Complainant alleged that an OPD officer used unnecessary force on him resulting in Complainant's shoulder being pulled out of the socket. A second allegation of failing to activate the PDRD was discovered during the course of the investigation by the CPRB.

**Rationale for administrative closure** –The CPRB staff recommends administrative closure of this complaint with a finding of **Exonerated** to allegation #1 as the investigation revealed that the act or acts which provided the basis for the complaint occurred – force was used on the complainant – however the acts were justified, lawful and proper and not violations under law and/or departmental policy.

The CPRB staff recommends administrative closure of this complaint with a finding of **Not Sustained** to allegation #2 as the investigation failed to disclose a preponderance of evidence to either prove or disprove the allegation made in the complaint.

The CPRB staff recommends administrative closure of this complaint with a finding of **Sustained** to allegation #3 as the investigation disclosed a preponderance of evidence to prove the allegation made in the complaint.

The CPRB staff recommends administrative closure of this complaint on the basis a hearing would not facilitate the fact-finding process and that no good cause has been shown for further action.
