### **Upcoming Holidays and Business Closure Day at the City of Oakland**

#### **Public Safety Not Affected**

*Oakland, CA*—The City of Oakland administrative offices will be closed on **Monday, February 11** for a mandatory business closure day; **Tuesday, February 12** in observance of Lincoln's Birthday and **Monday, February 18** in observance of Presidents' Day.

While the City's administrative employees are out of the office, if a situation arises that requires more staffing, the City has a plan in place to call in additional resources. **Police, fire and emergency services are not affected during the holidays or business closures.**

Business closures—and the unpaid time off taken by City employees on such days—were agreed to by employee labor unions as part of the package of employee concessions to balance the City's \$58 million budget deficit. Every City employee agreed to contribute nine (9) percent of their compensation to minimize the reduction of vital City services to the public.

In addition to the fixed business closure days, City employees also agreed to take additional unpaid days off to reach the nine (9) percent reduction target (between four and eight days, depending on the bargaining unit), which they will schedule with their supervisor and take throughout the year. The additional floating unpaid days will not result in citywide business closures.
