

The owner met the requirements for a capital improvement pass-through totaling \$33,492.69 or \$558.21 monthly amortized over 60 months. The tenants' claim of retaliation falls outside the jurisdiction of the Rent Ordinance and is a matter for the civil court. There was no objective evidence presented that the remodeling was due to deferred maintenance, and there was no ordinance in effect which addressed deferred maintenance at the time of the remodeling work on the tenants' unit. The new kitchen and bathroom add value to the unit and prolongs its useful life, and the tenants are the primary beneficiaries. The allowed capital improvement allocation is itemized in the following table:

CAPITAL IMPROVEMENTS

Effective Date of Increase

<u>Improvements and repairs benefitting the tenants' unit</u>				August 1, 2015
IMPROVEMENT OR REPAIR	OR DATE COMPLETED	COST ALLOWED		MONTHLY COST
Kitchen and bathroom	6/4/14	\$33,492.69	1	\$558.21

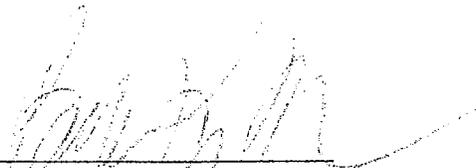

ORDER

Wherefore, all the evidence having been reviewed and considered, it is the order of this Hearing Officer that:

1. The tenants' petition is granted in part.
2. The tenants' claim of decreased housing services was dismissed by the tenants at the Hearing.
3. The owner is granted a monthly capital improvement pass-through of \$558.21. The capital improvements pass-through is effective August 1, 2015, and expires July 31, 2020.
4. The tenants have underpaid rent in the amount of \$4,465.70. Their rent is stated below as follows:

Base Rent	\$1,147.00
Plus capital improvement costs	\$ 558.21
Plus rent underpayment of \$4,465.68 (8/1/15-3/1/16/24) (a 24 month amortization period is warranted due to large underpayment)	186.07
Current rent payment commencing April 1, 2016, and ending March 1, 2018	\$1,891.28

VII. MEDIATION AVAILABLE

Your tenant may have signed the mediation section in the Tenant Petition to request mediation of the disputed issues. Mediation is an entirely voluntary process to assist the parties to reach an agreement on the disputed issues in lieu of a Rent Adjustment hearing.

If the parties reach an agreement during the mediation, a written Agreement will be prepared immediately by the mediator and signed by the parties at that time. If the parties fail to settle the dispute, the case will go to a formal Rent Adjustment Program Hearing, usually the same day. A Rent Adjustment Program staff Hearing Officer serves as mediator unless the parties choose to have the mediation conducted by an outside mediator. If you and the tenant(s) agree to use an outside mediator, please notify the RAP office at (510) 238-3721. Any fees charged by an outside mediator for mediation of rent disputes will be the responsibility of the parties requesting the use of their services. (There is no charge for a RAP Hearing Officer to mediate a RAP case.)

Mediation will be scheduled only if both parties request it – after both the Tenant Petition and the Owner Response have been filed with the Rent Adjustment Program. **The Rent Adjustment Program will not schedule a mediation session if the owner does not file a response to the petition.** (Rent Board Regulation 8.22.100.A.)

Landlord Response to Decreased Housing Service

RE: Tenant document Addendum A

T15-0360

275 Vernon Street #11, Oakland, CA 94610

August 31, 2015

Solares Properties is a quality apartment building built in 1954. The building provides features not found in apartment building construction when it was built. Such advanced features included sound proofing in the walls, radiant heat in the ceilings and floors, floors and ceilings constructed and installed separately, custom built-in library cabinets, large kitchens with custom built cabinets, hand selected granite slab and/or quartz slab, specially cut granite backsplashes and granite counters with quarter round bullnose edges. This quality of construction continues to be part of the legacy of Solares Properties (a family business) and keeping the tradition of giving tenants features to make their apartment unlike any other apartment. In doing so, each apartment has been modernized to today's taste and preferences and having its' own design elements.

The hallway door was removed to eliminate a serious design flaw in the original door system. The hallway door, when opened, swung inward and directly in front of the hallway linen closet. The linen closet with its' own door when opened, swung outward and directly behind the hallway door. Both doors opened into the same footprint at the hallway entry. The doors could actually get hung up on each other and/or the hallway door in a closed position and the linen closet door in an open position pressing against the closed hallway door could create opposing positions and could block an important escape route in an emergency situation.

By today's building standards, doors are not installed corner to corner with doors opening inward and overlapping each other at a narrow entry. This design flaw has been corrected. In the newest remodels, the hallway door has been removed with no consequences or complaint. This change has provided easy access to the linen closet and safe passage through the hallway in an emergency.

Justification for Capital Improvement Pass-through

T15-0360
275 Vernon Street #11, Oakland, CA 94610
August 31, 2015

Justification:

“Capital improvements are those improvements or major repairs that materially add to the value of the property and appreciably prolong its useful life or adapt it to the new building codes.” Work for capital improvement costs is allowable to the owner at 100% of the expenses.

On June 4, 2014, the capital improvement work was completed and final paid was made to the general contractor. See the attached Expenses for 275 Vernon Street #11 included with other documentation in the Owner Response for detailed information regarding payment dates.

The Enhanced Notice to Tenants for Capital Improvements with the RAP was provided to the tenants at the time of notification of the capital improvement rent increase along with all required documentation. Also, copies of these documents were filed with the City of Oakland Department of Housing and Community Development Rent Adjustment Program within 10 days after serving the notice to the tenants.

In order to demonstrate validity of the capital improvement costs, more detailed documentation will be provided prior to the hearing. This will include copies of receipts, invoices, bid contract, canceled checks and any other documentation which will establish that the costs were incurred by Solares Properties in 2013 and when they were paid.

Addendum A

Decreased Housing Services

In approximately July or August 2013, while the work was being done that Kathleen Solares is claiming as capital improvements, a door was removed from our hallway. This door had previously allowed us to close off a section of our apartment from the living room area where we would entertain guests.

Now that the door has been removed, sound travels from the bathroom and bedroom areas into the living room. Additionally, and when we want to leave the bathroom, individuals in the living room are able to see. The loss of this door has constituted an inconvenience and loss of privacy for us. For example, after taking a shower, we no longer have the ability to leave the bathroom without individuals in the living room being able to see us.

8 Attorney for Tenants Clifton and Mercedes Harrison

9 **Case No:** T15-0360
10 **Appeal Hearing Date:** October 27, 2016
11 **Case Title:** Harrison v. Solares Properties LLC
12 **Property Address:** 275 Vernon Street, Apt 11, Oakland, CA 94610

13 **Facts and Procedural History**

14 Tenants Clifton and Mercedes Harrison (“Tenants”) were served a notice of rent increase
15 wherein their Landlord, Kathleen Solares, (“Owner”) attempted to pass through \$70,752.19 to
16 the Tenants on the ground of capital improvements. The Decision at issue granted the Tenants’
17 petition in part, determining that the Owner was entitled to pass through \$33,492.69 as capital
18 improvements.¹ The Decision held that a substantial portion of the costs were impermissible
19 because they were paid for more than 24 months prior to the date of the proposed increase, and
20 because Owner had not met her burden of proof. However, the Decision allowed Owner to pass
21 through approximately \$12,800 in untimely costs, failed to account for an additional charge of
22 \$1,321.52 that was not supported in the evidence, and did not allow the Tenants’ defense of
23 deferred maintenance.

24 The Tenants respectfully request that the Board remand the Decision to the Hearing
25 Officer to exclude the impermissible and untimely costs and reconsider their deferred
26 maintenance claims, on the grounds that aspects of: (1) the Decision are inconsistent with Rent
27 Board Regulations; (2) the Decision are inconsistent with decisions issued by other hearing
28

1 officers; and (3) the Decision are not supported by substantial evidence. Owner has also appealed
2 this case on the grounds that (1) the decision raises a new policy issue that has not been decided
3 by the Board; and (2) the decision is not supported by substantial evidence. For the reasons
4 below, Tenants respectfully request that the Owner's appeal be denied.
5

6
7 **I. The Pass-Through of Costs that were Paid Prior to August 1, 2013 is Inconsistent**
8 **with the Regulations.**

9 The Regulations state that "credit for capital improvements will only be given for those
10 improvements which have been completed and paid for within the twenty-four (24) month period
11 prior to the date of the proposed rent increase."² Here, the date of the proposed rent increase is
12 August 1, 2015. Owner had the burden of establishing that the work at issue was both completed
13 and paid for in the 24-month period between August 1, 2013 and August 1, 2015.
14

15
16 **A. The Hearing Officer's Pass-Through of Charges that were Paid Prior to**
17 **August 1, 2013 is Inconsistent with the Regulations.**

18 The Hearing Officer stated the "remodeling of the kitchen and bathroom occurred
19 between June 23, 2013 and August 21, 2013. The final payment to the contractor occurred on
20 June 4, 2014 due to a dispute between him and the owner."³ The Hearing Officer found that the
21 "work was performed by First Choice Construction,"⁴ and the Decision lists costs paid to First
22 Choice Construction as disallowed on the ground "falls outside 24 month period."⁵ Owners'

³ See Decision, p. 5.

⁴ See Decision, p. 4.

⁵ See Decision, p. 10.

1 invoices indicate that these costs are for labor and materials.⁶ The disallowed payments to First
2 Choice Construction were all made prior to August 1, 2013.⁷

3
4 However, Owner also spent approximately \$12,797.95 purchasing materials from other
5 vendors prior to August 1, 2013. These costs were not addressed in the Decision, and are listed
6 below:⁸

7 **Additional Costs Falling Outside of 24 Month Period**

8

Vendor	Date Paid	Cost	Vendor	Date Paid	Cost
City of Oakland	11/7/2012	\$1,123.57	Import Tile Co.	7/30/2013	\$774.54
City of Oakland	6/21/2013	\$162.95	Walnut Creek Lighting	7/17/2013	\$390.60
GMS Sales	2/23/2013	\$437	Martinelli's Cabinet	7/3/2013	\$4,300
Stone Trading	6/18/2013	\$1,638.75	Glenview Key and Lock	6/18/2013	\$102.26
Pacific Sales	6/25/2013	\$1,382.10		Total:	\$12,797.95
Pacific Sales	7/23/2013	\$119.90			
Pacific Sales	7/23/2013	\$2,366.28

14
15
16

17 The failure to exclude these costs from the capital improvement pass-through is
18 inconsistent with the Regulations. These payments, like those made to First Choice Construction,
19 occurred outside of the 24 month period. The Regulations make no distinction concerning the
20 source of the cost. As these costs were paid outside of the 24 month period, they cannot be
21 passed down to the Tenants.

27 ⁶ See, e.g. Owner Evidence Submission, p. 34, 35, 46, 62.

28 ⁷ See Owner Evidence Submission, p. 34, 35, 46, 62, indicating that the payments were made between June 26, 2016 and July 22, 2013.

⁸ The dates and quantities from this chart derive from Owner's Evidence Submission, pp. 9-10.

1 **B. Owner's Argument that All Costs are Timely Because the Final Payment**
2 **Makes them Timely Lacks Authority in the Ordinance and is Against**
3 **Public Policy**

4 Owner's argument that every payment is timely because the work matured into a capital
5 improvement on the final date of payment lacks authority in the Ordinance and is against public
6 policy. One apparent purpose of the 24-month rule is to impose a time limitation on owners'
7 ability to pass through costs to tenants. A plain reading of the Ordinance requires both elements
8 to be present within the 24 months prior to the effective date of the rent increase – work
9 completed and payment made. Only making the final payment within the 24 month period – a
10 year after the work itself was performed – does not automatically render all previous payments
11 and work completed also within that period.

12 The facts at issue provide a compelling example of how Owner's argument is against
13 public policy. The final payment was made in the context of litigation around one year after the
14 work was completed. What if the lawsuit brought against the Owner had lasted four years?
15 Would this mean that even if all work was actually performed and largely paid for in 2013, if the
16 final payment is made in 2017 then the improvement was not really completed until then and all
17 costs incurred throughout the entire project regardless of timing should be allowed? This
18 interpretation does not have authority in the Ordinance and would be a dangerous precedent.

19 Furthermore, the untimeliness of these costs is largely due to Owner's own delay. The
20 Owner served a similar rent increase to take effect in 2014, but then rescinded the increase at the
21 RAP hearing when it became apparent that she had not met her burden of proof due to an
22 untimely evidence submission.⁹ Allowing owners to reap the benefits of sitting on their rights
23 and failing to pay individuals for their work would be vehemently against public policy.

141D

1 **II. The Hearing Officer Inadvertently Allowed a Charge of \$1,321.52 to be**
2 **Passed Through to the Tenants, which is Inconsistent with this Decision.**

3 Owner attempted to introduce two checks into evidence at the time of the hearing, and the
4 Hearing Officer forgot to address one of the checks in her Decision. In listing the charges Owner
5 attempted to pass through on page 7 of the Decision, there are two rows missing. Owner's
6 original submission includes two rows indicating that she spent \$635.83 and \$685.69 at
7 American Blinds and Draperies Inc.¹⁰ Owner attempted to introduce one check to this vendor,
8 and one check for a "screenmobile" at the hearing. The Owner's justification for the late
9 submission of both checks was that she forgot to include them.¹¹ The Decision states that the
10 "screenmobile" pass-through is not allowed because "proof of payment was not submitted 7 days
11 prior to hearing."¹² It stands to reason that the Hearing Officer intended to disallow the other
12 check as well. As the Decision fails to account for this charge, it has been inadvertently included
13 in the permissible pass through because this quantity was not subtracted from the total attempted
14 pass-through.
15
16
17

18
19 **III. The Hearing Officer's Decision Not to Consider Deferred Maintenance is**
20 **Inconsistent with Other Hearing Decisions and is Not Supported by**
21 **Substantial Evidence**

22 The Decision's statement that the defense of deferred maintenance cannot be considered
23 because it was not codified when the work was performed is inconsistent with other hearing
24 decisions. For example, in Case No. T13-0175 *Schneck v. Dang*, the hearing officer ruled that
25 part of the costs could not be passed through because they were deferred maintenance.¹³
26

27 ⁹ See Case No. T14-0117.

¹⁰ See Owner Evidence Submission, p. 10.

