Director's report

A. Announcements

- The City Council approved the resolution to consolidate all walk-in civilian complaints with the CPRB. The process is now underway to implement this action.
- Met with IT to discuss creating capabilities to receive complaints via the internet, data collection procedures, and access to other informational databases to assist with intake and investigations. More information will be forthcoming as talks have just begun and will continue.
- Met with Dr. Eberhardt and her team to discuss how her work can benefit the CPRB. She will work with the CPRB to help analyze the information we will collect once the consolidation is completed. Her team will also work with the CPRB to improve our website so we can provide more information to the public and to utilize survey tools as we strive to improve the services we provide.
- The CPRB Biennial report for 2013 - 2014 was approved by the council and is now online for your use.
