DEVELOPMENT AGREEMENT
("Gateway Development/Oakland Global")

THIS DEVELOPMENT AGREEMENT (the "Agreement") is made and entered into as of this 16th day of July, 2013, by and between the CITY OF OAKLAND, a California charter city ("City"), and PROLOGIS CCIG OAKLAND GLOBAL, LLC, a Delaware limited liability company ("Developer"), pursuant to California Government Code Sections 65864, et seq., with respect to the development of the property and project known as the "Gateway Development/Oakland Global." City and Developer shall collectively be referred to herein as the "Parties," and may each individually be referred to as a "Party."

RECITALS

This Agreement is entered into on the basis of the following facts, understandings and intentions of the Parties:

- A. These Recitals refer to and utilize terms which are defined in this Agreement; and the Parties refer to those definitions in conjunction with their use in these Recitals.
- B. The Development Agreement Legislation authorizes City to enter into development agreements in connection with the development of real property within its jurisdiction. The Development Agreement Ordinance establishes the authority and procedure for review and approval of proposed development agreements by City.
- C. Developer applied for approval of this Agreement to: (1) vest the land use policies established in the General Plan, the Oakland Army Base Redevelopment Plan (as amended prior to the Adoption Date), the Oakland Army Base Reuse Plan (as amended prior to the Adoption Date), and other Existing City Regulations as of the Adoption Date; (2) vest its rights and City's obligations regarding current and future approvals necessary for the Project; (3) allocate responsibility for the cost and implementation of the Mitigation Monitoring and Reporting

Program; and (4) memorialize certain other agreements made between City and Developer with respect to the Project. City and Developer acknowledge that development and construction of the Project is a large-scale undertaking involving major investments by Developer, with development occurring in phases over a period of years. Certainty that the Project can be developed and used in accordance with the General Plan, the Oakland Army Base Redevelopment Plan (as amended prior to the Adoption Date), the Oakland Army Base Reuse Plan (as amended prior to the Adoption Date), and other Existing City Regulations, will benefit City and Developer and will provide the Parties certainty with respect to implementation of the policies set forth in the General Plan, the Oakland Army Base Redevelopment Plan (as amended prior to the Adoption Date), the Oakland Army Base Reuse Plan (as amended prior to the Adoption Date), and the other Existing City Regulations.

D. Development of the Project will meet the key objectives of City embodied in the General Plan, the Oakland Army Base Redevelopment Plan (as amended prior to the Adoption Date), the Oakland Army Base Reuse Plan (as amended prior to the Adoption Date) and other Existing City Regulations. Specifically, the development of the Project will provide many benefits to City and the public including, but not limited to: (1) mitigate or avoid potentially significant environmental impacts; (2) provide public improvements and infrastructure; (3) deliver the Community Benefits required by the LDDA and the Ground Leases; (4) strengthen City's economic base with a variety of long term jobs, in addition to shorter term construction jobs; (5) provide for and generate substantial revenues for City in the form of one time fees and Exactions, rent pursuant to the applicable ground leases, property tax and other fiscal benefits; and (6) otherwise achieve the goals and purposes for which the Development Agreement Ordinance was enacted. City is therefore willing to enter into this Agreement to, among other

things: (1) provide certainty to encourage the required substantial private investment in the comprehensive development and planning of the Project; (2) secure orderly development and progressive fiscal benefits for public services, improvements and facilities planning in City; and (3) fulfill and implement adopted City plans, goals, policies and objectives, including, among others, those embodied in City's General Plan.

E. City recognizes the pioneering nature of the Project and the Project Site, and City intends that implementation of the General Plan and Redevelopment Plan policies, objectives and goals, and the zoning ordinance, as amended, will create increased value, operation and function of the Port of Oakland area and the surrounding neighborhoods.

F. City and Developer anticipate that the full build-out of the Gateway/Oakland Global project pursuant to this Agreement will generate economic and community benefits to the City of Oakland and Oakland residents.

G. The Development Agreement Legislation authorizes City to enter into a development agreement with any Person having a legal or equitable interest in real property. Developer has an interest in the Project Site described in Exhibit A, attached hereto, pursuant to the Lease Development and Disposition Agreement, by and among the City, the Oakland Redevelopment Successor Agency and Developer, effective December 4, 2012 (the "LDDA").

H. Developer proposes the development of the Project Site for a mix of trade and logistics uses, a marine terminal for bulk and oversized cargo and other uses and improvements in accordance with the City Approvals, the LDDA and this Development Agreement, as further described in Exhibits D-1 and D-2.

I. City has taken several actions to review and plan for the future development of the Project. These include, without limitation, the following: (1) preparation and certification of

the 2002 Oakland Army Base Redevelopment Plan Environmental Impact Report and the 2012 OARB Initial Study/Addendum("EIR"); (2) adoption and approval of the Oakland Army Base Redevelopment Plan (as amended prior to the Adoption Date); (3) adoption and approval of the Oakland Army Base Reuse Plan (as amended prior to the Adoption Date); (4) execution of the LDDA; (5) adoption and approval of the Gateway Industrial zoning district; and (6) adoption and approval of the Gateway Industrial Design Standards. This Agreement also anticipates City will timely consider and grant additional future approvals for the Project and that City will use the Environmental Impact Report prepared in support of this Agreement for those approvals and actions to the fullest extent allowed under applicable law.