¹¹ See Hearing Recording, Disc One, 19:08 – 21:45.

¹² See Decision, p. 10.

¹³ "Because the termite work is considered deferred maintenance and not a capital improvement, the owner is not entitled to a capital improvement pass-through for these items." See page 3.

141E

1 Furthermore, deferred maintenance was codified in the Regulations at the time of the hearing.
2 Additionally, several findings of fact in the Decision concerning deferred maintenance claims are
3 not supported by substantial evidence. For example, the Decision states “there was no leak” in
4 the bathroom.¹⁴ However at the hearing, Tenants presented extensive evidence and testimony
5 concerning the leak. Owner testified initially that there was not a leak¹⁵ and then later provided
6 conflicting testimony that “there was a hairline crack in the ceiling and there was a drip.”¹⁶
7
8

9
10 **IV. The Hearing Officer’s Decision to Disallow the Pass-Through of Owner’s
Payment of \$27,000 to a Law Firm Is Supported by Substantial Evidence**

11 Owner now attempts to introduce a settlement agreement into evidence to substantiate a
12 \$27,000 payment she made to the contractor’s attorneys. This new evidence is untimely and
13 unnecessary because there is sufficient evidence in the record to support the hearing decision.¹⁷
14 At the Hearing, Owner testified that there was a payment dispute over some of the amounts due
15 to the contractor.¹⁸ The contractor sued the Owner, and this litigation ended in a settlement
16 where Owner paid \$27,000 to a law firm. Owner then sought to pass through \$15,380.11 of this
17 amount to the Tenants. When asked what the contractor was claiming in his lawsuit, Owner
18 responded that “he wanted payment for his services.”¹⁹ When asked about how the settlement
19 check was allocated, including how much of the structured settlement was paid to the

27 ¹⁷ See Case No. T05-0245, *Hobbs v. Bernstein*, holding Owner’s request to submit new evidence denied where
evidence in the record is sufficient to support hearing decision.

28 ¹⁸ See Hearing Recording, Disc One, 1:23:45 – 1:29:15, wherein her attorney asked so was there “some payment
dispute between yourself and Mr. Vianu over some of the amounts due for this construction?” Owner responded
“yes.” Attorney inquired “and some of that dispute . . . withheld moneys pertaining to the capital improvement
which was done on the Harrison’s unit, right?” Owner responded, “Yes, correct.”

¹⁹ See Hearing Recording, Disc Two, 1:36:45 – 1:48:00.

1 contractor's attorneys, Owner responded that she did not know.²⁰ As such, the Hearing Officer's
2 decision to disallow the litigation-related cost is supported by substantial evidence.

4

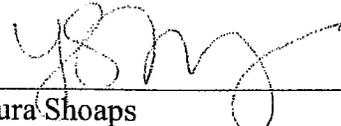

5 **CONCLUSION**

6 In light of the aforementioned, Tenants respectfully request that the Board deny Owner's appeal
7 and remand the decision to the Hearing Officer on the narrow grounds of:

- 8 (1) Excluding \$12,797.79 from the pass-through due to untimeliness;
9
10 (2) Excluding the \$1,321.52 charge for American Blinds and Draperies Inc. from the pass-
11 through due to untimely evidence submission; and
12 (3) Reconsidering Tenants' claims of deferred maintenance.

Exhibit A

RENT ADJUSTMENT PROGRAM REGULATIONS

8.22.010 FINDINGS AND PURPOSE.

A. Purpose of Regulations

1. These Regulations entirely replace the Regulations approved by the City Council in Resolution No. 71518 C.M.S. on December 6, 1994 except as provided for herein.

8.22.020 DEFINITIONS.

~~A. Definitions from Chapter 8.22~~

~~1. The following definitions are contained in Chapter 8.22 and are inserted for convenience:~~

"1946 Notice" means any notice of termination of tenancy served pursuant to California Civil Code §1946. This notice is commonly referred to as a 30-day notice of termination of tenancy, but the notice period may actually be for a longer or shorter period, depending on the circumstances.

"1946 Termination of Tenancy" means any termination of tenancy pursuant to California Civil Code § 1946.

"Anniversary Date" is the date falling one year after the day the Tenant was provided with possession of the Covered Unit or one year after the day the most recent rent adjustment took effect, whichever is later. Following certain vacancies, a subsequent Tenant will assume the Anniversary Date of the previous Tenant (OMC 8.22.080).

"Appeal panel" means a three-member panel of board members authorized to hear appeals of Hearing Officer decisions. Appeals panels must be comprised of one residential rental property owner, one tenant, and one person who is neither a tenant nor a residential rental property owner. Appeals panels may be made up of all regular board members, all alternates, or a combination of regular board members and alternates.

"Banking" means any CPI Rent Adjustment (or any rent adjustment formerly known as the Annual Permissible Rent Increase) the Owner chooses to delay imposing in part or in full, and which may be imposed at a later date, subject to the restrictions in the Regulations.

"Board" and "Residential Rent Adjustment Board" means the Housing, Residential Rent and Relocation Board.

"Capital Improvements" means those improvements to a Covered Unit or common areas that materially add to the value of the property and appreciably prolong its useful life or adapt it to new building codes. Those improvements must primarily benefit the Tenant rather than the Owner. Capital improvement costs that may be passed through to tenants include seventy percent (70%) of actual costs, plus imputed financing. Capital improvement costs shall be amortized over the useful life of the

improvement as set forth in an amortization schedule developed by the Rent Board. Capital improvements do not include the following as set forth in the regulations: correction of serious code violations not created by the tenant; improvements or repairs required because of deferred maintenance; or improvements that are greater in character or quality than existing improvements (“gold-plating” “over-improving”) excluding improvements approved in writing by the tenant, improvements that bring the unit up to current building or housing codes, or the cost of a substantially equivalent replacement.

“CPI--All Items” means the Consumer Price Index – all items for all urban consumers for Rent Adjustment Program Regulations Effective 8-1-14 2 the San Francisco-Oakland-San Jose area as published by the U.S. Department of Labor Statistics for the 12 month period ending on the last day of February of each year.

“CPI--Less Shelter” means the Consumer Price Index- all items less shelter for all urban consumers for the San Francisco-Oakland-San Jose area as published by the U.S. Department of Labor Statistics for the 12 month period ending on the last day of February of each year.

“CPI Rent Adjustment” means the maximum Rent adjustment (calculated annually according to a formula pursuant to OMC 8.22.070 B. 3) that an Owner may impose within a twelve (12) month period without the Tenant being allowed to contest the Rent increase, except as provided in OMC 8.22.070 B. 2 (failure of the Owner to give proper notices, decreased Housing Services, and uncured code violations).

“Costa-Hawkins” means the California state law known as the Costa-Hawkins Rental Housing Act codified at California Civil Code § 1954.50, et seq. (Appendix A to this Chapter contains the text of Costa-Hawkins).

“Covered Unit” means any dwelling unit, including joint living and work quarters, and all housing services located in Oakland and used or occupied in consideration of payment of rent with the exception of those units designated in OMC 8.22.030 A as exempt.

“Debt Service” means the monthly principal and interest payments on one or more promissory notes secured by deed(s) of trust on the property on which the Covered Units are located. NOTE: Debt Service for newly-acquired units has been eliminated as a justification for new rent increases in excess of the CPI pursuant to Ordinance No. 13221 C.M.S., adopted by the Oakland City Council on April 1, 2014.

“Housing Services” means all services provided by the Owner related to the use or occupancy of a Covered Unit, including, but not limited to, insurance, repairs, maintenance, painting, utilities, heat, water, elevator service, laundry facilities, janitorial service, refuse removal, furnishings, parking, security service, and employee services.

“Imputed interest” means the average of the 10 year United States treasury bill rate and the 10 year LIBOR swap rate for the quarter prior to the date the permits for the improvements were obtained plus an additional one and one-half percent. The Rent Program will post the quarterly interest rates allowable.

"Owner" means any owner, lessor or landlord, as defined by state law, of a Covered Unit that is leased or rented to another, and the representative, agent, or successor of such owner, lessor or landlord.

"Rent" means the total consideration charged or received by an Owner in exchange for the use or occupancy of a Covered Unit including all Housing Services provided to the Tenant.

"Rent Adjustment Program" means the department in the City of Oakland that administers this Ordinance and also includes the Board.

"Regulations" means the regulations adopted by the Board and approved by the City Council for implementation of this Chapter (formerly known as "Rules and Procedures") (After Regulations that conform with this Chapter are approved they will be attached to this Chapter as Appendix B).

"Security Deposit" means any payment, fee, deposit, or charge, including but not limited to, an advance payment of rent, used or to be used for any purpose, including but not limited to the compensation of an Owner for a Tenant's default in payment of rent, the repair of damages to the premises caused by the Tenant, or the cleaning of the premises upon termination of the tenancy exclusive of normal wear and tear.

"Staff" means the staff appointed by City Manager Administrator to administer the Rent Adjustment Program.

"Tenant" means a person entitled, by written or oral agreement to the use or occupancy of any Covered Unit.

"Uninsured Repairs" means that work done by an Owner or Tenant to a Covered Unit Rent Adjustment Program Regulations or to the common area of the property or structure containing a Covered Unit which is performed to secure compliance with any state or local law as to repair damage resulting from fire, earthquake, or other casualty or natural disaster, to the extent such repair is not reimbursed by insurance proceeds.

~~B. **New Definitions for Regulation** "Staff" means the staff appointed by City Manager to administer the Rent Adjustment Program.~~

8.22.030 EXEMPTIONS.

A. Dwelling Units That Are Not Covered Units

1. In order to be a Covered Unit, the Owner must be receiving Rent in return for the occupancy of the dwelling unit.

a. Rent need not be cash, but can be in the form of "in-kind" services or materials that would ordinarily be the Owner's responsibility.

i. For example, a person who lives in a dwelling unit and paints the premises, repairs damage, or upgrades the unit is considered to be paying Rent unless the person caused the damage.

b. Payment of some of expenses of the dwelling unit even though not all costs are paid is Rent.

i. Payment of all or a portion of the property taxes or insurance.

ii. Payment of utility costs that are not directly associated with the use of the unit occupied.

2. If California law determines that an "employee of the Owner", including a manager who resides in the Owner's property, is not a tenant, then the dwelling unit occupied by such person is not subject to OMC Chapter 8.22 so long as the person is an employee and continues to reside in the unit.

B. Types of Dwelling Units Exempt

1. Subsidized units. Dwelling units whose rents are subsidized by a governmental unit, including the federal Section 8 voucher program.

2. Newly constructed dwelling units (receiving a certificate of occupancy after January 1, 1983).

a. Newly constructed units include legal conversions of uninhabited spaces not used by Tenants, such as:

i. Garages;

ii. Attics;

iii. Basements;

iv. Spaces that were formerly entirely commercial.

b. Any dwelling unit that is exempt as newly constructed under applicable interpretations of the new construction exemption pursuant to Costa-Hawkins (California Civil Code Section 1954.52).

CITY OF OAKLAND

REPORT

To: Housing Residential Rent and Relocation Board
ATTN: Jessie Warner, Chairperson
FROM: Connie Taylor, Rent Adjustment Program Manager
DATE: September 26, 2016

RE: Revisions to Rent Adjustment and Just Cause Regulations

The Housing Residential Rent and Relocation Board ("Board") is tasked with adopting Rent Adjustment regulations and proposing them to City Council for final adoption. The Board is also tasked with final adoption of Just Cause regulations. Two recent ordinances adopted by City Council make changes to the Residential Rent Adjustment Program (O.M.C. Chapter 8.22, Article I) and require that the Board consider and adopt conforming regulations. In addition, the Council asked the Board to consider and adopt regulations for the Just Cause for Eviction Ordinance (O.M.C. Chapter 8.22, Article II) to require landlord certifications for certain types of evictions.

I recommend adoption of the modifications to the regulations and forwarding the Rent Adjustment Regulations to the City Council for approval.

The City Council

On June 7, 2016, City Council voted to approve for final passage an ordinance (Attachment A) that increases the number of Rent Board alternate members and authorizes more cases be heard by Board Appeals Panels.

On September 20, 2016, City Council approved for final passage an ordinance (Attachment B) that makes numerous changes to the Residential Rent Adjustment Ordinance. The City Council asked that these regulations be returned to the City Council within 120 days of the ordinance's adoption. In order to meet that deadline and the timetable for bringing matters to the City Council, the Rent Board needs to adopt the final version by mid-November. For that purpose, I propose two meetings: the first to receive public input, review, discuss, and propose changes to the draft regulations, and at least one more meeting to adopt the regulations with any amendments proposed at the first meeting and to get any further public input.

I attach a matrix showing the changes to the Ordinance made by the Council. The significant changes are as follows:

- Requiring landlords to file petition petitions for all rent increases except the CPI increase and banking.
- Change time deadlines for tenants to file petitions from 60 days to 90 days when they receive a proper notice, and to 120 when the rent increase notice does not contain the required rent program notification.
- Change the amortization for capital improvements from 5 years to the useful life of the improvement.

- Requiring the notice at the commencement of tenancy to be in English, Spanish, Chinese, and Vietnamese.
- For substantial rehabilitation exemptions, landlords are required to obtain a certificate of exemption before the property is exempt.
- For the owner-occupancy exemption for duplexes and triplexes, the owner must owner-occupy a unit for two years, instead of one.

In addition, the Council asked the Board to amend the Regulations to:

- permit a landlord to take the CPI Adjustment along with a capital improvement;
- make changes to streamline the program.

The attached redlined versions of the Rent Adjustment regulations (Attachment C) and the Just Cause for Eviction regulations (Attachment D) are offered for your consideration and possible adoption to conform these regulations to Council's recent actions.

