ROLL CALL

WELCOME BY THE CHAIR

COMMISSION BUSINESS

Agenda Discussion

Director's Report

Committee Reports

Commission Matters

City Attorney's Report

OPEN FORUM

At this time members of the public may speak on any item of interest within the Commission's jurisdiction. At the discretion of the Chair, speakers are generally limited to two minutes or less if there are six or less speakers on an item, and one minute or less if there are more than six speakers.

CONSENT CALENDAR

The Commission will take a single roll call vote on all of the items listed below in this section. The vote will be on approval of the staff report and recommendation in each case. Members of the Commission may request that any item on the Consent Calendar be singled out for separate discussion and vote.

PUBLIC HEARINGS

The hearing provides opportunity for all concerned persons to speak; the hearing will normally be closed after all testimony has been heard. If you challenge a Commission decision in court, you will be limited to issues raised at the public hearing or in correspondence delivered to the Planning and Building Department, at, or prior to, the public hearing.

The Commission will then vote on the matter based on the staff report and recommendation. If the Commission does not follow the staff recommendation and no alternate findings for decision have been prepared, then the vote on the matter will be considered a "straw" vote, which essentially is a non-binding vote directing staff to return to the Commission at a later date with appropriate findings for decision and, as applicable, conditions of approval that the Commission will consider in making a final decision.

If you wish to be notified on the decision of an agenda item, please indicate the case number and submit a self-addressed stamped envelope, for each case.

Planning Commission decisions that involve "major" cases (e.g., major variances, major conditional use permits) are usually appealable to the City Council. If any interested party seeks to challenge such decision in court, an appeal **must be filed** within ten (10) calendar days of the date of the announcement of the Planning Commission decision and by 4:00 p.m. An appeal shall be on a form provided by the Planning and Building Department, and submitted to the same at 250 Frank H. Ogawa Plaza, Suite 2114, to the attention of the case planner. The appeal shall state specifically wherein it is claimed there was error or abuse of discretion by the Planning Commission or wherein their decision is not supported by substantial evidence and must include payment of the required fee in accordance with the City of Oakland Master Fee Schedule. Failure to timely appeal will preclude you from challenging the City's decision in court. The appeal itself must raise each and every issue that is contested, along with all the arguments and evidence in the record which supports the basis of the appeal; failure to do so will preclude you from raising such issues during your appeal and/or in court. However, the appeal will be limited to issues and/or evidence presented to the Planning Commission prior to the close of the Planning Commission's public hearing on the matter.

Any party seeking to challenge a final decision in court must do so within ninety (90) days of the date of the announcement of a final decision, pursuant to Code of Civil Procedure section 1094.6, unless a shorter period applies.