J. On May 1, 2013, the City's Planning Commission held a duly noticed public hearing on this Agreement pursuant to the Development Agreement Ordinance, and other relevant provisions of the Planning Code. After due review of and report on Developer's application for this Agreement by City staff, consideration of all evidence heard and submitted at such public hearing and the matters to be considered pursuant to Section 17.138.060 of the Development Agreement Ordinance in enacting a development agreement, the Planning Commission, in relevant part: (1) considered and relied upon the certified the EIR for the Project, and determined that consideration of this Agreement complies with CEQA based on the EIR, and that this Agreement is consistent with the goals, objectives, policies, land uses and programs specified in the General Plan, the Oakland Army Base Redevelopment Plan (as amended prior to the Adoption Date), the Oakland Army Base Reuse Plan (as amended prior to the Adoption Date), and the other Existing City Regulations pertaining thereto; and (2) recommended that the City Council approve this Agreement based on the foregoing findings. In taking the above actions, the Planning Commission reviewed and heard the report of City's staff

on the Agreement and considered all other evidence heard and submitted at the public hearing, including the matters to be considered pursuant to Section 17.138.060 of the Development Agreement Ordinance in recommending to the City Council the approval of a development agreement.

K. On June 4, 2013 and July 2, 2013, the City Council held duly noticed public hearings on this Agreement pursuant to the requirements of the Development Agreement Ordinance, and other relevant provisions of the Planning Code. After due review of and report on Developer's application for this Agreement by City staff, consideration of the Planning Commission's recommendations thereon, all other evidence heard and submitted at such public hearing, all other matters considered by the Planning Commission, and the matters to be considered pursuant to Section 17.138.060 of the Development Agreement Ordinance in enacting a development agreement and other relevant provisions of the Planning Code, the City Council: (1) considered and relied upon the certified EIR and determined that consideration of this Agreement complies with CEQA based on the EIR; and (2) introduced Enacting Ordinance No. 13183 C.M.S. approving this Agreement, finding and determining in connection therewith that this Agreement is consistent with the goals, objectives, policies, land uses and programs specified in the General Plan, the Oakland Army Base Redevelopment Plan (as amended prior to the Adoption Date), the Oakland Army Base Reuse Plan (as amended prior to the Adoption Date) and in the other Existing City Regulations pertaining thereto.

L. At a duly noticed public meeting on July 16, 2013, the City Council adopted Enacting Ordinance No. 13183 C.M.S. enacting this Agreement.

NOW, THEREFORE, pursuant to the authority contained in the Development Agreement Legislation and the Development Agreement Ordinance, and in consideration of the

foregoing Recitals and the mutual covenants and promises of the Parties herein contained, the Parties agree as follows.

ARTICLE II

TERM

2.1 Effective Date; Term Commencement. This Agreement shall be dated as of the Adoption Date; the rights, duties and obligations of the Parties hereunder shall be effective, and

the Term shall commence, as of the Effective Date. Not later than five (5) days after the Adoption Date, Developer shall execute and acknowledge this Agreement and return the Agreement to City; not later than ten (10) days after the Adoption Date, City, by and through its City Administrator or his/her designee, shall execute and acknowledge this Agreement, and upon receipt of such executed and acknowledged Agreement. The Parties anticipate that Developer may not own or hold any ground leasehold interest in any of the Project Site as of the Effective Date, and that Developer will, if at all, acquire a ground leasehold or Franchise interest in the Project Site in Phases. In order to make clear that the rights and obligations under this Development Agreement will apply to and run with the property comprising the Project Site (or Developer's ground leasehold interest therein) after such property is acquired by Developer, upon acquisition of a ground leasehold or Franchise interest in such property by Developer, Developer shall cause this Agreement or a memorandum thereof to be recorded against Developer's interest in such property in the Official Records of the County of Alameda pursuant to Section 65868.5 of the Development Agreement Legislation and Section 17.138.070 of the Development Agreement Ordinance. City shall cooperate in such recording, and shall execute, acknowledge and deliver such additional instruments and documents as may be necessary to facilitate such recording.

2.2 Expiration of Term. Unless sooner terminated pursuant to the applicable provisions of this Agreement, the Term of this Agreement shall expire as to a Phase on the first to occur of the following: (i) if a Ground Lease is not executed by the Parties with respect to a particular Phase, then, with respect to such Phase, upon expiration or earlier termination of the LDDA; or (ii) if a Ground Lease is executed by the Parties with respect to a particular Phase, then, with respect to such Phase, upon expiration or earlier termination of the Ground Lease for

such Phase; or (iii) December 31 of the calendar year that is seventy (70) years after the Effective Date. Notwithstanding the foregoing, the Term shall be extended, on a day-for-day basis, for any period of time during which (A) a development moratorium (including, but not limited to, a water or sewer moratorium (or both)), prevents, prohibits or delays the construction of the Project or (B) a lawsuit by a third party challenging any Project development approvals or permits is pending. Such extension shall be established pursuant to the procedure set forth in Section 7.1 below. Notwithstanding anything to the contrary in Section 7.1, the Term shall not be extended for any Force Majeure event except as set forth in this Section 2.2.

