

Temescal Business District Parking Study Community Meeting!

What do you think about parking in Temescal?

The City of Oakland is conducting a focused study of parking in the Temescal Business District. The study is examining on- and off-street parking in the commercial area of Temescal, and analyzing the District's future parking needs. Temescal merchants, patrons, and residents are invited to join us to discuss parking management solutions that support the ongoing economic vitality of the District.

Time: 7pm, Tuesday October 11th, 2011
