

Lake Merritt Station Area Plan

Are you a **Laney College** student? Do you shop in **Chinatown**? Visit **Oakland Museum**? Work in **Alameda County** offices? Use the **Lake Merritt BART Station**?

Please join us at the City of Oakland's **OPEN HOUSE** to learn about the plans for **street and open space improvements**, and **guidelines for new development** in the area within half a mile radius from the Lake Merritt BART Station. The draft proposals, along with identification of funding and implementation mechanism are based on an ongoing community process, in collaboration with BART and Peralta Community College District, to create a Station Area Plan that will help guide how this area develops into the future.

OPEN HOUSE

Saturday, December 15

Location: **Laney College Student Center/Cafeteria**

900 Fallon St. (@9th St.)

Time: **9:00 a.m.—12:00 p.m.***

**The event will begin with a presentation. Various staffed information stations will also illustrate the Draft Plan proposals.*

Light refreshments will be served.

Interpreters will be available during the presentation and materials will be available in English, Chinese and Vietnamese.