2.3 Subsequent Amendments or Termination. If the Parties amend, modify or Terminate this Agreement as herein provided, or as otherwise provided by the Development Agreement Ordinance, or this Agreement is modified or Terminated pursuant to any provision hereof, then the Developer shall, within ten (10) days after such action takes effect, cause an appropriate notice of such action to be recorded in the Official Records of the County of Alameda.

2.4 Effect of Termination of Agreement. Except for obligations a Party has accrued, upon Termination of this Agreement, all of the rights, duties and obligations of the Parties hereunder shall Terminate and be of no further force or effect. The Termination shall not permit City to modify, reduce or terminate any of the rights vested in Subsequent Approvals made pursuant to this Agreement prior to Termination for any Phase that Developer has Commenced in Earnest prior to the Termination or expiration of the Term. Upon Termination, City shall retain any and all benefits, including money or land, received by City as of the date of Termination under or in connection with this Agreement. No Termination shall prevent Developer from completing and occupying buildings or other improvements authorized pursuant

to valid building permits approved by City prior to the date of Termination, except that nothing herein shall preclude City, in its discretion, from taking any action authorized by Laws or City Regulations to prevent, stop or correct any violation of Laws or City Regulations occurring before, during or after construction.

ARTICLE III

GENERAL REGULATION OF DEVELOPMENT OF PROJECT

3.1 Application of Agreement to Project Site: As between the Parties, this Agreement is effective as of the Effective Date and is enforceable by each Party in accordance with its terms. Upon the acquisition by Developer (or a Transferee of Developer) of a ground lease or Franchise interest in any portion of the Project Site, this Agreement shall automatically become effective as to, and govern, such property as of the earlier of: (a) the Effective Date, or (b) the date Developer provides written evidence reasonably acceptable to City that Developer has acquired such interest.

3.2 Permitted Uses; Control of Development: This Agreement vests in Developer the right to develop the Project in accordance with the terms and conditions of this Agreement, the City Approvals and the Existing City Regulations; provided that City shall have the right to control development of the Project in accordance with the provisions of this Agreement, the LDDA and each Ground Lease. Notwithstanding any provision herein to the contrary, the permitted uses of each Phase of the Project, the density and intensity of use of each Phase, and the siting, height, envelope, and massing and size of proposed buildings in each Phase, shall consist only of those described in and expressly permitted by, and subject to all terms, conditions and requirements of, the City Approvals, the Subsequent Approvals, the LDDA, and the applicable Ground Lease for each Phase. Nothing in this Agreement shall prohibit Developer from requesting amendments to the City Approvals. The reservation or dedication of land for

public purposes shall be as set forth on the appropriate tentative or final subdivision maps for the Project or elsewhere in the City Approvals or Subsequent Approvals. This Agreement, the City Approvals, the LDDA and the Ground Lease, and where such instruments are silent, the Applicable City Regulations, shall control the overall design, development and construction of the Project, and all on- and off-site improvements and appurtenances in connection therewith. In the event of any inconsistency between the Applicable City Regulations and this Agreement, this Agreement shall control, except that if the inconsistency cannot be reconciled by application of this rule of construction, the provision which, as determined by the City Council, best gives effect to the purposes of this Agreement shall control.

3.3 Development Schedule/Sequencing: Developer shall develop each Phase of the Project strictly in accordance with, and in all respects subject to, the scope, timing, terms, conditions and requirements set forth in the City Approvals, the Existing City Regulations, the LDDA, and the Ground Lease for each Phase. Without limiting the preceding sentence, and notwithstanding any provision in this Agreement to the contrary, Developer shall develop the Private Improvements for each Phase of the Project in accordance with the "Minimum Project" description, scope, schedule and sequencing set forth in the Ground Lease for each Phase. Nothing in this Agreement shall be deemed to amend or modify the LDDA or any Ground Lease or to limit, modify, restrict or alter the rights of City, in its capacity as Landlord under each Ground Lease, to control development of each Phase or to otherwise exercise any other rights or remedies of Landlord under each Ground Lease.

3.4 Applicable City Regulations. Except as expressly provided in this Agreement and the City Approvals, the Existing City Regulations shall govern the development of the Project and all Subsequent Approvals with respect to the development of the Project on the Project Site,

except that Oakland Municipal Code section 14.04.270 (Chapter 15, Signs Adjacent to Freeways, sections 1501-1506) shall not apply to the Project. City shall have the right, in connection with any Subsequent Approvals, to apply City Regulations as Applicable City Regulations only in accordance with the following terms, conditions and standards:

3.4.1 Future City Regulations. Except as otherwise specifically provided in this Agreement, including, without limitation, the provisions relating to (a) regulations for health and safety reasons under Section 3.4.2 below; (b) regulations for Construction Codes and Standards under Section 3.4.4 below; and (c) provisions relating to the payment of City Application Fees pursuant to Section 3.4.5, below, City shall not impose or apply any City Regulations on the development of the Project Site that are adopted or modified by City after the Adoption Date (whether by action of the Planning Commission or the City Council, or by local initiative, local referendum, ordinance, resolution, rule, regulation, standard, directive, condition, moratorium that would: (i) be inconsistent or in conflict with the intent, purposes, terms, standards or conditions of this Agreement; (ii) materially change, modify or reduce the permitted uses of the Project Site, the permitted density or intensity of use of the Project Site, the siting, height, envelope, massing, design requirements, or size of proposed buildings in the Project, or provisions for City Fees specified in Section 3.4.5 below and Exactions as set forth in the City Approvals, including this Agreement; (iii) materially increase the cost of development of the Project (subject to the acknowledgement as to the cost of Exactions specified in Section 3.4.6 below); (iv) materially change or modify, or interfere with, the timing, phasing, or rate of development of the Project; (v) materially interfere with or diminish the ability of a Party to perform its obligations under the City Approvals, including this Agreement, or the Subsequent Approvals, or to expand, enlarge or accelerate Developer's obligations under the City Approvals,

including this Agreement, or the Subsequent Approvals; or (vi) materially modify, reduce or terminate any of the rights vested in City Approvals or the Subsequent Approvals made pursuant to this Agreement prior to expiration of the Term. Developer reserves the right to challenge in court any City Regulation that would conflict with this Agreement or reduce the development rights provided by this Agreement, provided that such City Regulation directly affects the Project; provided, however, Developer shall first follow the dispute resolution procedures in Article VIII.

3.4.2 Regulation for Health and Safety. Notwithstanding any other provision of this Agreement to the contrary, City shall have the right to apply City Regulations adopted by City after the Adoption Date, if such application (a) is otherwise permissible pursuant to Laws (other than the Development Agreement Legislation), and (b) City determines based on substantial evidence and after a public hearing that a failure to do so would place existing or future occupants or users of the Project, adjacent neighbors, or any portion thereof, or all of them, in a condition substantially dangerous to their health or safety. The Parties agree that the foregoing exception to Developer's vested rights under this Agreement is in no way intended to allow City to impose additional fees or exactions on the Project, beyond the City Fees described below in Section 3.4.5, that are for the purpose of general capital improvements or general services (except in the event of a City-wide emergency).

3.4.3 Existing City Regulations. The City shall, at the Developer's sole cost and expense, compile two binders which include copies of all Existing City Regulations within ninety (90) calendar days after the Adoption Date, sign both copies, and deliver one copy to Developer. The City shall make every reasonable effort to include all Existing City Regulations.

3.4.4 Construction Codes and Standards. The City shall have the right to apply to the Project at any time, as a ministerial act, the Construction Codes and Standards in effect at the time of the approval of any City Approval or Subsequent Approval thereunder.

3.4.5 City Fees. Except as otherwise specified in this Agreement, the City Development Fees and the City Application Fees shall be the only fees or assessments charged by City in connection with the development or construction of the Project. The City Development Fees applicable to the Project shall only be those fees in effect on the Adoption Date, as set forth in the City's Master Fee Schedule. The Project shall not be subject to any increases in City Development Fees, and shall not be subject to any new City Development Fees adopted after the Adoption Date. Notwithstanding any other provision of this Agreement, Developer shall pay City Application Fees chargeable in accordance with City Regulations (including any action by the City Council to increase or otherwise adjust City Application Fees listed in the City's Master Fee Schedule) in effect and generally applicable at the time the relevant application is made.

3.4.6 Project Exactions. Developer and City acknowledge that the City Approvals and Subsequent Approvals authorize and require implementation of Exactions in connection with the development of the Project and that the specific costs of implementing such Exactions currently cannot be ascertained with certainty, but notwithstanding such uncertainty, except as otherwise provided in this Agreement, Developer shall be solely responsible for such costs in connection with implementing such Exactions as and when they are required to be implemented. Subject to the terms and conditions of this Agreement, no new Exactions shall be imposed by City on the Developer or the development of the Project, or on any application made by Developer for any City Approval or Subsequent Approval concerning the development of the

Project, or in enacting any City Approval or Subsequent Approval concerning the development of the Project, or in connection with the development, construction, use or occupancy of the Project; provided, however, subject to the provisions of Section 3.5 below, that Exactions may be imposed if required by CEQA (e.g., further CEQA review is undertaken for Subsequent Approvals and such review identifies the need for additional or modified mitigation measures, or previously imposed mitigation measures are no longer Feasible).

3.4.7 Term of City Approvals and Subsequent Approvals. Notwithstanding anything to the contrary in Applicable City Regulations, the term of any City Approval (other than this Agreement) and the Subsequent Approvals for the Project shall be for the longer of the Term of this Agreement (including any extensions) or the term otherwise applicable to such City Approval or Subsequent Approval if this Agreement is no longer in effect. Upon the later to occur of (a) the expiration or termination of this Agreement or (b) any Ground Lease (as such Ground Lease may be extended from time to time), any City Approval or Subsequent Approval related to the applicable Ground Lease premises in effect beyond the term of this Agreement shall be quitclaimed and assigned to the City or its designee pursuant to Section 30.1.5 of the applicable Ground Lease.