Notable proposed Regulation changes include the following;

- 8.22.020 Definitions:
 - Adding Appeal Panel
 - Modifying Capital Improvements
 - Adding Imputed Interest (for capital improvements)
 - Moving Staff definition.
- 8.22.040 The Board
 - A.2 Permitting staff to schedule regular meetings for either Board or Panel.
 - C.1 Appeal Panels chaired by neutral.
 - D.1 Modifying Standing Committees to remove language inserted into Ordinance.
- 8.22.060 Notice at the Commencement of Tenancy
 - Regulations added to address penalties for non-compliance with new requirement for notice in multiple languages.
- 8.22.065 Rent Adjustments in General
 - New section added in Ordinance, but reserved for future regulations.
- 8.22.070 Justifications for Rent Increase
 - B. Modified to remove prohibition on landlord taking CPI Rent Increase with other rent increases.
- 8.22.120 Appeal Procedure
 - A Modified to set out timelines for filing supporting documentation and limitations on documents.
 - B7 Fair return. Clarifying that a landlord can only appeal on the basis of fair return only if fair return was a basis for the underlying petition.
 - D Adding Appeal Panel
 - D.4 Limiting argument to grounds submitted in written appeal.
 - F Adding Appeal Panel
 - G Adding Appeal Panel
 - G.2.c Modifying how appeal decisions are issued. Requiring the Board to ask to review a final decision.

Chapter 8.22 - RESIDENTIAL RENT ADJUSTMENTS AND EVICTIONS

8.22.020 - Definitions.

As used in this chapter, Article I:

"1946 notice" means any notice of termination of tenancy served pursuant to California Civil Code Section 1946. This notice is commonly referred to as a thirty (30) or sixty (60) day notice of termination of tenancy, but the notice period may actually be for a longer or shorter period, depending on the circumstances.

"1946 Termination of tenancy" means any termination of tenancy pursuant to California Civil Code § 1946.

"Anniversary date" is the date falling one year after the day the tenant was provided with possession of the covered unit or one year after the day the most recent rent adjustment took effect, whichever is later. Following certain vacancies, a subsequent tenant will assume the anniversary date of the previous tenant (Section 8.22.080).

"Appeal panel" means a three-member panel of board members authorized to hear appeals of Hearing Officer decisions. Appeal panels must be comprised of one residential rental property owner, one tenant, and one person who is neither a tenant nor a residential rental property owner. Appeal panels may be made up of all regular board members, all alternates, or a combination of regular board members and alternates.

"Banking" means any CPI Rent Adjustment (or any rent adjustment formerly known as the Annual Permissible Rent Increase) the owner chooses to delay imposing in part or in full, and which may be imposed at a later date, subject to the restrictions in the regulations.

"Board" and "Residential Rent Adjustment Board" means the Housing, Residential Rent and Relocation Board.

"Capital improvements" means those improvements to a covered unit or common areas that materially add to the value of the property and appreciably prolong its useful life or adapt it to new building codes. Those improvements must primarily benefit the tenant rather than the owner.

"CPI—All items" means the Consumer Price Index—All items for all urban consumers for the San Francisco—Oakland—San Jose area as published by the U.S. Department of Labor Statistics for the twelve (12) month period ending on the last day of February of each year.

"CPI—Less shelter" means the Consumer Price Index—All items less shelter for all urban consumers for the San Francisco—Oakland—San Jose area as published by the U.S. Department of Labor Statistics for the twelve (12) month period ending on the last day of February of each year.

"CPI Rent Adjustment" means the maximum rent adjustment (calculated annually according to a formula pursuant to Section 8.22.070 B.3) that an owner may impose within a twelve (12) month period

without the tenant being allowed to contest the rent increase, except as provided in Section 8.22.070B.2 (failure of the owner to give proper notices, decreased housing services, and uncured code violations).

"Costa-Hawkins" means the California state law known as the Costa-Hawkins Rental Hawkins Act codified at California Civil Code § 1954.50, et seq. (Appendix A to this chapter contains the text of Costa-Hawkins).

OAKLAND CITY COUNCIL
ORDINANCE NO. 13891 C.M.S.

ORDINANCE AMENDING CHAPTER 8.22, ARTICLE I (RENT ADJUSTMENT) OF THE OAKLAND MUNICIPAL CODE TO: (1) MODIFY EXEMPTIONS FOR OWNER-OCCUPIED DUPLEXES AND TRIPLEXES AND SUBSTANTIALLY REHABILITATED PROPERTIES; (2) REQUIRE OWNERS FILE PETITIONS FOR RENT INCREASES OTHER THAN THOSE BASED ON THE ANNUAL CONSUMER PRICE INDEX INCREASE OR BANKING; (3) CHANGE THE DEFINITION OF CAPITAL IMPROVEMENTS TO PROVIDE AMORTIZATION OF THE COST OVER THE USEFUL LIFE OF THE IMPROVEMENT; AND (4) AMEND TIMELINES FOR FILING PETITIONS, AND AMENDING CHAPTER 8.22, ARTICLE V (TENANT PROTECTION ORDINANCE) TO CLARIFY THAT INCREASING A TENANT'S RENT PURSUANT TO STATE OR OAKLAND LAW SHALL NOT BE DEEMED A VIOLATION OF THE TENANT PROTECTION ORDINANCE

WHEREAS, Oakland has a Rent Adjustment Program that presently permits landlords to petition for rent increases, but in most cases requires tenants to petition to contest rent increases over an annual rent increase allowance;

WHEREAS, on November 5, 2002, Oakland voters passed the Just Cause for Eviction Ordinance (Measure EE), codified as Article II of Title 8 of the Oakland Municipal Code; and

WHEREAS, the City of Oakland is experiencing a severe housing supply and affordability crisis; and

WHEREAS, the housing affordability crisis threatens the public health, safety and/or welfare of our residents; and

WHEREAS, 60 percent of Oakland residents are renters, who would not be able to locate comparably priced housing within the city if displaced (U.S. Census Bureau, ACS 2014 table S1101); and

WHEREAS, in February 2016 the median rental price for a one-bedroom unit in Oakland was \$2,250 per month (\$27,000 per year), a 13.6 percent increase in costs over February 2015, and the median rental price for a two-bedroom unit in February 2016 was \$2,700 per month (\$32,400 per year), an 18.9 percent increase over costs in February 2015 (Zumper National Rent Report: March 2016); and

WHEREAS, Oakland's rental housing costs are the fourth highest in the nation, behind San Francisco, New York, and Boston (Zumper National Rent Report: March 2016); and

WHEREAS, in 2014 the estimated annual median household income for households that rented in Oakland was \$36,657, which would result in a household earning the annual median household income paying 74 percent of household income for a one-bedroom unit or 85 percent of household income for a two-bedroom unit (U.S. Census Bureau, ACS 2014, Table S2503); and

WHEREAS, the affordable rent for a family earning \$36,657 is defined as only paying thirty percent of income on housing, which is approximately \$916 per month; and

WHEREAS, the median rent for all apartments rented in February of 2016 reached an all-time high of just over \$3,000 per month according to research from Trulia; and

WHEREAS, 22.5% of Oakland's households are "housing insecure," defined as facing high housing costs, poor housing quality, unstable neighborhoods, overcrowding, or homelessness; and

WHEREAS, over 26,000 Oakland households are severely rent burdened, which is defined as spending 50 percent or more of monthly household income on rent (Oakland Consolidated Housing Needs Assessment 2015 Analysis of HUD Data, as reported in the City's March 2016 Oakland at Home report, pp. 10-11); and

WHEREAS, displacement through unauthorized rent increases has a direct impact on the health, safety and/or welfare of Oakland's citizens by uprooting children from their schools, disrupting longstanding community networks that are integral to citizens' welfare, forcing low-income residents to pay unaffordable relocation costs, segregating low-income residents into less healthy, less safe and more overcrowded housing that is often further removed from vital public services and leaving residents with unhealthy levels of stress and anxiety as they attempt to cope with the threat of homelessness; and

WHEREAS, major capital improvements amortized over a short period of time may cause high rent increases and the costs of such improvements should be amortized over a period of time closer to their useful life, and tenants should not have to pay for improvements that upgrade amenities beyond what they already have without the tenants approval; and

WHEREAS, The City Council finds that requiring property owners to file petitions for all rent increases other than those based on CPI Rent Increases or Banking would ensure greater fairness and compliance with the RAP Ordinance; and

WHEREAS: this action is exempt from the California Environmental Quality Act ("CEQA") under the following, each as a separate and independent basis, including but not limited to, the following: CEQA Guidelines Section 15378 (regulatory actions), Section 15061 (b) (3) (no significant environmental impact), and Section 15183 (actions consistent with the general plan and zoning);

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF OAKLAND DOES ORDAIN AS FOLLOWS:

Article I. - Residential Rent Adjustment Program

8.22.020 - Definitions.

As used in this chapter, Article I:

"1946 notice" means any notice of termination of tenancy served pursuant to California Civil Code Section 1946. "Capital improvements" means those improvements to a covered unit or common areas that materially add to the value of the property and appreciably prolong its useful life or adapt it to new building codes. Capital improvement costs shall be amortized over the useful life of the improvement as set forth in an amortization schedule

developed by the Rent Board. Capital improvements do not include the following as set forth in the regulations: correction of serious code violations not created by the tenant; improvements or repairs required because of deferred maintenance; or improvements that are greater in character or quality than existing improvements ("gold-plating" "over-improving") excluding: improvements approved in writing by the tenant, improvements that bring the unit up to current building or housing codes, or the cost of a substantially equivalent replacement.

"Costa-Hawkins" means the California state law known as the Costa-Hawkins Rental Hawkins Act codified at California Civil Code § 1954.50, et seq. (Appendix A to this chapter contains the text of Costa-Hawkins).

"Covered unit" means any dwelling unit, including joint living and work quarters, and all housing services located in Oakland and used or occupied in consideration of payment of rent with the exception of those units designated in Section 8.22.030A as exempt.

"Ellis Act Ordinance" means the ordinance codified at O.M.C. 8.22.400 (Chapter 8.22, Article III) setting out requirements for withdrawal of residential rental units from the market pursuant to California Government Code § 7060, et seq. (the Ellis Act).

"Fee" means the Rent Program Service Fee as set out in O.M.C. 8.22.500 (Chapter 8.22, Article IV).

"Housing services" means all services provided by the owner related to the use or occupancy of a covered unit, including, but not limited to, insurance, repairs, maintenance, painting, utilities, heat, water, elevator service, laundry facilities, janitorial service, refuse removal, furnishings, parking, security service, and employee services.

"Owner" means any owner, lessor or landlord, as defined by state law, of a covered unit that is leased or rented to another, and the representative, agent, or successor of such owner, lessor or landlord.

"Owner of record" means a natural person, who is an owner of record holding an interest equal to or greater than thirty-three percent (33%) in the property, but not including any lessor, sublessor, or agent of the owner of record.

"Just Cause for Eviction Ordinance" means the ordinance adopted by the voters on November 5, 2002 (also known as Measure EE) and codified at O.M.C. 8.22.300 (O.M.C. Chapter 8.22, Article II).

"Rent" means the total consideration charged or received by an owner in exchange for the use or occupancy of a covered unit including all housing services provided to the tenant.

"Rent Adjustment Program" means the department in the city that administers this chapter and also includes the board.

"Regulations" means the regulations adopted by the board and approved by the City Council for implementation of this chapter, Article I (formerly known as "Rules and Procedures") (After regulations are approved, they will be attached to this chapter as Appendix B).

"Security deposit" means any payment, fee, deposit, or charge, including but not limited to, an advance payment of rent, used or to be used for any purpose, including but not limited to the compensation of an owner for a tenant's default in payment of rent, the repair of damages to the premises caused by the tenant, or the cleaning of the premises upon termination of the tenancy exclusive of normal wear and tear.

"Tenant" means a person entitled, by written or oral agreement to the use or occupancy of any covered unit.

"Uninsured repairs" means that work done by an owner or tenant to a covered unit or to the common area of the property or structure containing a covered unit which is performed to secure compliance with any state or local law as to repair damage resulting from fire, earthquake, or other casualty or natural disaster, to the extent such repair is not reimbursed by insurance proceeds.

8.22.030 - Exemptions.

- A. Types of Dwelling Units Exempt. The following dwelling units are not covered units for purposes of this chapter, Article I only (the Just Cause for Eviction Ordinance (Chapter 8.22, Article II) and the Ellis Act Ordinance (Chapter 8.22, Article II)) have different exemptions):
1. Dwelling units whose rents are controlled, regulated (other than by this chapter), or subsidized by any governmental unit, agency or authority.
 2. Accommodations in motels, hotels, inns, tourist houses, rooming houses, and boarding houses, provided that such accommodations are not occupied by the same tenant for thirty (30) or more continuous days.
 3. Housing accommodations in any hospital, convent, monastery, extended care facility, convalescent home, nonprofit home for the aged, or dormitory owned and operated by an educational institution.
 4. Dwelling units in a nonprofit cooperative, owned, occupied, and controlled by a majority of the residents.

5. Dwelling units which were newly constructed and received a certificate of occupancy on or after January 1, 1983. This exemption does not apply to any newly constructed dwelling units that replace covered units withdrawn from the rental market in accordance with O.M.C. 8.22.400, et seq. (Ellis Act Ordinance). To qualify as a newly constructed dwelling unit, the dwelling unit must be entirely newly constructed or created from space that was formerly entirely non-residential.
6. Substantially rehabilitated buildings.
7. Dwelling units exempt pursuant to Costa-Hawkins (California Civil Code § 1954.52).
8. A dwelling unit in a residential property that is divided into a maximum of three (3) units, one of which is occupied by an owner of record as his or her principal residence. For purposes of this section, the term owner of record shall not include any person who claims a homeowner's property tax exemption on any other real property in the state of California.

B. Exemption Procedures.

1. Certificate of Exemption:

- a. A certificate of exemption is a determination by the Rent Adjustment Program that a dwelling unit or units qualify for an exemption and, therefore, are not covered units. An owner may obtain a certificate of exemption by claiming and proving an exemption in response to a tenant petition or by petitioning the Rent Adjustment Program for such exemption. A certificate of exemption may be granted only for dwelling units that are permanently exempt from the Rent Adjustment Ordinance as new construction, substantial rehabilitation, or by state law (Costa Hawkins).
- b. For purposes of obtaining a certificate of exemption or responding to a tenant petition by claiming an exemption from Chapter 8.22, Article I, the burden of proving and producing evidence for the exemption is on the owner. A certificate of exemption is a final determination of exemption absent fraud or mistake.
- c. Timely submission of a certificate of exemption previously granted in response to a petition shall result in dismissal of the petition absent proof of fraud or mistake regarding the granting of the certificate. The burden of proving such fraud or mistake is on the tenant.

