What is PLAN DOWNTOWN?

Plan Downtown is a two-year planning process to develop a community-driven vision for the future of Downtown Oakland and a policy framework that will guide development to meet that vision.

What is being presented?

Throughout late 2015, the community discussed ideas and priorities to develop a collective vision for Downtown.

Based on these ideas, the planning team has developed a variety of design and policy scenarios to help Oakland achieve that vision. Come join us to learn about the trade-offs of these options, and to weigh in on the ones you think will create the Oakland we all want to enjoy in the future.

屋崙(奧克蘭)市中心策劃團隊聽取了大眾對本市未來的展望，已經作出一系列的計劃草案，以供選取為具體方案。

歡迎開放期間前來認識計劃草案的要點。