3.5. Review and Processing of Subsequent Approvals.

3.5.1 Reliance on Project EIR. The EIR, which has been certified by City as being in compliance with CEQA, addresses the potential environmental impacts of the entire Project as it is described in the Project Approvals. Nothing in this Development Agreement shall be construed to require CEQA review of Ministerial Approvals. It is agreed that, in acting on any discretionary Subsequent Approvals for the Project, City will rely on the EIR to satisfy the requirements of CEQA to the fullest extent permissible by CEQA and City will not require a new

initial study, negative declaration or subsequent or supplemental EIR unless required by CEQA, as determined by City in its capacity as the Lead Agency, and will not impose on the Project any mitigation measures or other conditions of approval other than those specifically imposed by the City Approvals, specifically required by the Existing City Regulations or by subsequent CEQA review.

3.5.2 Subsequent CEQA Review. In the event that any additional CEQA documentation is legally required for any discretionary Subsequent Approval for the Project, then the scope of such documentation shall be focused, to the extent possible consistent with CEQA, on the specific subject matter of the Subsequent Approval, and the City, in its capacity as the Lead Agency, shall conduct such CEQA review as expeditiously as possible at Developer's sole cost and expense, including, without limitation, the payment of the applicable City Application Fee.

3.5.3 Request for Amendments to City Approvals. In the event that Developer requests an amendment to the City Approvals which proposes to increase the permitted square footage of development uses for the Project and (a) the approval by the City of such request would be a discretionary approval subject to CEQA and (b) at the time of the City's consideration of such request the project defined in the EIR has not been fully constructed, then the City shall, to the maximum extent permissible by law and other applicable agreements, take into consideration during the City's CEQA review of the requested amendment to the City Approvals the capacity/project envelope previously studied under the EIR that has not been previously constructed and is not the subject of a then current application for a land use related permit or a building permit to minimize the effects of such proposed amendment(s) that may otherwise require additional review under CEQA.

3.6 Exempting Fees Imposed by Outside Agencies. City agrees to exclude Developer from any and all collection agreements regarding fees, including, but not limited to, development impact fees, which other public agencies request City to impose at City's sole and absolute discretion with no conditions on the Project during the Term of this Agreement. Developer shall reimburse City for all costs and expenses (including without limitation consultants, City staff and/or City attorney or outside counsel time) incurred to implement this section.

3.7 Intentionally Omitted.

3.8 Allocation of SCA/MMRP.

3.8.1 Developer's Allocation of SCA/MMRPs. If the Developer elects to proceed with the development of the Project pursuant to the terms of the LDDA and the applicable Ground Leases, the Developer shall be responsible, at its sole cost and expense (as between the Parties), for the implementation of the applicable SCA/MMRPs allocated to Developer on Exhibit C. If the Developer elects to proceed with the development of the Project pursuant to the terms of the LDDA and the applicable Ground Leases, the failure of the Developer to implement the SCA/MMRP allocated to Developer pursuant to Exhibit C at the time set forth for such SCA/MMRP shall be an Event of Default of Developer under this Agreement.

3.8.2 City's Allocation of SCA/MMRPs. The Parties agree that any SCA/MMRP allocated to the City under Exhibit C shall be deemed to be a "Public Improvement" as defined in the LDDA and as such, the City's obligations related to the implementation of the applicable SCA/MMRPs allocated to the City on Exhibit C shall be controlled exclusively by the LDDA, including, but not limited to, the City's obligation to Complete (as defined in the LDDA) the Public Improvements pursuant to the LDDA and the

City's maximum financial contribution pursuant to Section 3.3.1.1.1 of the LDDA. Any failure of the City to Complete any Public Improvement, including any SCA/MMRPs allocated to the City on Exhibit C and any related remedies of the Developer shall be controlled exclusively by the LDDA, and therefore shall not be an Event of Default under this Agreement.

3.8.3 SCA/MMRPs Allocated to Developer and City. Unless otherwise agreed in writing among the Parties as an amendment to this Agreement pursuant to Article XI, where both the City and Developer are identified as being responsible for implementation of an SCA/MMRP: (a) the City shall be responsible with respect to the construction of the Public Improvements, subject to Section 3.8.2, and (b) Developer shall be responsible with respect to the construction and operation of the Private Improvements, as applicable, subject to Section 3.8.1.

3.8.4 Revisions to SCA/MMRP. The Parties acknowledge the provisions of Item 14 of Exhibit 15 to the LDDA which states in part:

“More feasible and/or cost effective measures may be considered by the Parties so long as those measures meet CEQA requirements and do not themselves cause any potentially significant effect on the environment, as determined by the City through the DA/PUD process.”