2. Exemptions for Substantially Rehabilitated Buildings.

- a. In order to obtain an exemption based on substantial rehabilitation, an owner must have spent a minimum of fifty (50) percent of the average basic cost for new construction for a rehabilitation project.
- b. The average basic cost for new construction shall be determined using tables issued by the chief building inspector applicable for the time period when the substantial rehabilitation was completed.
- c. An Owner seeking to exempt a property on the basis of substantial rehabilitation must first obtain a certificate of exemption after completion of all work and obtaining a certificate of occupancy. If no certificate of occupancy was issued for the property, in lieu of the certificate of occupancy an owner may provide the last finalized permit. For any property that has a certificate of occupancy issued on or

before the date of enactment of this subparagraph O.M.C 8.22.30B.2.c. for which an Owner claims exemption as substantially rehabilitated, the Owner must apply for such exemption not later than June 30, 2017 or such exemption will be deemed to be vacated.

- C. Controlled, Regulated, or Subsidized Units. The owner of a dwelling unit that is exempt because it is controlled, regulated (other than by this chapter), or subsidized by a governmental agency (Section 8.22.030A.1) must file a notice with the Rent Adjustment Program within thirty (30) days after such dwelling unit is no longer otherwise controlled, regulated, or subsidized by the governmental agency. Once the dwelling unit is no longer controlled, regulated, or subsidized, the dwelling unit ceases to be exempt and becomes a covered unit subject to this chapter, Article I. Such notice must be on a form prescribed by the Rent Adjustment Program.
- D. Exemptions for Owner-Occupied Properties of three or Fewer Units. Units in owner-occupied properties divided into three or fewer units will be exempt from this chapter, Article I under the following conditions:
1. ~~Two-One-Year~~ Minimum Owner Occupancy. A qualifying Owner of Record must first occupy one of the units continuously as his or her principal residence for at least two one years. This requirement does not apply to any property in which the owner resides in the premises on or before August 1, 2016.
 2. Continuation of Exemption. The owner-occupancy exemption continues until a qualifying owner of record no longer continuously occupies the property
 3. Rent Increases. The owner of record qualifying for this exemption may notice the first rent increase that is not regulated by this chapter, Article I ~~one year after the effective date of this exemption or~~ two one years after the date the qualifying owner of record starts residing at the affected property as his or her principal place of residence.
 4. An owner claiming such exemption must provide information to the Rent Program on when the owner occupancy began and documentation showing the minimum of two years continuous occupancy. Staff shall develop a form for this purpose.
 4. ~~Effective date of this Exemption. This exemption for owner-occupied properties of three or fewer units takes effect one year after the adoption of this ordinance modifying this chapter, Article I.~~

8.22.060 - Notice of the existence of this chapter required at commencement of tenancy.

- A. Notice at Commencement of Tenancy. The owner of any covered unit is required to comply with the following notice requirements at the commencement of any tenancy:
1. On or before the date of commencement of a tenancy, the owner must give the tenant a written notice in a form prescribed by the Rent Adjustment Program which must include the following information:
 - a. The existence and scope of this chapter; and
 - b. The tenant's rights to petition against certain rent increases.

2. The Owner must give the initial notice in four languages: English, Spanish, Mandarin, and Cantonese.

- B. Evidence of Giving Notice. When filing an owner's response to a tenant petition or an owner's petition for a rent increase, the owner must submit evidence that the owner has given the notice required by this section to the affected tenants in the building under dispute in advance of the filing. When responding to a tenant petition, the owner may allege that the affected dwelling units are exempt in lieu of providing evidence of complying with the notice requirement. If an owner fails to submit the evidence and the subject dwelling unit is not exempt, then the owner's petition or response to a tenant's petition must be dismissed. This evidence can be a statement of compliance given under oath, however, the tenant may controvert this statement at the hearing. An owner's filing the notice in advance of petition or response prevents the owner's petition or response from being dismissed, but the owner may still be subject to the rent increase forfeiture if the notice was not given at the commencement of the tenancy or within the cure period set out in Section 8.22.060(C).
- C. Failing to Give Notice. An owner who fails to give notice of the existence and scope of the Rent Adjustment Program at the commencement of a tenancy, but otherwise qualifies to petition or respond to a petition filed with the Rent Adjustment Program, will forfeit six months of the rent increase sought unless the owner cured the failure to give the notice. An owner may cure the failure to give the notice at the commencement of a tenancy required by this section and not be subject to a forfeiture of a rent increase if the owner gives the notice at least six months prior to serving the rent increase notice on the tenant or, in the case of an owner petition, at least six months prior to filing the petition.

8.22.065 - Rent Adjustments In General.

A. Notwithstanding any other provision of this Chapter, owners may increase rents only for increases based on the CPI Rent Adjustment or Banking, or by filing a petition to increase rent in excess of that amount. Any rent increase not based on the CPI Rent Adjustment or Banking that is not first approved by the Rent Adjustment Program is void and unenforceable.

B. Rent increases are subject to the requirements of this Chapter and Regulations.

C. The changes reflected in this O.M.C. subsection 8.22.065 apply only to rent increases noticed on or after February 1, 2017.

8.22.090 - Petition and response filing procedures.

A. Tenant Petitions.

1. Tenant may file a petition regarding any of the following:

- a. A rent increase exceeds the CPI Rent Adjustment, including, without limitation circumstances where:
- i. The owner failed to timely give the tenant a written summary of the basis for a rent increase in excess of the CPI rent adjustment as required by Subsection 8.22.070H.1.c.; and

- ii. The owner set an initial rent in excess of the amount permitted pursuant to Section 8.22.080 (Rent increases following vacancies);
- iii. A rent increase notice fails to comply with the requirements of Subsection 8.22.070H;
- iv. The owner failed to give the tenant a notice in compliance with Section 8.22.060;
- v. The owner decreased housing services to the tenant;
- vi. The tenant alleges the covered unit has been cited in an inspection report by the appropriate governmental agency as containing serious health, safety, fire, or building code violations pursuant to Subsection 8.22.070 D.7;
- vii. The owner fails to reduce rent on the month following the expiration of the amortization period for capital improvements, or to pay any interest due on any rent overcharges from the failure to reduce rent for a capital improvement.

8.22.010 FINDINGS AND PURPOSE.

A. Purpose of Regulations

1. These Regulations entirely replace the Regulations approved by the City Council in Resolution No. 71518 C.M.S. on December 6, 1994 except as provided for herein.

8.22.020 DEFINITIONS.

A. Definitions from Chapter 8.22

1. The following definitions are contained in Chapter 8.22 and are inserted for convenience:

"1946 Notice" means any notice of termination of tenancy served pursuant to California Civil Code §1946. This notice is commonly referred to as a 30-day notice of termination of tenancy, but the notice period may actually be for a longer or shorter period, depending on the circumstances.

"1946 Termination of Tenancy" means any termination of tenancy pursuant to California Civil Code § 1946.

"Anniversary Date" is the date falling one year after the day the Tenant was provided with possession of the Covered Unit or one year after the day the most recent rent adjustment took effect, whichever is later. Following certain vacancies, a subsequent Tenant will assume the Anniversary Date of the previous Tenant (OMC 8.22.080).

"Appeal panel" means a three-member panel of board members authorized to hear appeals of Hearing Officer decisions. Appeals panels must be comprised of one residential rental property owner, one tenant, and one person who is neither a tenant nor a residential rental property owner. Appeals panels may be made up of all regular board members, all alternates, or a combination of regular board members and alternates.

"Banking" means any CPI Rent Adjustment (or any rent adjustment formerly known as the Annual Permissible Rent Increase) the Owner chooses to delay imposing in part or in full, and which may be imposed at a later date, subject to the restrictions in the Regulations.

"Capital Improvements" means those improvements to a Covered Unit or common areas that materially add to the value of the property and appreciably prolong its useful life or adapt it to new building codes. Capital improvement costs shall be amortized over the useful life of the improvement as set forth in an amortization schedule developed by the Rent Board. Capital

"CPI--All Items" means the Consumer Price Index -- all items for all urban consumers for Rent Adjustment Program Regulations Effective 8-1-14 2 the San Francisco-Oakland-San Jose area as published by the U.S. Department of Labor Statistics for the 12 month period ending on the last day of February of each year.

"Costa-Hawkins" means the California state law known as the Costa-Hawkins Rental Housing Act codified at California Civil Code § 1954.50, et seq. (Appendix A to this Chapter contains the text of Costa-Hawkins).

"Covered Unit" means any dwelling unit, including joint living and work quarters, and all housing services located in Oakland and used or occupied in consideration of payment of rent with the exception of those units designated in OMC 8.22.030 A as exempt.

"Debt Service" means the monthly principal and interest payments on one or more promissory notes secured by deed(s) of trust on the property on which the Covered Units are located. NOTE: Debt Service for newly-acquired units has been eliminated as a justification for new rent increases in excess of the CPI pursuant to Ordinance No. 13221 C.M.S., adopted by the Oakland City Council on April 1, 2014.

"Housing Services" means all services provided by the Owner related to the use or occupancy of a Covered Unit, including, but not limited to, insurance, repairs, maintenance, painting, utilities, heat, water, elevator service, laundry facilities, janitorial service, refuse removal, furnishings, parking, security service, and employee services.

"Imputed Interest" means the average of the 10 year United States treasury bill rate and the 10 year LIBOR swap rate for the quarter prior to the date the permits for the improvements were obtained plus an additional one and one-half percent. "Security Deposit" means any payment, fee, deposit, or charge, including but not limited to, an advance payment of rent, used or to be used for any purpose, including but not limited to the compensation of an Owner for a Tenant's default in payment of rent, the repair of damages to the premises caused by the Tenant, or the cleaning of the premises upon termination of the tenancy exclusive of normal wear and tear.

"Staff" means the staff appointed by City Manager Administrator to administer the Rent Adjustment Program.

"Tenant" means a person entitled, by written or oral agreement to the use or occupancy of any Covered Unit.

Voluntary mediation of Rent disputes will be available to all parties participating in Rent adjustment proceedings after the filing of a petition and response. Mediation will only be conducted in those cases in which all parties agree in advance to an effort to mediate the dispute.

B. Procedures

1. Parties who desire mediation shall have the choice between the use of Rent Adjustment Program staff Hearing Officers acting as mediators or the selection of an outside mediator. Staff Hearing Officers shall be made available to conduct mediations free of charge. The Rent Adjustment Program will develop a list of available outside mediators for those who do not wish to have staff Hearing Officers mediate rent disputes. Any fees charged by an outside mediator for mediation of rent disputes will be the responsibility of the parties requesting the use of their services.

If the mediation was conducted by a staff Hearing Officer, the hearing on the petition will be conducted by a different Hearing Officer.

6. If the parties reach an agreement during the mediation, a written mediation agreement will be prepared immediately by the mediator and signed by the parties at the conclusion of the mediation. To the extent possible, mediation agreements shall be self-enforcing. The Hearing Officer will issue an order corresponding to the mediated agreement and signed by the parties that either dismisses the petition or grants the petition according to terms set out in the mediation agreement.

7. A settlement agreement reached by the parties will become a part of the record of the proceedings on the petition unless the parties otherwise agree.

4. Any argument and supporting documentation may not be any more than twenty-five (25) pages. Arguments must be legible and double-spaced if typed. Any submissions not conforming to these

requirements may be rejected by Staff. Staff may limit the pages for argument and supporting documentation submitted in consolidated cases.

5. Staff, in its discretion, may modify or waive the above requirements for good cause. The good cause must be provided in writing by the party seeking a waiver or modification.

B. Grounds for Appeal

The grounds on which a party may appeal a decision of a Hearing Officer include, but are not limited to, the following:

1. The decision is inconsistent with OMC Chapter 8.22, the Regulations, or prior decisions of the Board;
2. The decision is inconsistent with decisions issued by other Hearing Officers;
3. The decision raises a new policy issue that has not previously been decided by the Board;
4. The decision violates federal, state, or local law;
5. The decision is not supported by substantial evidence;

a. Where a party claims the decision is not supported by substantial evidence, the party making this claim has the burden to ensure that sufficient record is before the Board to enable the Board to evaluate the party's claim;

6. The Hearing Officer made a procedural error that denied the party sufficient opportunity to adequately present his or her claim or to respond to the opposing party; or

7. The decision denies the Owner a fair return.

a. This appeal ground may only be used by an Owner when his or her underlying petition for approval of rent a rent increase was based on a fair return claim.

b. Where an Owner claims the decision denies a fair return, the owner must specifically state on the appeal form the basis for the claim, including any calculations, and the legal basis for the claim.

C. Postponements

1. The Board or Staff may grant a postponement of the appeal hearing only for good cause shown and in the interests of justice. A party may be granted only one postponement for good cause, unless the party shows extraordinary circumstances.

2. "Good cause" shall include but is not limited to:

a. Verified illness of a party an attorney or other authorized representative of a party or material witness of the party;

b. Verified travel plans scheduled before the receipt of notice of hearing;

c. Any other reason that makes it impractical to appear at the scheduled date due to unforeseen circumstances or verified prearranged plans that cannot be changed. Mere inconvenience or difficulty in appearing shall not constitute "good cause".

3. A request for a postponement of an appeal hearing must be made in writing at the earliest date possible after receipt of the notice of appeal hearing with supporting documentation attached.

4. Parties may mutually agree to a postponement at any time. When the parties have agreed to a postponement, the Rent Arbitration Program office must be notified in writing at the earliest date possible prior to the date for the appeal hearing.

D. Procedures at Appeal Hearings

1. It is the Board's or Appeal Panel's goal to hear ~~three (3)~~ four (4) appeals per meeting.

2. Unless the Board or Appeal Panel votes otherwise, each party will have ~~fifteen (15)~~ ten (10) minutes to present argument on or in opposition to the appeal. This time includes opening argument and any response.

3. Whenever the Board or Appeal Panel considers an appeal at more than one meeting, any Board member not present at a prior hearing must listen to a tape of the prior hearing in order to participate at a subsequent hearing.

