Upcoming Business Closure Day at the City of Oakland
Public Safety Not Affected

Oakland, CA — The City of Oakland will suspend administrative and other City services for a business closure day on **Friday, August 10**.

While the City's administrative employees are out of the office, if a situation arises that requires more staffing, the City has a plan in place to call in additional resources. **Police, fire and emergency services are not affected during the holidays or business closures.**

In accordance with the California State Elections code, the **Office of the City Clerk will be open** from 8:30 a.m. to 5 p.m. on August 10, 2012, to issue, receive and process nominations filings for the November 6, 2012, election. The filing deadline for City Council Districts 1, 3 and 5, and School Director District 5 is extended to Wednesday, August 15, 2012.

Business closures—and the unpaid time off taken by City employees on such days—were agreed to by employee labor unions as part of the package of employee concessions to balance the City's budget. Every City employee agreed to contribute nine (9) percent of their compensation to minimize the reduction of vital City services to the public.

In addition to the fixed business closure days, City employees also agreed to take additional unpaid days off to reach the nine (9) percent reduction target (between four and eight days, depending on the bargaining unit), which they will schedule with their supervisor and take throughout the year. The additional floating unpaid days will not result in citywide business closures.