Consistent with this language, the Parties further agree that with respect to the following SCA/MMRPs, if the events identified in the EIR which require the implementation of a SCA/MMRP associated with a cumulative impact have not occurred within the time period contemplated in the EIR or a Party proposes a more cost effective or feasible mitigation measure that meets the applicable CEQA requirements and do not themselves cause any potentially significant effect on the environment, the City may delete or amend

the applicable SCA/MMRPs, so long as the City, in its capacity as the Lead Agency under CEQA for the Project, takes the appropriate action under CEQA to amend or delete the applicable SCA/MMRP, as follows:

- a. at the request of Developer and with the City's prior written consent which shall not be unreasonably withheld or delayed, the SCA/MMRPs allocated to Developer pursuant to Exhibit C and Sections 3.8.1 and/or 3.8.3 of this Agreement; and
- b. in the sole and absolute discretion of the City, the Delayed Public Improvements, which the Parties hereby agree refer specifically to the cumulative off-site traffic improvements listed in Mitigation Measures 3.16-17 through 33 and related Recommended Measures, inclusive, of the SCA/MMRP and are a subset of the Public Improvements.

In the event a SCA/MMRP is deleted pursuant to this Section, the applicable Party shall have no obligation to implement the applicable SCA/MMRP under this Agreement, the LDDA and/or CEQA, as applicable. In the event that a SCA/MMRP is amended pursuant to this Section, the applicable Party shall be deemed to have satisfied its obligation under this Agreement, the LDDA and CEQA, as applicable, by implementing the amended SCA/MMRP.

3.8.5 Survival of Termination. The Parties agree that Section 3.8 shall survive any termination of this Agreement.

3.8.6 Corrections to SCA/MMRP. The Parties agree that technical corrections made by the City to the SCA/MMRP, including previously adopted but omitted Standard Conditions and/or Mitigation Measures, will be incorporated herein and allocated in the same manner as the foregoing.

ARTICLE IV
COMMUNITY BENEFITS

4.1 Community Benefits. During such portion of the Term that the LDDA is in effect for any Phase, Developer shall comply with the Community Benefit requirements set forth in Article IV of the LDDA for such Phase. During such portion of the Term that a Ground Lease is in effect for any Phase, Developer shall comply with the Community Benefit requirements set forth in Section 37.6 of the applicable Ground Lease for such Phase. In addition, the parties hereby agree to amend the Construction Jobs Policy for the Public Improvements to require weekly compliance reporting through the website proposed by the California Capital & Investments Group, Inc.

ARTICLE V
INDEMNITY AND INSURANCE

5.1 Prior Indemnity Agreement. The Parties acknowledge that they have previously entered into that certain Oakland Army Base Environmental Review Funding and Indemnity Agreement Associated with Initial Project Approvals, dated October 23, 2012 (the "Prior Indemnity Agreement"). Nothing in this Agreement shall amend the provisions of the Prior Indemnity Agreement.

5.2 Developer Indemnity Regarding City Approvals. To the maximum extent permitted by law, Developer shall defend (with counsel acceptable to the City), indemnify, and hold harmless the City, the Oakland City Council, the Oakland Redevelopment Successor Agency, the Oakland City Planning Commission and their respective agents, officers, employees and volunteers (hereafter collectively called "City Parties") from any liability, damages, claim, judgment, loss (direct or indirect) action, causes of action, or proceeding (including legal costs,

attorneys' fees, expert witness or consultant fees, City Attorney or staff time, expenses or costs) (collectively called "Action") against the City to attack, set aside, void or annul this Agreement or any City Approvals approved concurrently herewith or any Subsequent Approval or the implementation of the same. The City may elect, in its sole discretion, to participate in the defense of said Action and Developer shall reimburse the City for its reasonable legal costs and attorneys' fees.

Within ten (10) calendar days of the filing of any Action as specified in the preceding paragraph, Developer shall execute a Joint Defense Letter Agreement with the City, acceptable to the Office of the City Attorney, which memorializes the above obligations. These obligations and the Joint Defense Letter of Agreement shall survive termination, extinguishment, or invalidation of the City Approval or any Subsequent Approval requested by Developer. Failure to timely execute the Letter Agreement does not relieve the Developer of any of the obligations contained in this Section or other requirements or Conditions of Approval that may be imposed by the City.

5.3 Developer Indemnity Regarding Other Matters. Subject to the provisions of Section 5.1 and 5.2 with respect to such matters included within the scope of such Sections, during such portion of the Term that a Ground Lease is in effect for any Phase, Developer shall defend, indemnify, protect and hold harmless the City Parties, from and against any and all Actions related to such Phase, in accordance with the indemnification obligations of the tenant as set forth in the applicable Ground Lease.

5.4 Insurance. During such portion of the Term that a Ground Lease is in effect for any Phase, Developer shall, at no cost to City, maintain and cause to be in effect with respect to

each Phase, the same types and amounts of insurance required of the tenant under the Ground Lease for such Phase.