4. Only those grounds presented in the written appeal may be argued before the Board.

E. Record Of Proceedings

1. All proceedings before the Rent Board shall be recorded by tape or other mechanical means. A party may order a duplicate or transcript of the tape recording of any appeal hearing provided that the party ordering the duplicate or transcript pays for the expense of duplicating or transcribing the tape.

2. Any party desiring to employ a court reporter to create a record of a proceeding, except a mediation session, is free to do so at their own expense, provided that the opportunity to obtain copies of any transcript are offered to the Rent Adjustment Program and to the opposing party.

F. Evidentiary Hearings

1. As a general rule, the Board and Appeal Panels should not conduct evidentiary hearings. When the Board or Appeal Panel determines that additional evidence or reconsideration of evidence is necessary, the Board or Appeal Panel should remand the matter back to a Hearing Officer for consideration of evidence.

2. The Board or Appeal Panel should only consider evidence when the evidence is limited in scope and resolution of the matter is more efficient than having it remanded to a Hearing Officer for consideration of the evidence.

3. In order for new evidence to be considered, the party offering the new evidence must show that the new evidence could not have been available at the Hearing Officer proceedings.

4. If the Board or Appeal Panel deems an evidentiary hearing necessary, the appeal will be continued and the Board will issue a written order setting forth the issues on which the parties may present evidence.

5. The parties must file any new documentary evidence with the Board or Appeal Panel and also serve it the opposing party not less than five working days prior to the date set for the evidentiary appeal hearing.

a. Parties must also file with the Board Rent Program proofs of service of the evidence on the opposing party.

b. Failure to file the evidence and the proofs of service may result in the evidence not being considered by the Board or Appeal Panel.

6. When the Board or Appeal Panel conducts an evidentiary hearing, the same rules will apply as to hearings before Hearing Officers.

G. Appeal Decisions

1. Vote Required. Provided a quorum of the Board is present, or all three panel members if a matter is being heard by an Appeal Panel, a majority vote of the Board members present is required to overturn or modify a Hearing Officer's decision. A tie vote upholds the Hearing Officer's decision. If no Board member makes a motion to uphold, reverse, or modify the Hearing Officer's decision on appeal or no motion receives a second, the appeal is deemed denied without comment.

2. Vote at Close of Appeal Hearing. Unless the Board or Appeal Panel votes otherwise, it shall vote on each appeal at the close of the appeal. The motion should include the reasons for the decisions so that the reasons can be set forth in a written decision.

a. Form of Decision. An appeal decision must be in writing and include findings and conclusions. Staff will prepare a draft decision for consideration by the Board or Appeal Panel.

b. Time for Written Decision. The Board has the goal of issuing a written decision within thirty (30) days of the close of the appeal hearing.

c. Final decision. Written decisions are drafted by staff, reviewed by the City Attorney, signed by staff as the Board's designee, and served on the parties. In any individual matter, however, the Board may vote to require that a decision first come to the full Board or to the Board or Appeal Panel Chair for final approval and signature of that Chair. must approve written decisions. A decision is not final until a written decision is approved by the Board, signed by the Chair or the Board's designee. A decision is not final until signed by staff or the Board or Appeal Panel Chair and served on the parties.

d. Staff shall serve decisions on the parties.

H. Failure to Appear.

1. Appellant. If an appellant fails to appear at an appeal hearing, the Board will consider the appeal dropped and will issue a decision dismissing the appeal, subject to the appellant showing good cause for the failure to appear.

a. Any excuse for failing to appear, along with supporting documentation, must be submitted to Staff with fifteen days of the date of the appeal decision.

b. Staff will, in the first instance determine if the excuse represents a prima facie case of good cause based on the standards for failing to appear at a hearing and any Board decisions interpreting good cause for failure to appear.

c. If a prima facie case of good cause is shown, Staff will schedule an appeal hearing on whether the Board accepts the good cause.

2. Responding party. If the responding party fails to appear, the Board must still hear and decide the appeal.

**REGULATIONS FOR THE JUST CAUSE FOR EVICTION ORDINANCE
(MEASURE EE, CODIFIED IN THE OAKLAND MUNICIPAL CODE AT
8.22.300, et seq.)**

Introduction

The following regulations address portions of the Just Cause for Eviction Ordinance ("Just Cause Ordinance"). Only those sections where the Housing, Residential Rent and Relocation Board ("Rent Board") adopted regulations are included. The numbering system follows the codified version of the Just Cause Ordinance. These Regulations were originally adopted in 2004 and include the 2007 and 2009 Amendments.

8.22.350 Applicability. ~~[Section 5]~~

B. Health Facilities.

1. Where a federal, state, county, or local license or permit is required in order to lawfully engage in the activity that qualifies for the exemption, the landlord must plead and prove that the facility is properly licensed.

C. Substance Abuse Treatment Facilities.

1. Where a federal, state, county, or local license or permit is required in order to lawfully engage in the activity that qualifies for the exemption, the landlord must plead and prove that the facility is properly licensed.

D. Homeless Transitional Facilities.

1. Where federal, state or local license or permit is required in order to lawfully engage in the activity that qualifies for the exemption, the landlord must plead and prove that the facility is properly licensed.

H. New Construction Exemption.

1. Date to Qualify for Exemption. The new construction exemptions under the Just Cause Ordinance and the Rent Adjustment Ordinance differ as the date after which units must be constructed for the units to qualify for the new construction exemption. For purposes of O.M.C. 8.22.350 H (exemption under the Just Cause Ordinance for newly constructed units), newly constructed rental units are residential rental units that have a certificate of occupancy as new construction issued after October 14, 1980 and are first offered for rent on or after that date. (The new construction exemption under the Rent Adjustment Ordinance is for units newly constructed and that received a certificate of occupancy on or after January 1, 1983 (O.M.C. 8.22.030 A5)).

2. The intent of this regulation is to conform the definitions of what constitutes new construction in the Just Cause Ordinance and the Rent Adjustment Ordinance for purposes of the new construction exemption. To qualify as a newly constructed rental unit, the dwelling unit must be entirely newly constructed or created from space that was formerly entirely non-residential.

a. Newly constructed units include legal conversions of uninhabited spaces not used by tenants, such as:

- i. Garages;
- ii. Attics;

- iii. Basements;
- iv. Spaces that were formerly entirely commercial.
- b. Dwelling units not eligible for the new construction exemption include:
 - i. Live/work space where the work portion of the space was converted into a separate dwelling unit;
 - ii. Common area converted to a separate dwelling unit.

8.22.360 Good Cause Required for Eviction

8.22.360.A.2.

a. _____ A "material term of the tenancy" of the lease includes obligations that are implied by law into a residential tenancy or rental agreement and are an obligation of the tenant. Such obligations that are material terms of the tenancy include, but are not limited to:

i. Nuisance. The obligation not to commit a nuisance. A nuisance, as used in these regulations, is any conduct that constitutes a nuisance under Code of Civil Procedure § 1161 (4). Provided that a termination of tenancy for any conduct that might be included under O.M.C. 8.22.360 A4 (causing substantial damage), A5 (disorderly conduct), or A6 (using premises for illegal purpose) and which also be considered a nuisance, can follow the requirements of those sections in lieu of this section (O.M.C 8.22.360 A2). Nuisance also includes conduct by the tenant occurring on the property that substantially interferes with the use and enjoyment of neighboring properties that rises to the level of a nuisance under Code of Civil Procedure § 1161 (4).

ii. Waste. The obligation not to commit waste, as the term waste may be applicable to a residential tenancy under California Code of Civil Procedure § 1161. Waste, as used in these regulations, is any conduct that constitutes waste under Code of Civil Procedure § 1161 (4). Provided that a termination of tenancy for any conduct that falls under O.M.C 8.22.360 A4 (causing substantial damage) and might also be considered waste can follow the requirements of that section in lieu of this section (O.M.C 8.22360 A2).

b. Repeated violations for nuisance, waste or dangerous conduct.

i. Repeating the same nuisance, waste, or dangerous conduct within 12 months. The first time a tenant engages in conduct that constitutes nuisance, waste or is dangerous to persons or property within any 12 month period, the landlord must give the tenant a warning notice to cease and not repeat the conduct. If the tenant repeats the same or substantially similar nuisance, waste or dangerous conduct within 12 months after the landlord served the prior notice to cease, the landlord need not serve a further notice to cease, but may give a notice pursuant to Code of Civil Procedure § 1161 for the repeated conduct.

ii. Repeating different nuisance or waste conduct within 24 months. The first two times a tenant engages in different conduct that constitutes waste or a nuisance that interferes with the right of quiet enjoyment of other tenants at the property, the landlord must give the tenant a warning notice to cease and not repeat the conduct. If within 24 months after the landlord served the first of the two notices to cease for the waste or nuisance conduct, the tenant again engages conduct that constitutes waste or a nuisance that interferes with the right of quiet enjoyment of other tenants at the property, the landlord need not serve a further notice to cease, but may give a notice pursuant to Code of Civil Procedure § 1161 for the third incident of waste or nuisance conduct.

c. By giving a tenant a notice that the tenant has violated a material term of tenancy, the landlord is not precluded from also noticing a possible eviction for the same conduct under a separate subsection of O.M.C. 8.22.360 so long as the notices are not contradictory or conflicting.

~~Reg-8.22.360A.4.~~

A notice that the tenant has willfully caused substantial damage must give the tenant at least 45 days after service of the notice to repair the damage or pay the landlord for the reasonable cost of repairing such damage.

~~Reg-8.22.360A.5.~~

Destroying the peace and quiet of other tenants at the property is conduct that substantially interferes with the peace, quiet, and enjoyment of other tenants at the property.

8.22.360A.6 Illegal Use of the Premises

- a. For purposes of Subparagraph O.M.C. 8.22.360 A.6 a person who illegally sells a controlled substance upon the premises or uses the premises to further that purpose is deemed to have committed the illegal act on the premises, in accordance with California Code of Civil Procedure § 1161 (4).
- b. Using the premises for an unlawful purpose is any conduct that constitutes using the premises for an unlawful purpose under Code of Civil Procedure § 1161 (4).
- c. Where a unit has been cited for housing, building, or planning code violations, and the landlord is unwilling or unable to make the necessary repairs or corrections, the tenant will not be deemed to have "committed an illegal act on the premises" pursuant to this Regulation 8.22.360 A.6. Where a unit is being taken off the rental market due to housing, building, or planning code violations, the landlord must follow the procedures found in Regulation 8.22.360 A.10(b) herein to evict the tenant.

~~Reg. 8.22.360A.6.~~

~~a. For purposes of Subparagraph O.M.C. 8.22.360 A.6 a person who illegally sells a controlled substance upon the premises or uses the premises to further that purpose is deemed to have committed the illegal act on the premises, in accordance with California Code of Civil Procedure § 1161(4).~~

~~b. Using the premises for an unlawful purpose is any conduct that constitutes using the premises for an unlawful purpose under Code of Civil Procedure § 1161 (4).~~

~~Reg-8.22.360A.9.g.~~

This regulation addresses a tenant's claim of "protected status" as elderly, disabled, or catastrophically ill pursuant to Section 8.22.360 A.9.e. and how it may be contested by a landlord.

i. Statement With Supporting Evidence Of Protected Status. In order to present a claim for protected status, a tenant must give the landlord a statement claiming protected status along with evidence supporting the claim. The evidence must include a statement that the tenant has resided in the unit for more than five years. The supporting evidence must be of the tenant's age, or that the tenant has a disability that limits a major life activity, or that he or she has a

catastrophic illness. If the tenant produces evidence of protected status sufficient to establish a facial claim of protected status, the landlord has the burden of producing evidence to contradict the tenant's evidence. Below are examples of types of evidence concerning protected status that may be used to present a claim that a tenant is entitled to protected status:

- (a) Elderly status: driver's license, DMV identity card, birth certificate, or other document in which the age or date of birth must be submitted under oath.
- (b) Disabled status: Evidence that a tenant has a disability that limits a major life activity may be in the form of a statement from a treating physician or other appropriate health care provider authorized to provide treatment, such as a psychologist. A tenant may also submit evidence of a medical determination from another forum, such as Social Security or workers' compensation, so long as it includes the fact of that the tenant has a disability and its probable duration.
- (c) Catastrophically ill status. Evidence of disabled status plus a statement from the tenant's primary care physician or other appropriate health care provider that the tenant has a life threatening illness. The evidence need not provide any information on the nature of the disability or catastrophic illness.

ii. Jurisdiction Over Challenges to Protected Status. Courts have concurrent jurisdiction with the Rent Program over landlord challenges to a tenant's claim to protected status.

- (a). Court. A tenant may defend against an eviction by claiming protected status claim where the landlord seeks recovery of the unit for occupancy by the owner or the landlord's eligible relative.
- (b). Rent Program.

1. A landlord and a tenant may agree at any time to have the Rent Program address a tenant's claim for protected status. Either the landlord or the tenant may petition the Rent Program at any time to seek resolution of the claim for protected status, but the Rent Program will not assume jurisdiction over the petition unless the other party agrees to Rent Program jurisdiction.

2. A landlord who is selling a property may request that a tenant state whether the tenant will claim protected status if the landlord's successor seeks to evict the tenant for occupancy by the owner or the owner's close relative.

(a). The owner may make this request under the conditions and procedures:

- i. The building contains 6 or fewer rental units.
- ii. The building contains more than 6 rental units and the unit the tenant occupies is unique. Unique means that no more than 5 percent of the units in the building are similar in size, location, and/or amenities.
- iii. The landlord has an accepted offer from a purchaser and the offer is contingent upon the availability of a unit to owner-occupy.
- iv. The landlord makes the request to the tenant on a form provided by the Rent Program verifying the appropriate information under penalty of perjury.

(b) The tenant must respond within 15 calendar days of service of the request. A tenant who fails to respond within the 15 calendar days is deemed to have waived any claim of entitlement to protected status as of the last date the response was due.

iii. Rent Program Hearings Contesting Protected Status.

(a) Procedure. Rent Program hearings contesting a tenant's disability or catastrophic illness are conducted in accordance with the procedures set forth in Rent Adjustment Program Regulation 8.22.090. Rent Program staff may establish any additional specialized procedures necessary for hearings under this section.

