Medical Center*

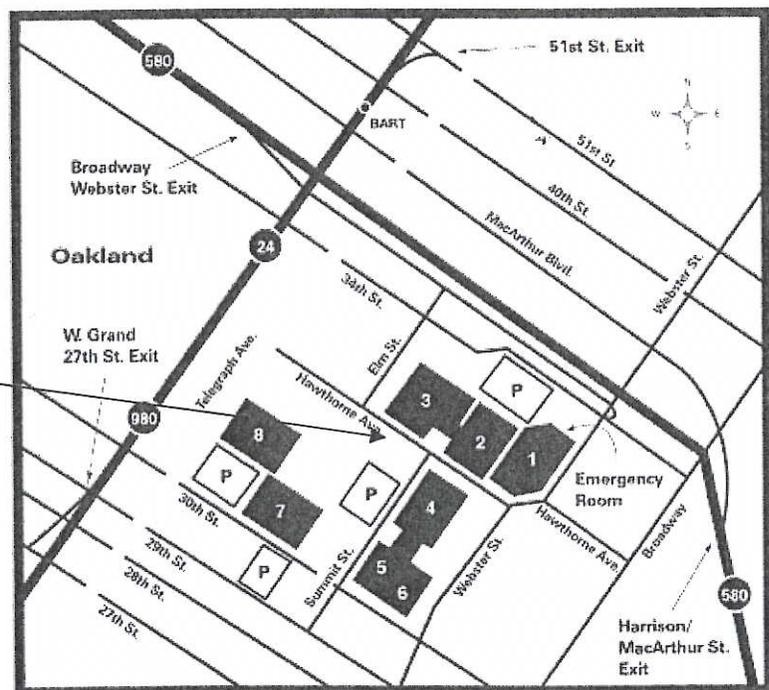

A Sutter Health Affiliate

NOTICE OF NEIGHBORHOOD MEETING

Wednesday, January 28, 2009

6:30 – 7:30 p.m.

**Fontaine Auditorium
Health Education Center
400 Hawthorne Ave., Oakland
Building 3**

Alta Bates Summit Medical Center has announced facility plans that respond to California's hospital seismic safety law.

Alta Bates Summit proposes to upgrade existing facilities at the Summit Campus and build a new Patient Care Pavilion, Emergency Department and parking structure. It is anticipated that other elements of the Campus will be improved as part of a longer-term plan.

These renovations will be a major investment in our community, supporting exceptional care here in the East Bay.

At this initial neighborhood meeting, representatives of Alta Bates Summit will introduce the proposed project as well as discuss the development process and communications.