ARTICLE VI

ANNUAL REVIEW OF COMPLIANCE

6.1 Annual Review. City and Developer shall annually review this Agreement, and all actions taken pursuant to the terms of this Agreement with respect to the Project, in accordance with the provisions of Section 17.138.090 of the Development Agreement Ordinance and this Article VI. Nothing herein is intended to, nor does, (a) preclude earlier review by City at its reasonable request with thirty (30) days' notice to Developer, or (b) either Party providing notice of noncompliance, breach or default of this Agreement to the other Party in accordance with, as applicable, the terms of the LDDA (for Events of Default arising under the LDDA), the terms of the applicable Ground Lease (for Events of Default arising under the applicable Ground Lease) or the applicable dispute resolution provisions of this Agreement detailed in Article VIII (for all other Events of Default under this Agreement).

6.2 Developer's Submittal. Not later than the first anniversary date of the Effective Date, and not later than each anniversary date of the Effective Date thereafter during the Term, Developer shall apply for annual review of this Agreement, as specified in Section 17.138.090.A of the Development Agreement Ordinance. Developer shall pay with such application the City Application Fee for annual review of Development Agreements under Existing City Regulations in effect at the time the application is submitted. Developer shall submit with such application a written report to City's Director, Department of Planning and Building ("Director of City Planning"), with a copy to the City Attorney, describing Developer's good faith substantial compliance with the terms of this Agreement during the preceding year. Such report shall

include a statement that the report is submitted to City pursuant to the requirements of Government Code Section 65865.1, and Section 17.138.090 of the Development Agreement Ordinance, on the top of the first page of the report, in clearly marked bold, twelve point typeface, substantially as follows:

**"THIS REPORT IS SUBMITTED UNDER GOVERNMENT
CODE SECTION 65865.1 AND SECTION 17.138.090 OF
THE DEVELOPMENT AGREEMENT ORDINANCE. CITY
HAS 45 DAYS TO RESPOND."**

6.3 Finding of Compliance. Within forty-five (45) days after Developer submits its report hereunder, the Director of City Planning shall review Developer's submission to ascertain whether Developer has demonstrated good faith substantial compliance with the material terms of this Agreement. If the Director of City Planning finds and determines that Developer has in good faith substantially complied with the material terms of this Agreement, the Director of City Planning shall prepare and issue a certificate of compliance pursuant to Section 6.5 below. If the Director of City Planning does not make a determination and issue a certificate of compliance within forty-five (45) days of receipt of Developer's report under Section 6.2 above (unless extended by Developer in writing), Developer shall submit a second letter notifying the Mayor, Council President, Director of City Planning, City Administrator, and City Attorney that the 45-day determination period has expired. The second notification letter shall inform the City representatives that if the Director of City Planning does not make a determination and issue a certificate of compliance, within 30 days after receipt of the second notification letter, the annual review shall be deemed concluded and Developer shall be entitled to a certificate of compliance pursuant to Section 6.5.

If the Director of City Planning initially determines that such report is inadequate in any respect, he or she shall provide written notice to that effect to Developer, and Developer may supply such additional information or evidence as may be necessary to demonstrate good faith substantial compliance with the material terms of this Agreement. Developer's written response of additional information/evidence must be submitted within 30 days of City notification. If the Director of City Planning again concludes that Developer has not demonstrated good faith substantial compliance with the material terms of this Agreement, he or she shall so notify Developer within 30 days after receipt of Developer's additional information or evidence. If the Director of City Planning does not agree with Developer's response, then he/she shall provide written notice of the commencement of the Meet and Confer/Mediation Process within 30 days of the receipt of the response, and the dispute resolution procedures and process detailed in Article VIII will apply, commencing with Section 8.4 (Meet and Confer/Mediation Process).

6.4 Failure to Conduct Annual Review. Failure of the City to conduct an annual review shall not be an Event of Default under this Agreement by the City and shall not constitute a waiver by the City of its rights to require subsequent annual reviews pursuant to this Article VI. Failure of the City to conduct an annual review shall not cause the Developer to be in Default under this Agreement, but it does not relieve the Developer of the obligation to submit the Annual Review report as required by Section 6.2.

6.5 Certificate of Compliance. Upon Developer's written request following the annual review process described in Article VI, if the Director of City Planning (or the City Council, if applicable) finds good faith substantial compliance by Developer with the material terms of this Agreement (or the City fails to timely conduct an annual review and the Developer has complied with all submittal requirements of Section 6.2), the Director of City Planning shall

issue a certificate of compliance within twenty (20) days thereafter, certifying Developer's good faith compliance with the material terms of this Agreement through the period of the applicable annual review. Such certificate of compliance shall be in recordable form and shall contain such information as may be necessary to impart constructive record notice of the finding of good faith compliance hereunder. Developer shall have the right to record the Certificate of Compliance in the Official Records of the County of Alameda.

ARTICLE VII

FORCE MAJEURE; SUPERSEDURE BY SUBSEQUENT LAWS

7.1 Force Majeure. During such portion of the Term that the LDDA is in effect for any Phase, the provisions of Section 10.1 of the LDDA shall apply to such Phase. During such portion of the Term that a Ground Lease is in effect for any Phase, the provisions of Article 16 of the applicable Ground Lease shall apply to such Phase.