(b) Confidential Nature of Hearings. Evidence of a tenant's disability or illness is deemed confidential. Hearings, records of hearings, and decisions (except for whether the tenant has protected status) based on disability, or catastrophic illness will not be open to the public. Records of the decision will not be considered public records for purposes of the California Public Records Act (Cal. Government Code § 6250, et seq.). The landlord or his/her representative, agent, or attorney may not release any evidence or records or information contained in such evidence or records pertaining to the tenant's disability or illness to a person other than the parties or their representatives for the hearing. Rent Program staff may adopt supplementary rules to conduct hearings so as to protect the medical privacy of tenants while permitting parties to obtain necessary evidence.

(c) Tenant's Burden. The tenant has the burden of proving protected status.

(d) Health Care Examination.

~~1.~~ Landlord's Request. If the landlord reasonably determines that in order to respond the tenant's evidence of disability or illness a medical examination is necessary, the landlord may request the Rent Program order the tenant to obtain the opinion of a second health care provider, designated or approved by the landlord, concerning any information on which the tenant bases her/his claim for protected status. The examination will be at the landlord's own expense.

~~2.~~ Independent Examination. The landlord and tenant may agree to have an independent examination conducted by a health care provider agreed to by the parties or appointed by the Hearing Officer. The parties must agree that the results of the independent examination will be binding on the parties as to the tenant's status as disabled or catastrophically ill. The independent examination will be at the landlord's expense unless the parties agree otherwise.

~~3.~~ Limitation on Examination. Any health care examination under this subsection must be limited to the health related condition that the tenant claims is the basis for the disability or catastrophically ill status. The Hearing Officer may issue such orders or place such conditions on the examination as may be necessary to limit the examination to the tenant's condition at issue.

~~4.~~ Tenant Refusal to be Examined. At tenant's refusal to be examined at the landlord's request or to cooperate with such examination will defeat the tenant's claim of protected status, unless the tenant can prove her/his claim by clear and convincing evidence and the landlord's request for an examination is unreasonable.

iv. No Appeal to Rent Board for Disability or Catastrophically Ill Claims Unless Tenant Waives Privacy in Medical Records. Neither party may appeal the Hearing Officer's decision to the Rent Board unless the tenant is willing to waive any privacy or confidentiality to medical records or other confidential records pertaining to the tenant's disability or illness. Without such a waiver, a decision of the Hearing Officer is final as to the administrative processes of the City of Oakland and any party wishing to further contest the Hearing Officer's decision must seek judicial review.

v. Landlord or Landlord's Relative or Other Tenant for Claims Protected Status. A landlord may still evict a tenant with protected status where the landlord or the landlord's relative who will be occupying the unit has protected status, or where every other unit of the landlord is occupied by a tenant claiming protected status. In either of the aforementioned circumstances, any challenge to the landlord's right to evict a tenant with protected status would be addressed in an unlawful detainer or other court proceeding.

~~Reg 8.22.360A.6~~ ~~Illegal Use of the Premises~~

- ~~a. For purposes of Subparagraph O.M.C. 8.22.360 A.6 a person who illegally sells a controlled substance upon the premises or uses the premises to further that purpose is deemed to have committed the illegal act on the premises, in accordance with California Code of Civil Procedure § 1161 (4).~~
- ~~b. Using the premises for an unlawful purpose is any conduct that constitutes using the premises for an unlawful purpose under Code of Civil Procedure § 1161 (4).~~
- ~~c. Where a unit has been cited for housing, building, or planning code violations, and the landlord is unwilling or unable to make the necessary repairs or corrections, the tenant will not be deemed to have "committed an illegal act on the premises" pursuant to this Regulation 8.22.360 A.6. Where a unit is being taken off the rental market due to housing, building, or planning code violations, the landlord must follow the procedures found in Regulation 8.22.360 A.10(b) herein to evict the tenant.~~

~~Reg 8.22.360A.10~~ ~~Eviction for Repairs or to Bring Unit in Compliance with Municipal Code or Other Laws Affecting Health and Safety of Tenants.~~

- a. Petitioning to extend time for tenant vacancy.
 - i. Purpose. When a landlord seeks to recover possession of a unit to make repairs, the repairs must be completed in time to permit the tenant to reoccupy the unit after three months of vacancy. If more than three months of vacancy are required to complete the repairs, the landlord may petition the Rent Program to extend this time.
 - ii. Additional Notice Requirements. In addition to the other requirements for the notice terminating tenancy in the Just Cause Ordinance or by state law, the landlord must include the following information in a prominent place on the front of the notice:
 - A. If the tenant wishes to return to the rental unit, the tenant must provide the landlord with a forwarding address and telephone number or other contact information. A tenant who fails to provide this information may not be entitled to return to the rental unit.
 - B. Rent Program staff will issue a form notice for evictions brought pursuant to this Section.
 - iii. Time for Petitioning.
 - A. When the landlord knows before the notice to terminate tenancy is served on the tenant that the repairs cannot be completed within the three-month period, the landlord must file the petition with the Rent Program and serve the tenant with a copy of the petition to extend time with or before the notice to terminate tenancy.
 - B. When the landlord discovers, after serving the notice to terminate tenancy, that the work will require longer than 3 months, the landlord must file the petition within 15 days of first learning that the work will not be completed within 3 months.

- iv. Petition and response contents. Rent Program staff will issue form petitions and responses that will specify the required contents.
 - v. Priority. The nature and subject matter of the petition requires an expeditious decision on these petitions. The Rent Program will give priority to the hearing on the petition.
 - vi. Tenant Response. To expedite the landlord's petition, no formal response from the tenant will be required until the hearing. However, if the tenant wishes to submit any documentary evidence (including pictures) in response to the landlord's petition, the tenant must file such evidence with the Rent Program and send a copy to the landlord not less than 5 days prior to the hearing, unless the tenant can show the evidence was unavailable at that time.
 - vii. Conduct of Hearings. Rent Program hearings contesting the rent for an available vacant unit are conducted in accordance with the procedures set forth in Rent Adjustment Program Regulation 8.22.090.
 - viii. Appeals. The hearing officer's decision may be appealed to the Rent Board within the time frame set forth in O.M.C. 8.22.120 and in accordance with Rent Adjustment Program Regulations. Rent Program staff may assign the appeal to a panel of the Board to expedite it.
 - ix. Penalty. In addition to any other remedies a tenant may have, a landlord who fails to timely file a petition seeking an extension or unreasonably delays completing the repairs will forfeit one month of any rent increase based the repairs that necessitated the tenant's eviction for each month, or fraction thereof that the tenant's return is unreasonably delayed.
- b. Removal of Unit(s) or Change of Use Required by Code Violation.
- i. Purpose. The City of Oakland or other regulatory agency may require a Landlord to make repairs or corrections, or cease renting a unit or units in a building because the unit or building has been cited with a code violation. In such cases, often the landlord is unwilling to make such repairs or corrections, or the corrections cannot be made without taking the unit(s) or building off the market, converting the unit(s) or building to another use, or demolishing the unit(s). This Regulation 8.22.360A(10)(b) applies to foregoing circumstances. Before this Regulation 8.22.360A(10)(b) was enacted, landlords would often evict tenants citing Regulation 8.22.360A(6) herein, which applies to circumstances where a tenant has committed an illegal act on the premises, such as selling controlled substances. In those cases, while the eviction was through no fault of their own, tenants were only given three days notice to vacate, and the evictions were often reported to credit reporting agencies as being related to illegal uses of the premises. This Regulation 8.22.360A(10)(b) is intended to provide landlords with an appropriate mechanism for evicting a tenant where a unit is being taken off the residential rental market due to a code violation.
 - ii. All Units Withdrawn from the Rental Market. If the City of Oakland or other regulatory agency has cited the building with a code violation, and the landlord is unable or unwilling to make the necessary repairs or corrections, and all the residential units in the building are similarly affected and can be withdrawn from the residential rental market pursuant to the Ellis Act Ordinance (O.M.C. 8.22.400, et seq.), the Landlord must use the procedures and notice provisions of the Ellis Act Ordinance to take all the units off the market.
 - iii. Not All Units Withdrawn from the Rental Market. If the landlord withdraws a unit from the residential rental market due to a code violation cited by the City of Oakland or other regulatory agency, and other units in the building will remain on the residential rental

market, the landlord must use the procedures and notice provisions of this Regulation 8.22.360A(10)(b)(v) to take the affected unit off the market.

- iv. Units Subject to an "Imminent Hazard" – 72-Hour Notice to Vacate. Where the City or other public agency has issued a 72-hour notice to vacate ("red-tagged") the unit or building, the provisions of the Just Cause Ordinance do not apply as this order to vacate is brought by the City or governmental entity and not the landlord.
- v. Units or Buildings Wherein Corrections Cannot Be Made. If the Landlord determines that the corrections required to address the code violation(s) cannot be made to the unit or if the Landlord is unwilling to make the corrections and will cease renting the affected unit for residential purposes, the Landlord must do the following:
 - A. Follow the eviction process established in California Civil Code § 1946 and § 1946.1 providing for a 30-day or 60-day notice period.
 - B. Provide the information on the notice terminating tenancy required by O.M.C. 8.22.360A.10.c as follows:
 1. A statement informing tenants as to any right to payment under the City of Oakland's Code Enforcement Relocation Ordinance (O.M.C. Chapter 15.60).
 2. A short, simple statement describing the violations or attaching the report noticing the violations and that the landlord has decided that the landlord will cease using the unit for residential rental purposes and terminate the tenant's tenancy. This information on the notice terminating tenancy must be signed under penalty of perjury.
 3. A statement that the termination of tenancy is brought in good faith, with honest intent, and without ulterior reasons, including but not limited to: retaliating against the tenant, facilitating repairs or permits necessary to retain the unit(s) as residential, or to re-rent the unit(s). This information on the notice terminating tenancy must be signed under penalty of perjury.
 4. A statement that "If the needed repairs are completed on your unit, the landlord must offer you the opportunity to return to your unit with a rental agreement containing the same terms as your original rental agreement and with the same rent (although the landlord may be able to obtain a rent increase under the Oakland Residential Rent Program Ordinance (O.M.C. Chapter 8.22, Article 1). This statement only applies if your landlord restores your unit to the residential rental market."
 - C. File the notice terminating the tenancy with the Rent Program as required by O.M.C 8.22.

This certification must be provided to the Rent Board every twelve (12) months from the initial move-in date for thirty-six (36) months following the owner's repossession of the rental unit.

2. An owner who has evicted a tenant pursuant to Section 8.22.360 (a)(10) must file a completed certification (attached hereto as Exhibit C) to the Rent Board affirming under penalty of perjury that he or she offered the unit to the evicted tenant as required under (a)(10)(c)(ii). This notice must be filed within thirty (30) days of completing the needed repairs that led to the eviction.

h.ii. An owner who has evicted a tenant pursuant to Section 8.22.360 (a)(11) and California Government Code Section 7060 et seq. must comply with the existing certification requirements of Sections 8.22.430 and 822.460.

Reg-8.22.360B.4. _____ Notice to Cease Substantial Violation of Material Term of Tenancy.

a. The purpose of a "Notice to Cease" under O.M.C. 8.22.360 is to advise the tenant of specific conduct that, if repeated, not stopped, or not cured, may cause the tenant to be evicted.

b. A Notice to Cease must state:

- i. The term of tenancy or Just Cause Ordinance that has been violated;
- ii. With specificity the conduct that violates the term of the tenancy;
- iii. The date(s) on which the conduct occurred, or if that date is not known to the landlord, the approximate date on which conduct occurred.
- iv. If the conduct is repeated, not stopped, or not cured, that the landlord may initiate eviction proceedings against the tenant. If the violation can be cured, the date by which the violation must be cured or a notice of termination of tenancy may be given. The tenant must be given a reasonable opportunity to cure the violation.

c. Service of Notice to Cease.

-i. Service of the notice to cease may be accomplished by any means authorized by California Civil Code § 1946. California Civil Code §1946 permits service by any one of the following means, either:

- (a) By delivering a copy to the tenant personally; or
- (b) If he or she is absent from his or her place of residence, and from his or her usual place of business, by leaving a copy with some person of suitable age and discretion at either place, and sending a copy through the mail addressed to the tenant at his or her place of residence; or
- (c) If such place of residence and business can not be ascertained, or a person of suitable age or discretion there can not be found, then by affixing a copy in a

conspicuous place on the property, and also delivering a copy to a person there residing, if such person can be found; and also sending a copy through the mail addressed to the tenant at the place where the property is situated. Service upon a subtenant may be made in the same manner; or

(d) By sending a copy by certified or registered mail addressed to the other party.

d. Effective Date of Notice to Cease.

-i. A Notice to Cease is effective upon receipt if:

(a) The notice is personally delivered to the tenant;

(b) The notice is affixed to the property and a copy is personally delivered to a person residing there.

ii. A Notice to Cease is effective 5 days after the Notice is placed in the mails if:

(a) The notice is left with a person residing in the unit and mailed;

(b) The notice is delivered by certified or registered mail.

e. Notice to Terminate Tenancy. If the conduct described in the notice is repeated, not stopped, or not cured within the cure period, the Landlord may serve a notice pursuant to California Code of Civil Procedure § 1161.

f. Further Interpretation. The notice to cease required by this section is similar to provisions addressing notices of default found in commercial leases. These provisions in commercial leases give the tenant an opportunity to cure a default prior to being served with a notice to cure or quit or to terminate tenancy pursuant to California Code of Civil Procedure § 1161. Landlords and tenants may look to case law interpreting such provisions in commercial leases for further guidance on addressing issues that may arise under this section.

g. A Notice to Cease pursuant to Sections 8.22.360A 2, 4, 5 and 7 must give the tenant at least 7 days after service to cure the violation. If the violation presents an immediate and substantial danger to persons or the property the landlord may give the tenant a notice that the violation must be corrected within 24 hours after service of the notice.

h. Appendix A provides forms of notices to cease that are the preferred forms that landlords may use where notices to cease are required by Section 8.22.360. Nothing herein precludes the use of a different notice to cease form, so long as it provides the information required by law.

