Dear Chris and Virginia,

This letter is to state that Friends of Peralta Hacienda Historical Park would like the mural created this spring in collaboration with Arise High School and the CA College of the Arts Athena Project to be exhibited permanently at Peralta Hacienda Historical Park. The board has reviewed the mural and is delighted that it will become one of our outdoor visual art works that expresses community and illuminates history. It will engage visitors who frequent the site from local schools, as well as adults and families from the region, state and nation in discussions about both art and history. We are happy that the artists' viewpoints will be part of the mural.

Sincerely,

QuickTime™ and a  
decompressor  
are needed to see this picture.

Holly Alonso, Executive Director
