

## Oakland 2010 Re-Create Art Contest & Exhibition

Oakland students are invited to participate in the Re-Create Art Contest and Exhibition, a recycled art competition open to students in Oakland schools. Participants will use discarded or reused materials in a creative application of the 4Rs - reduce, reuse, recycle, and rot. Please encourage our young artists to participate in this compelling contest by sharing this information with Oakland parents and your children.

Students who enter this year's contest will be awarded fifteen prizes valued at \$1,000. Artwork must be constructed from discarded or reused materials in a creative application of the 4Rs – reduce, reuse, recycle and rot. The submission deadline for the artwork is November 14, 2010.

### ***Free Re-Create Workshops***

To prepare for the art contest and exhibit, MOCHA will provide FREE hands-on workshops to assist the students in creating artwork from discarded materials. For location and date of a workshop, please visit [www.mocha.org](http://www.mocha.org) or [www.oaklandrecycles.com](http://www.oaklandrecycles.com)

The Oakland Re-Create 2010 Art Contest and Exhibition is sponsored by the City of Oakland Public Works Agency and produced by the Museum of Children's Art (MOCHA).
