**December 5, 2011**

**In your comment letter please indicate the case number (which is identified on each notice) at the upper right hand corner of your letter so it will reach the case planner promptly.**

A decision will be made on the application after this date. If you decide to appeal the Zoning Manager's decision or challenge the application in court, you will be limited to issues raised in written correspondence or email and delivered to the Zoning Division on, or prior to the end of the 17-day public comment period as indicated above. If you wish to be notified of the decision of any of these cases, please indicate the Case Number and submit a self-addressed stamped envelope for each case, to the Community and Economic Development Agency – Zoning Division, at the address indicated above.

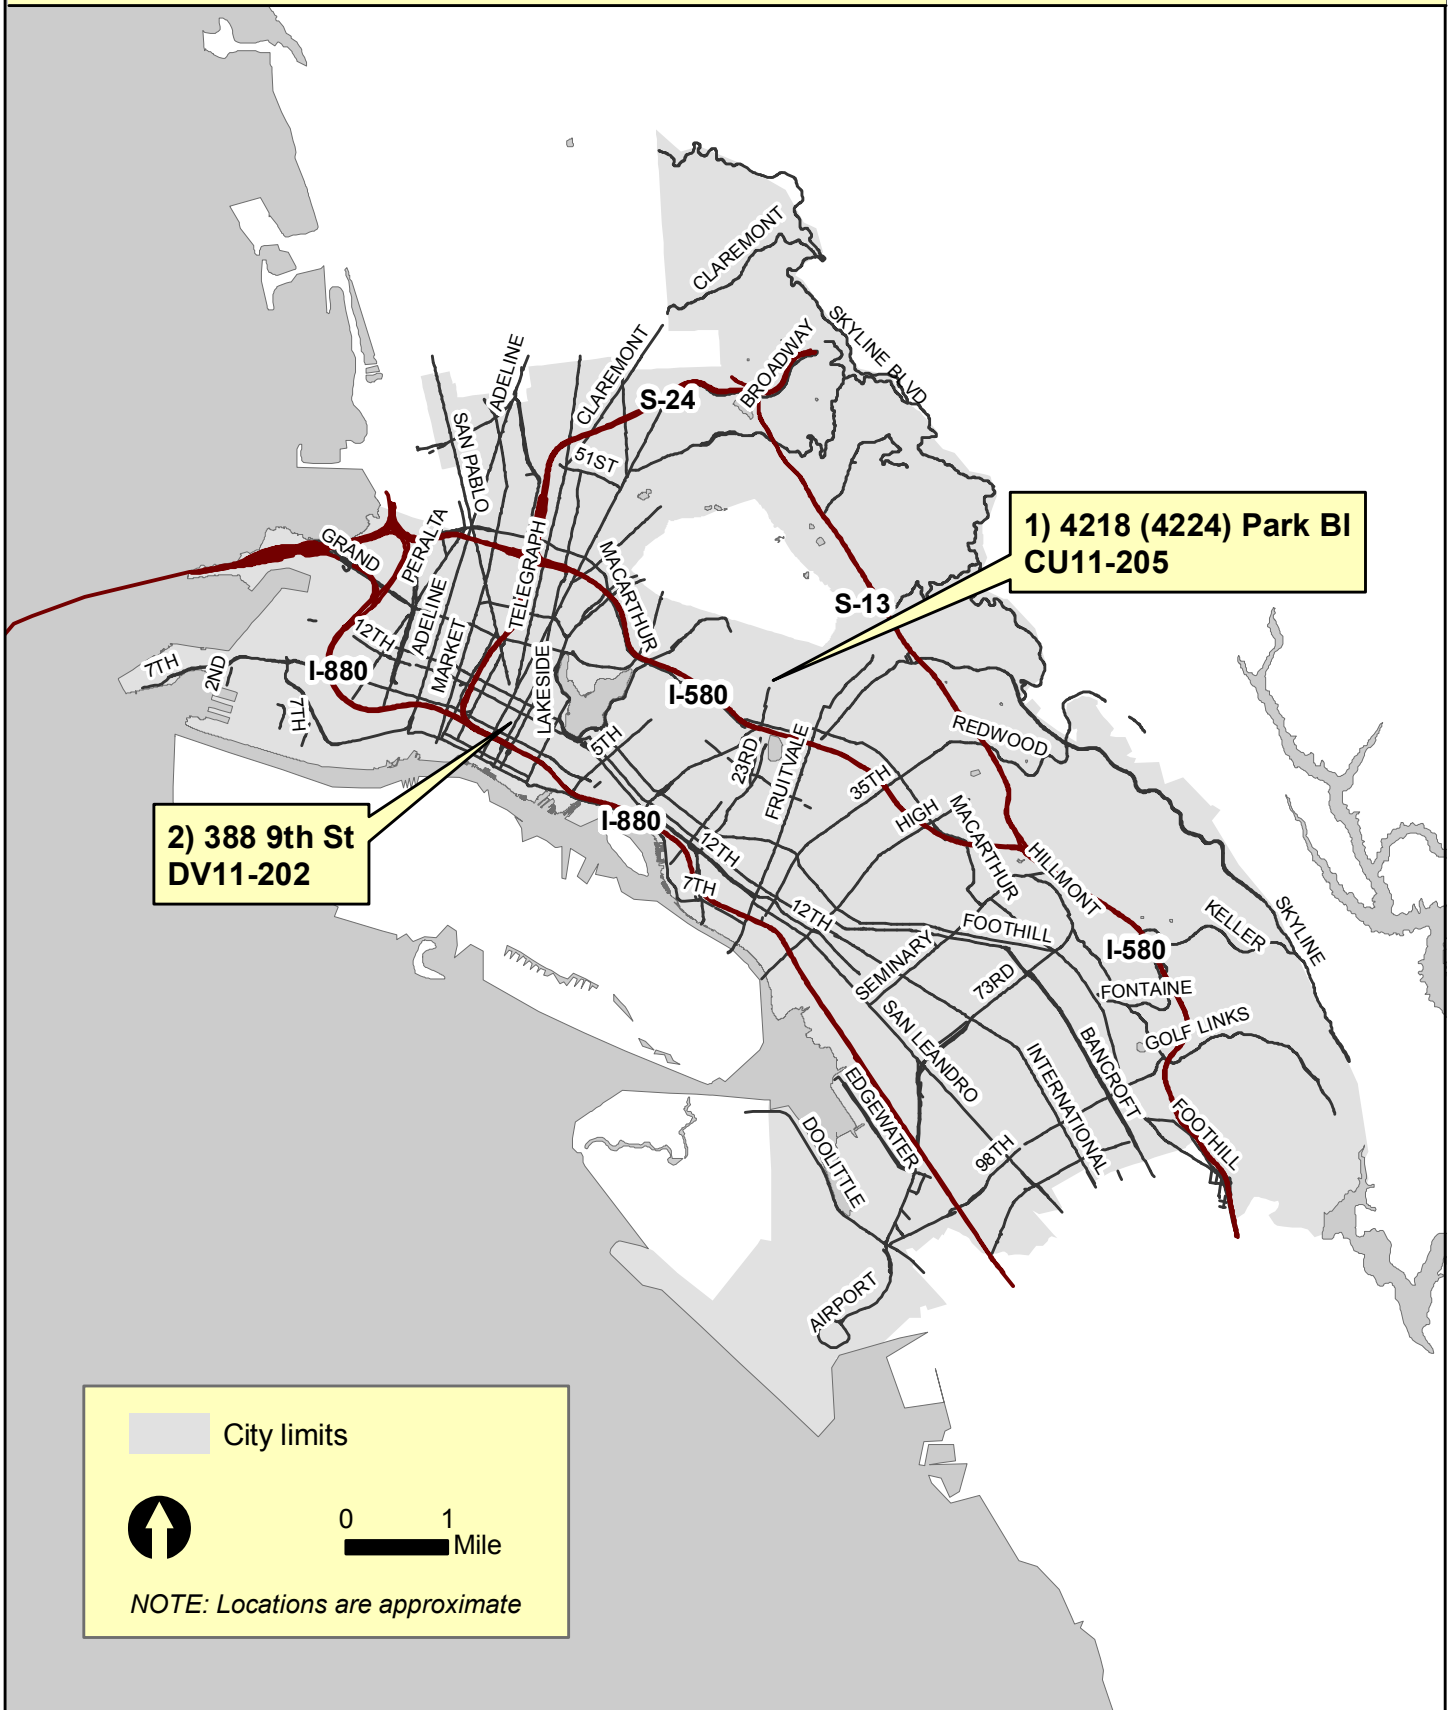

Except where noted, once a decision is reached by the Zoning Manager on these cases, they are appealable to the Planning Commission. The appeal shall state specifically wherein it is claimed there was error or abuse of discretion by the City of Oakland or wherein the decision is not supported by substantial evidence and must include payment in accordance with the City of Oakland Master Fee Schedule. Failure to file a timely appeal will preclude you from challenging the City's decision in court. The appeal itself must raise every issue that is contested along with all the arguments and evidence previously entered into the record during the previously mentioned seventeen (17) day public comment period.
