## News from: Human Services Department

### FOR IMMEDIATE RELEASE

June 13, 2016

### **Oakland's Summer Lunch Program Launches**

**Oakland, CA** — The City of Oakland today announced the beginning of the summer meal programs to provide local children free lunch and afternoon snack during the school break. Approximately 20,000 children in the Oakland community depend on free and reduced-cost school meals during the school year. However, most families struggle to replace those meals for their children during the summer months. The City's Summer Food Service Program bridges the meal gap by providing access to nutritious lunches and snacks at convenient locations throughout the city while school is out of session.

The Oakland Human Services Department's **Summer Food Service Program begins Monday, June 13**. More than 70 sponsored youth-serving sites throughout Oakland – including community-based organizations, City libraries and recreation centers, and faith-based organizations – will offer free lunch Monday through Friday until August 13, 2016.

The Oakland Public Library will partner with the Alameda County Community Food Bank and its volunteers to serve free lunches provided by the Oakland Summer Food Service Program at nine libraries. Please check with each library for their specific dates and times of service.

There are no program requirements or paperwork to complete to benefit from the program. All children and youth ages 18 and under can visit any location to receive a free meal.

**Finding the closest free meal is just a phone call away; Call the Alameda County Community Food Bank's Emergency Food Helpline at 800-870-FOOD.**

To download a roster of current sites, please visit <http://bit.ly/1U5iNZD>.

The full roster of summer meal sites as of June 13, is included at the end of this release.
