The Oakland Public Library's Rockridge Branch to Close Temporarily for Repairs

Oakland, CA – The Oakland Public Library has announced that the Rockridge Branch Library, 5366 College Avenue, will close temporarily, beginning Saturday, April 23, for repairs. The Rockridge Branch is scheduled to reopen on Wednesday, July 6.

The work includes interior painting, carpet replacement, and some light fixture replacement. The work is funded by the Mello-Roos special tax district paid by Rockridge area property owners.

Once Rockridge Branch closes, the due date for any materials checked out from the branch will automatically be extended to mid-July. Patrons do not need to return Rockridge materials during the closure period. However, the Rockridge book drops will remain open during the closure and returned items will be checked in on a regular basis.

If patrons have items on hold with Rockridge Branch designated as the pick-up location, the location will automatically change to Temescal Branch, 5205 Telegraph Avenue.