~~Regulation 8.22.360B.6.b.~~

This regulation sets out the preferred language landlords must insert into notices terminating tenancy or notices to cure or quit regarding advice from the Rent Program. As preferred language, the language used in this regulation is "safe harbor" language that, if used by a landlord in applicable notices, cannot be challenged by the tenant as being not in compliance with the O.M.C. 8.22.360 B.6.b. Other language imparting the same information may also be acceptable.

i. The following statement must be included in notices terminating tenancy or notices to cure or quit regarding advice from the Rent Program. "Information regarding evictions is available from the City of Oakland's Rent Program. Parties seeking legal advice concerning evictions should consult with an attorney. The Rent Program is located at 250 Frank H. Ogawa Plaza, Suite 3315, Oakland, CA 94612, (510) 238-3501, website: www.oaklandnet.com. (as of January 2004)"

8.22.360C.1. ___ Determining Rent for a Replacement Unit.

The Just Cause for Eviction Ordinance requires a landlord to offer a replacement unit (if one is vacant) to a tenant being evicted for occupancy by the owner or the owner's relative (O.M.C. 8.22.360 A.9.), or for the rehabilitation of the tenant's unit (O.M.C. 8.22.360 A.10). This regulation addresses how to set the rent for the replacement unit in the event the landlord and tenant are not able to agree on the rent.

a. When the Rent Program Can Determine Rent For The Replacement Unit. The Rent Program can determine the amount of the rent for the vacant unit when the unit is not subject to vacancy decontrol under the Costa Hawkins Rental Housing Act (California Civil Code § 1954.50, et seq.) or is exempt from the Rent Adjustment Ordinance by the ordinance itself or by or Costa-Hawkins. If the landlord contends that the replacement unit was vacancy decontrolled under Costa-Hawkins or is exempt, the landlord must produce the evidence showing that the replacement unit is vacancy decontrolled or exempt. The tenant may then contest the landlord's evidence.

b. Landlord Offering Tenant Replacement Unit. A landlord seeking to evict a tenant for owner/relative occupancy or rehabilitation of the tenant's unit must give the tenant a notice of any units that are or will become available prior to the tenant vacating the tenant's unit. If no vacant units are available the landlord must provide written notice so stating. The notice must include the following:

- i. The date the replacement unit will be vacant and available for occupancy;
- ii. The landlord's proposed rent for the replacement unit.
- iii. The location and size of the replacement unit.
- iv. Whether the replacement unit is vacancy decontrolled or exempt.

c. Notice to Tenant of Available Vacant Unit. This notice must be served on the tenant:

- i. At the time of giving the notice to terminate tenancy if the unit is vacant or the landlord anticipates that it will become vacant prior to the tenant's vacating.
- ii. Within 5 days of the landlord's knowledge that a unit may be vacated.

d. Inspection of Vacant Units. The landlord must make reasonable efforts to make any vacant units available for inspection by the tenant.

e. Criteria for Setting Rent for Replacement Unit. If the landlord does not prove the vacant unit is vacancy decontrolled or exempt, then the rent for the replacement unit will be set according to the following criteria:

- i. Rent for the tenant's current unit.
- ii. The condition of the tenant's unit versus the replacement unit.
- iii. The size and number and types of rooms.
- iv. Other amenities, such as view, floor, location, furnishings.

f. Petitions For Determining Rent For Replacement Unit.

i. Petitioning. A tenant being evicted for occupancy by the landlord or the landlord's relative, or for major repair of the unit may contest a landlord's proposed rent for a replacement unit (including a determination of the exempt or vacancy decontrol status of the replacement unit), by filing a petition on a form prescribed by the Rent Adjustment Program.

ii. Time for Petitioning. The tenant may file the petition prior to occupying the replacement unit, but must file the petition not later than 60 days after the tenant first starts to occupy the available vacant unit.

iii. Priority. The Rent Program will make efforts to prioritize the hearing on the petition.

iv. Landlord Response. To expedite the tenant's petition, no formal response from the landlord will be required until the hearing.

v. Conduct of Hearings. Rent Program hearings contesting the rent for an available vacant unit are conducted in accordance with the procedures set forth in Rent Adjustment Program Regulation 8.22.090.

vi. Appeals. The hearing officer's decision may be appealed to the Rent Board within the time frame set forth in O.M.C. 8.22.120 and in accordance with Rent Adjustment Program Regulations. Rent Program staff may assign the appeal to a panel of the Board to expedite it.

8.22.370

~~O.M.C.~~ 8.22.370A. Remedies for violation of eviction controls.

1. This regulation addresses the standard that a tenant who prevails in an unlawful detainer action must meet in order to recover against the landlord who brought the unlawful detainer action. In order to recover actual damages against the landlord, the tenant must show that the landlord did not have a reasonable basis for bringing the unlawful detainer action. A landlord lacks a reasonable basis for bringing an unlawful detainer when the landlord's dominant motive for bringing the eviction was not the stated reason for bringing the eviction or the landlord lacked good faith in bringing the unlawful detainer. See O.M.C. 8.22.350 B2. The mere fact that the landlord did not prevail is not sufficient for recovery of damages. In order to recover punitive damages in such an action, the tenant must prove, in accordance with California Civil Code § 3294 "by clear and convincing evidence that the [landlord] has been guilty of oppression, fraud, or malice."

2. This regulation addresses the liability standards when someone assists a landlord who wrongfully endeavors to recover possession or recovers possession of a rental unit covered by the Just Cause Ordinance. For liability to attach to a person assisting a landlord acting wrongfully, the person knew or, with the exercise of reasonable diligence, should have known that the landlord's conduct was wrongful.

3. This regulation addresses the circumstance where a landlord pursues an eviction based on a notice from the City of Oakland informing the landlord that the tenant is alleged to be engaging in, permitting, or using the premises to further certain illegal activities. When a landlord pursues evicting a tenant based on such a notice from the City, the landlord is deemed to be acting in good faith in bringing the eviction action and is not engaged in wrongful conduct except under the following circumstances:

a. The Owner knew or should have known that that there was contrary or exculpatory evidence tending to show that the City's evidence is not sufficient to warrant the Tenant's eviction;

b. The City did not consider the additional evidence prior to issuing its notice to the Owner; and

c. The Owner did not seek reconsideration of the City's issuing the notice for the Tenant's eviction pursuant to O.M.C 8.23.100 F.2.e.ii based on the additional evidence.

4. This regulation addresses the circumstance where a landlord brings an unlawful detainer to recover possession for owner/relative occupancy and the tenant defends the eviction based on protected status under O.M.C. 8.22.360 A.9. The landlord's conduct in bringing the unlawful detainer is deemed to be acting in good faith in bringing the eviction action and is not engaged in wrongful conduct under the following circumstances:

a. The tenant had not previously given a notice claiming protected status sufficiently in advance of the landlord's serving the tenant with the unlawful detainer complaint for the landlord to have contested the tenant's protect status claim with the Rent Program.

- b. The tenant claims protected status as a defense to the unlawful detainer;
- c. The landlord contests the tenant's protected status claim reasonably and in good faith;
- d. The landlord fails to dismiss the case within a reasonable time after the landlord has had the opportunity for full discovery of the facts concerning the tenant's protected status claim and the tenant's protected status claim is supported by clear and convincing evidence.

Reg. 8.22.380 Non-Waiverability.

Nothing in the Ordinance is intended to prevent or interfere with parties entering into knowing, voluntary agreements for valuable consideration to settle disputes regarding possession of rental units. Any provision in a rental agreement or any amendment thereto which waives or modifies any provision of the Ordinance is contrary to public policy and void.

Amendments to Just Cause For Eviction Regulations

8.22.340 - Definitions

10.0 JUSTIFICATION FOR ADDITIONAL RENT INCREASES

10.1 Increased Housing Service Costs: Increased Housing Service Costs are services provided by the landlord related to the use or occupancy of a rental unit, including, but not limited to, insurance, repairs, replacement maintenance, painting, lighting, heat, water, elevator service, laundry facilities, janitorial service, refuse removal, furnishings, parking, security service and employee services. Any repair cost that is the result of deferred maintenance, as defined in Appendix A, Section 10.2.2, cannot be considered a repair for calculation of Increased Housing Service Costs.

10.1.1 In determining whether there has been an increase in housing service costs, consider the annual operating expenses for the previous two years. (For example: if the rent increase is proposed in

1993, the difference in housing service costs between 1991 and 1992 will be considered.) The average housing service cost percentage (%) increase per month per unit shall be derived by dividing this difference by twelve (12) months, then by the number of units in the building and finally by the average gross operating income per month per unit (which is determined by dividing the gross monthly operating income by the number of units). Once the percentage increase is determined the percentage amount must exceed the allowable rental increase deemed by City Council. The total determined percentage amount is the actual percentage amount allowed for a rental increase.

10.1.2 Any major or unusual housing service costs (i.e., a major repair which does not occur every year) shall be considered a capital improvement. However, any repair cost that is not eligible as a capital improvement because it is deferred maintenance pursuant to Appendix A, Section 10.2.2, may not be considered a repair for purposes of calculating Increased Housing Service Costs.

10.1.3 Any item which has a useful life of one year or less, or which is not considered to be a capital improvement, will be considered a housing service cost (i.e., maintenance and repair).

10.1.4 Individual housing service cost items will not be considered for special consideration. For example, PG&E increased costs will not be considered separately from other housing service costs.

10.1.5 Documentation (i.e., bills, receipts, and/or canceled checks) must be presented for all costs which are being used for justification of the proposed rent increase.

10.1.6 Landlords are allowed up to 8% of the gross operating income of unspecified expenses (i.e., maintenance, repairs, legal and management fees, etc.) under housing service costs unless verified documentation in the form of receipts and/or canceled checks justify a greater percentage.

10.1.7 If a landlord chooses to use 8% of his/her income for unspecified expenses, it must be applied to both years being considered under housing service cost (for example, 8% cannot be applied to 1980 and not 1981).

10.1.8 A decrease in housing service costs (i.e., any items originally included as housing service costs such as water, garbage, etc.) is considered to be an increase in rent and will be calculated as such (i.e., the average cost of the service eliminated will be considered as a percentage of the rent). If a landlord adds service (i.e., cable TV, etc.) without increasing rent or covers costs previously paid by a tenant, this is considered to be a rent decrease and will be calculated as such.

10.1.9 The transfer of utility costs to the tenant by the landlord is not considered as part of the rent increase unless the landlord is designated in the original rental agreement to be the party responsible for such costs.

10.1.10 When more than one rental unit shares any type of utility bill with another rental unit, it is illegal to divide up the bill between units. Splitting the costs of utilities among tenants who live in separate units is prohibited by the Public Utilities Commission Code and Rule 18 of PG&E. The best way to remedy the bill is to install individual meters. If this is too expensive, then the property owner should pay the utility bill himself/herself and build the cost into the rent.

10.2 Capital Improvement Costs: Capital Improvement Costs are those improvements which materially add to the value of the property and appreciably prolong its useful life or adapt it to new building codes. Those improvements primarily must benefit the tenant rather than the landlord.

10.2.1 Credit for capital improvements will only be given for those improvements which have been completed and paid for within the twenty-four (24) month period prior to the date of the ~~proposed rent increase~~ the petition for a rent increase based on the improvements is filed.

10.2.2 Eligible capital improvements include, but are not limited to, the following items:

1. Those improvements which primarily benefit the tenant rather than the landlord. (For example, the remodeling of a lobby would be eligible as a capital improvement, while the construction of a sign advertising the rental complex would not be eligible). However, the complete painting of the exterior of a building, and the complete interior painting of internal dwelling units are eligible capital improvement costs.

2. In order for equipment to be eligible as a capital improvement cost, such equipment must be permanently fixed in place or relatively immobile (for example, draperies, blinds, carpet, sinks, bathtubs, stoves, refrigerators, and kitchen cabinets are eligible capital improvements. Hot plates, toasters, throw rugs, and hibachis would not be eligible as capital improvements).

3. Except as set forth in subsection 4, repairs completed in order to comply with the Oakland Housing Code may be considered capital improvements.

4. The following may not be considered as capital improvements:

a. Repairs for code violations may not be considered capital improvements if the Tenant proves the following:

i. That a repair was performed to correct a Priority 1 or 2 Condition that was not created by the Tenant, which may be demonstrated by any of the following:

(a) the condition was cited by a City Building Services Inspector as a Priority 1 or 2 Condition;

(b) the Tenant produces factual evidence to show that had the property or unit been inspected by a City Building Services Inspector, the Inspector would have determined the condition to be a Priority 1 or 2 Condition, but the Hearing Officer may determine that in order to decide if a condition is a Priority 1 or 2 Condition expert testimony is required, in which case the Hearing Officer may require such testimony.

ii. That the tenant

(a) informed the Owner of the condition in writing;

(b) otherwise proves that the landlord knew of the conditions, or

(c) proves that there were exceptional circumstances that prohibited the tenant from submitting needed repairs in writing; and

iii. That the Owner failed to repair the condition within a reasonable time after the Tenant informed Owner of the condition or the Owner otherwise knew of the condition.

iv. A reasonable time is determined as follows:

(a) If the condition was cited by a City Building Services Inspector and the Inspector required the repairs to be performed within a particular time frame, or any extension thereof, the time frame set out by the Inspector is deemed a reasonable time; or

(b) Ninety (90) days after the Owner received notice of the condition or otherwise learned of the condition is presumed a reasonable time unless either of the following apply:

- (1) the violation remained unabated for ninety (90) days after the date of notice to the Owner and the Owner demonstrates timely, good faith efforts to correct the violation within the ninety the (90) days but such efforts were unsuccessful due to the nature of the work or circumstances beyond the Owner's control, or the delay was attributable to other good cause; or
- (2) the Tenant demonstrated that the violation was an immediate threat to the health and safety of occupants of the property, [in which case] fifteen (15) business days is presumed a reasonable time unless:

- (i) the Tenant proves a shorter time is reasonable based on the hazardous nature of the condition, and the ease of correction, or
- (ii) the Owner demonstrates timely, good faith efforts to correct the violation within the fifteen (15) business days after notice but such efforts were unsuccessful due to the nature of the work or circumstances beyond the Owner's control, or the delay was attributable to other good cause.

