**1. Uptown Station (H.C. Capwell store, later Sears, 1935-55 Broadway/ 20th/
Telegraph, 1928, Ashley & Evers, architects). Request for Board and public comments.**

Informational presentation by SHoP Architects, applicant, for proposed remodel of the historic Capwell's Building at 1955 Broadway, and modification to the previously-approved façade design. The presentation will provide a brief overview of the design intent and program, and will elaborate on the newly proposed façade design and its relationship to the original, historic facade.
