TDD (510) 238-3254**Executive Order No. 2016-01****March 31, 2016****Establishment of Oakland Workforce Development Board**

The Workforce Innovation and Opportunity Act of 2014 ("WIOA") replaced and superseded the Workforce Investment Act of 1998 ("WIA"). The Oakland Workforce Investment Board ("WIB") was created pursuant to WIA in 1999. Section 107 of WIOA provides for the establishment of a new local workforce development board in each local workforce development area to replace the WIA workforce investment board in carrying out certain designated workforce development functions. Section 679.310(g) of the proposed WIOA regulations requires the chief local elected official of a local area to establish bylaws for the workforce development board consistent with state policy for board membership.

Now, therefore, by virtue of the power vested in me as Mayor of the City Of Oakland, it is hereby ordered as follows:

As a result of the repeal of WIA, the Oakland Workforce Investment Board is hereby abolished and dissolved.

Pursuant to Section 107 of WIOA, the Oakland Workforce Development Board ("OWDB") is hereby established to be the local workforce development board for the City of Oakland workforce development area.

The Bylaws for the Oakland Workforce Development Board attached to this Executive Order as Attachment A are hereby adopted.

This Order shall take effect immediately.

Libby Schaaf, Mayor
