Service Animals / Emotional Support Animals: The City of Oakland Rent Adjustment Program is committed to providing full access to qualified persons with disabilities who use service animals or emotional support animals.

If your service animal lacks visual evidence that it is a service animal (presence of an apparel item, apparatus, etc.), then please be prepared to reasonably establish that the animal does, in fact, perform a function or task that you cannot otherwise perform.

If you will be accompanied by an emotional support animal, then you must provide documentation on letterhead from a licensed mental health professional, not more than one year old, stating that you have a mental health-related disability, that having the animal accompany you is necessary to your mental health or treatment, and that you are under his or her professional care.

Service animals and emotional support animals must be trained to behave properly in public. An animal that behaves in an unreasonably disruptive or aggressive manner (barks, growls, bites, jumps, urinates or defecates, etc.) will be removed.