(c) If an Owner is required to get a building or other City permit to perform the work, or is required to get approval from a government agency before commencing work on the premises, the Owner's attempt to get the required permit or approval within the timelines set out in (i) and (ii) above shall be deemed evidence of good faith and the Owner shall not be penalized for delays attributable to the action of the approving government agency.

b. Costs for work or portion of work that could have been avoided by the landlord's exercise of reasonable diligence in making timely repairs after the landlord knew or should reasonably have known of the problem that caused the damage leading to the repair claimed as a capital improvement.

i. Among the factors that may be considered in determining if the landlord knew or should reasonably have known of the problem that caused the damage:

- (a) Was the condition leading to the repairs outside the tenant's unit or inside the tenant's unit?
- (b) Did the tenant notify the landlord in writing or use the landlord's procedures for notifying the landlord of conditions that might need repairs?
- (c) Did the landlord conduct routine inspections of the property?
- (d) Did the tenant permit the landlord to inspect the interior of the unit?

ii. Examples:

- (a) A roof leaks and, after the landlord knew of the leak, did not timely repair the problem and leak causes ceiling or wall damage to units that could have been avoided had the landlord acted timely to make the repair. In this case, replacement of the roof would be a capital improvement, but the repairs to the ceiling or wall would not be.

(b) A problem has existed for an extended period of time visible outside tenants' units and could be seen from a reasonable inspection of the property, but the landlord or landlord's agents either had not inspected the property for an unreasonable period of time, or did not exercise due diligence in making such inspections. In such a case, the landlord should have reasonably known of the problem. Annual inspections may be considered a reasonable time period for inspections depending on the facts and circumstances of the property such as age, condition, and tenant complaints.

iii. Burden of Proof

(a) The tenant has the initial burden to prove that the landlord knew or should have reasonably known of the problem that caused the repair.

(b) Once a tenant meets the burden to prove the landlord knew or should have reasonably known, the burden shifts to the landlord to prove that the landlord exercised reasonable diligence in making timely repairs after the landlord knew or should have known of the problem.

c. "Gold-plating" or "Over-improvements"

i. Examples:

(a) A landlord replaces a Kenmore stove with a Wolf range. In such a case, the landlord may only pass on the cost of the substantially equivalent replacement.

(b) A landlord replaces a standard bathtub with a Jacuzzi bathtub. In such a case, the landlord may only pass on the cost of the substantially equivalent replacement.

ii. Burden of Proof

(a) The tenant has the initial burden to prove that the improvement is greater in character or quality than existing improvements.

(b) Once a tenant meets the burden to prove that the improvement is greater in character or quality than existing improvements, the burden shifts to the landlord to prove that the tenant approved the improvement in writing, the improvement brought the unit up to current building or housing codes, or the improvement did not cost more than a substantially equivalent replacement.

ed. Use of a landlord's personal appliances, furniture, etc., or those items inherited or borrowed are not eligible for consideration as capital improvements.

ee. Normal routine maintenance and repair of the rental until and the building is not a capital improvement cost, but a housing service cost. (For example: while the replacement of old screens with new screens would be a capital improvement).

10.2.3 Rent Increases for Capital Improvement costs are calculated according to the following rules:

1. For mixed-use structures, only the percent of residential square footage will be applied in the calculations. The same principle shall apply to landlord-occupied dwellings (i.e., exclusion of landlord's unit).

2. ~~Items defined as capital improvements will be given a useful life period of five (5) years or sixty (60) months shall be amortized over the useful life of the improvement as set out in the~~ Amortization Schedule attached as Exhibit 1 to these regulations and the total costs shall be amortized over that time period, unless the Rent increase using this amortization would exceed ten percent (10%)

of the existing Rent for a particular unit. Whenever a Capital Improvement Rent increase alone or with any other Rent increases noticed at the same time for a particular Unit exceeds ten percent (10%) or thirty percent (30%) in five years, if the Owner elects to recover the portion of the Capital Improvement that causes the Rent Increase to exceed ten percent (10%) or thirty percent (30%), the excess can only be recovered by extending the Capital Improvement's amortization period in yearly increments sufficient to cover the excess, and complying with any requirements to notice the Tenant of the extended amortization period with the initial Capital Improvement increase. When a Rent increase that includes a Capital Improvement increase does not exceed ten percent (10%) or thirty percent (30%), the amortization period remains five (5) years. The dollar amount of the rent increase justified by Capital Improvements shall be removed from the allowable rent in the sixty-first month or at the end of the extended amortization period.

3. A monthly Rent increase for a Capital Improvement is determined as follows:

- a. A maximum of seventy percent (70%) of the total cost for the Capital Improvement (including ~~financing~~ imputed interest calculated pursuant to the formula set forth in Regulation 8.22.020) may be passed through to the Tenant;
- b. The amount of the Capital Improvement calculated in a. above is then divided equally among the Units that benefit from the Capital Improvement;
- c. The monthly Rent increase is the amount of the Capital Improvement that may be passed through as determined above, divided by the number of months the Capital Improvement is amortized over for the particular Unit.

4. If a unit is occupied by an agent of the landlord, this unit must be included when determining the average cost per unit. (For example, if a building has ten (10) units, and one is occupied by a nonpaying manager, any capital improvement would have to be divided by ten (10), not nine (9), in determining the average rent increase). This policy applies to all calculations in the financial statement which involve average per unit figures.

5. Undocumented labor costs provided by the landlord cannot exceed 25% of the cost of materials.

6. Equipment otherwise eligible as a Capital Improvement will not be considered if a "use fee" is charged (i.e., coin-operated washers and dryers).

~~7. If the Capital Improvements are finished with a loan to make capital improvements which term exceeds five (5) years (sixty (60) months), the following formula for the allowable increase is: monthly loan payment divided by number of units.~~

~~7.8. Where a landlord is reimbursed for Capital Improvements (i.e., insurance, court-awarded damages, subsidies, etc.), this reimbursement must be deducted from such Capital Improvements before costs are amortized and allocated among the units.~~

10.2.4 In some cases, it is difficult to separate costs between rental units; common vs. rental areas; commercial vs. residential areas; or housing service costs vs. Capital Improvements. In these cases, the Hearing Officer will make a determination on a case-by-case basis.

10.2.5 Interest on Failure to Reduce Capital Improvement Increase After End of Amortization Period.

1. If an Owner fails to reduce a Capital Improvement Rent increase in the month following the end of the amortization period for such improvement and the Tenant pays any portion of such Rent increase after the end of the amortization period, the Tenant may recover interest on the amount overpaid.

2. The applicable rate of interest for overpaid Capital Improvements shall be the rate specified by law for judgments pursuant to California Constitution, Article XV and any legislation adopted thereto and shall be calculated at simple interest.

10.3 Uninsured Repair Costs: Uninsured Repair Costs are costs for work done by a landlord or tenant to a rental unit or to the common area of the property or structure containing a rental unit which is performed to secure compliance with any state or local law as to repair damage resulting from, fire, earthquake, or other casualty or natural disaster, to the extent such repair is not reimbursed by insurance proceeds

10.3.1 Uninsured Repair Costs are those costs incurred as a result of natural causes and casualty claims; it does not include improvement work or code correction work. Improvements work or code correction work will be considered either capital improvements or housing services, depending on the nature of the improvement.

10.3.2 Increases justified by Uninsured Repair Costs will be calculated as Capital Improvement costs.

10.4 Debt Service Costs: Debt Service Costs are the monthly principal and interest payments on the deed(s) of trust secured by the property.

Debt Service for newly-acquired units has been eliminated as a justification for new rent increases in excess of the CPI, effective April 1, 2014. This restriction will not apply to any property on which the rental property owner can demonstrate that the owner made a bona-fide, arms-length offer to purchase on or before April 1, 2014, the effective date of this amendment. The regulations previously in effect regarding debt service are attached to these Regulations as Exhibit 2.

~~10.4.1 An increase in rent based on debt service costs will only be considered in those cases where the total income is insufficient to cover the combined housing service and debt service costs after a rental increase as specified in Section 5 of the Ordinance. The maximum increase allowed under this formula shall be that increase that results in a rental income equal to the total housing service costs plus the allowable debt service costs.~~

~~10.4.2 No more than 95% of the eligible debt service can be passed on to tenants. The eligible debt service is the actual principal and interest.~~

~~10.4.3 If the property has been owned by the current landlord and the immediate previous landlord for a combined period of less than twelve (12) months, no consideration will be given for debt service.~~

~~10.4.4 If a property has changed title through probate and has been sold to a new owner, debt service will be allowed. However, if the property has changed title and is inherited by a family member, there will be no consideration for debt service unless due to hardship.~~

~~10.4.5 If the rents have been raised prior to a new landlord taking title, or if rents have been raised in excess of the percentage allowed by the Ordinance in previous 12-month periods without tenants having been notified pursuant to Section 5(d) of the Ordinance, the debt service will be calculated as follows:~~

~~1. Base rents will be considered as the rents in effect prior to the first rent increase in the immediate previous 12-month period.~~

~~2. The new landlord's housing service costs and debt service will be considered. The negative cash flow will be calculated by deducting the sum of the housing service costs plus 95% of the debt service from the adjusted operating income amount.~~

~~3. The percentage of rent increase justified will then be applied to the base rents (i.e., the rent prior to the first rent increase in the 12-month period, as allowed by Section 5 of the Ordinance).~~

~~10.4.6 Refinancing and second mortgages, except those second mortgages obtained in connection with the acquisition of the property, will not be considered as a basis for a rent increase under the debt service category. Notwithstanding this provision, such refinancing or second mortgage will be considered as basis for a rent increase when the equity derived from such refinancing or second mortgage is invested in the building under consideration in a manner which directly benefits the tenant (i.e., capital improvements or housing services such as maintenance and repairs) or if the refinancing was a requirement of the original purchase.~~

~~10.4.7 As in housing service costs, a new landlord is allowed up to 8% of the gross operating income for unspecified expenses.~~

10.5 Rent History/"Banking"

10.5.1 If a landlord chooses to increase rents less than the annual CPI Adjustment [formerly Annual Permissible Increase] permitted by the Ordinance, any remaining CPI Rent Adjustment may be carried over to succeeding twelve (12) month periods ("Banked"). However, the total of CPI Adjustments imposed in any one Rent Increase, including the current CPI Rent Adjustment, may not exceed three times the allowable CPI Rent Adjustment on the effective date of the Rent Increase notice.

10.5.2 Banked CPI Rent Adjustments may be used together with other Rent justifications, except Increased Housing Service Costs, Debt Service and Fair Return, because these justifications replace the current year's CPI increase.

10.5.3 In no event may any banked CPI Rent Adjustment be implemented more than ten years after it accrues.

10.6 "Fair Return"

10.6.1 Owners are entitled to the opportunity to receive a fair return. Ordinarily, a fair return will be measured by maintaining the net operating income (NOI) produced by the property in a base year, subject to CPI related adjustments. Permissible rent increases will be adjusted upon a showing that the NOI in the comparison year is not equal to the base year NOI.

10.6.2 Maintenance of Net Operating Income (MNOI) Calculations

1. The base year shall be the calendar year 2014.
 - a. New owners are expected to obtain relevant records from prior owners.
 - b. Hearing officers are authorized to use a different base date, however, if an owner can demonstrate that relevant records were unavailable (e.g., in a

foreclosure sale) or that use of base year 2014 will otherwise result in injustice.

2. The NOI for a property shall be the gross income less the following: property taxes, housing service costs, and the amortized cost of capital improvements. Gross income shall be the total of gross rents lawfully collectible from a property at 100% occupancy, plus any other consideration received or receivable for, or in connection with, the use or occupancy of rental units and housing services. Gross rents collectible shall include the imputed rental value of owner-occupied units.
3. When an expense amount for a particular year is not a reasonable projection of ongoing or future expenditures for that item, said expense shall be averaged with the expense level for that item for other years or amortized or adjusted by the CPI or may otherwise be adjusted, in order to establish an expense amount for that item which most reasonably serves the objectives of obtaining a reasonable comparison of base year and current year expenses.

10.6.3 Owners may present methodologies alternative to MNOI for assessing their fair return if they believe that an MNOI analysis will not adequately address the fair return considerations in their case. To pursue an alternative methodology, owners must first show that they cannot get a fair return under an MNOI analysis. They must specifically state in the petition the factual and legal bases for the claim, including any calculations.

Debt Service: Old Regulations

10.4 Debt Service Costs: Debt Service Costs are the monthly principal and interest payments on the deed(s) of trust secured by the property.

10.4.1 An increase in rent based on debt service costs will only be considered in those cases where the total income is insufficient to cover the combined housing service and debt service costs after a rental increase as specified in Section 5 of the Ordinance. The maximum increase allowed under this formula shall be that increase that results in a rental income equal to the total housing service costs plus the allowable debt service costs.

10.4.2 No more than 95% of the eligible debt service can be passed on to tenants. The eligible debt service is the actual principal and interest.

10.4.3 If the property has been owned by the current landlord and the immediate previous landlord for a combined period of less than twelve (12) months, no consideration will be given for debt service.

10.4.4 If a property has changed title through probate and has been sold to a new owner, debt service will be allowed. However, if the property has changed title and is inherited by a family member, there will be no consideration for debt service unless due to hardship.

10.4.5 If the rents have been raised prior to a new landlord taking title, or if rents have been raised in excess of the percentage allowed by the Ordinance in previous 12- month periods without tenants having been notified pursuant to Section 5(d) of the Ordinance, the debt service will be calculated as follows:

1. Base rents will be considered as the rents in effect prior to the first rent increase in the immediate previous 12-month period.

2. The new landlord's housing service costs and debt service will be considered. The negative cash flow will be calculated by deducting the sum of the housing service costs plus 95% of the debt service from the adjusted operating income amount.

3. The percentage of rent increase justified will then be applied to the base rents (i.e., the rent prior to the first rent increase in the 12-month period, as allowed by Section 5 of the Ordinance).

10.4.6 Refinancing and second mortgages, except those second mortgages obtained in connection with the acquisition of the property, will not be considered as a basis for a rent increase under the debt service category. Notwithstanding this provision, such refinancing or second mortgage will be considered as basis for a rent increase when the equity derived from such refinancing or second mortgage is invested in the building under consideration in a manner which directly benefits the tenant (i.e., capital improvements or housing services such as maintenance and repairs) or if the refinancing was a requirement of the original purchase.

10.4.7 As in housing service costs, a new landlord is allowed up to 8% of the gross operating income for unspecified expenses.
