer as the investigation disclosed a preponderance of evidence to prove the allegations made in the complaint.

The CPRB staff recommends administrative closure of this complaint on the basis a hearing would not facilitate the fact-finding process and that good cause has not been shown for further action.