7.2 Supersedure By Subsequent Laws.

7.2.1 Effect of Conflicting Law. Except as prohibited by Government Code Section 65869.5 or other applicable state or federal law, to the extent any future rules, ordinances, regulations or policies applicable to development of the Project Site are inconsistent with the land use designations or permitted or conditionally permitted uses on the Project Site, density and intensity of use, rate or timing of construction, design requirements, maximum building height and size, or provisions for reservation and dedication of land or other conditions of approval or terms under the City Approvals as defined herein and as provided in this Agreement, the terms of the City Approvals and this Agreement shall prevail. As specified in Government Code Section 65869.5, if any Law enacted after the date of this Agreement prevents or precludes compliance with one or more provisions of this Agreement, then the provisions of this Agreement shall, to the extent Feasible, be modified or suspended by City as may be

necessary to comply with such new Law. Immediately after becoming aware of any such new Law, the Parties shall meet and confer in good faith to determine the Feasibility of any such modification or suspension based on the effect such modification or suspension would have on the purposes and intent of this Agreement. At the conclusion of such meet and confer process, and to the extent Feasible in any event no later than ninety (90) days after such new Law takes effect, City shall initiate proceedings for the modification or suspension of this Agreement as may be necessary to comply with such new Law. Such proceedings shall be initiated by public notice given in accordance with the Applicable City Regulations, and the City Council shall make the determination of whether modifications to or suspension of this Agreement is necessary to comply with such new Law. The City Council's determination shall take into account the results of the meet and confer process between the Parties, including all data and information exchanged in connection therewith. To the extent Feasible, the City Council shall make its determination hereunder within sixty (60) days after the date the proceedings hereunder are initiated.

7.2.2 Contest of New Law. Either Party shall have the right to contest the new Law preventing compliance with the terms of this Agreement, and, in the event such challenge is successful, this Agreement shall remain unmodified and in full force and effect. The City Council, in making its determination under Section 7.2.1, shall take into account the likelihood of success of any contest pending hereunder, and if the contesting Party has obtained interim relief preventing enforcement of such new Law, then the City Council shall delay consideration of action on modifications to or suspension of this Agreement pursuant to Section 7.2.1 above until such contest is concluded or such interim relief expires.

ARTICLE VIII

EVENTS OF DEFAULT; REMEDIES; ESTOPPEL CERTIFICATES

8.1 Events of Default. Subject to the provisions of this Agreement, any failure by a Party to perform any material term or provision of this Agreement shall constitute an "Event of Default," if, following the notice, meet and confer and cure processes specified below, the Party in default has not timely cured said default. Notwithstanding the foregoing to the contrary, (a) subject to the applicable limitations under the LDDA on cross-defaults between the Phases, during such portion of the Term that the LDDA is in effect for any Phase, any "Event of Default" (as defined in the LDDA) related to such Phase under the LDDA shall be deemed an Event of Default under this Agreement, (b) subject to the applicable limitations under the Ground Leases on cross-defaults between the Ground Leases, during such portion of the Term that a Ground Lease is in effect for any Phase, any "Event of Default" (as defined in the applicable Ground Lease) related to such Phase under the applicable Ground Lease shall be deemed an Event of Default under this Agreement and (c) the provisions of Section 8.2 through 8.6, inclusive, and the notice provisions of Section 8.8 shall not apply to "Events of Default" under the LDDA or the applicable Ground Lease.

8.2 Notice of Noncompliance. If either Party determines there is noncompliance with this Agreement, said Party must provide the other Party written notice of such noncompliance, which shall specify in reasonable detail the grounds therefor and all facts demonstrating such noncompliance or failure, so the other Party may address the issues raised in the notice of noncompliance or failure on a point-by-point basis.

8.3 Response to Notice of Noncompliance. Within thirty (30) days of receipt of the notice of noncompliance, the Party receiving such notice shall respond in writing to the issues raised in the notice of noncompliance on a point-by-point basis. If the noticing Party agrees with

and accepts the other Party's response, no further action shall be required. If the noticing Party does not agree with the response, then it shall provide to the other Party written notice of the commencement of the Meet and Confer/Mediation Process within thirty (30) days of the receipt of the response.

8.4 Meet and Confer/Mediation Process. Within fifteen (15) days of receipt of a meet and confer notice, the Parties shall initiate a Meet and Confer/Mediation Process pursuant to which the Parties shall meet and confer in good faith in order to determine a resolution acceptable to both Parties of the bases upon which either Party has determined that the other Party has not demonstrated good faith substantial compliance with the material terms of this Agreement.

8.5 Hearing Before City Council to Determine Compliance.

(a) Pursuant to the Annual Review Process of Article VI, or if City determines, after the Meet and Confer/Mediation Process, that there still remain outstanding noncompliance issues, the City Council shall conduct a noticed public hearing pursuant to Section 17.138.090 of the Development Agreement Ordinance to determine the good faith substantial compliance by Developer with the material terms of this Agreement. At least ten (10) days prior to such hearing, the Director of City Planning shall provide to the City Council, Developer, and to all other interested Persons requesting the same, copies of the City Council agenda report, agenda related materials and other information concerning the Annual Review Process of Article VI and/or Developer's good faith substantial compliance with the material terms of this Agreement and the conclusions and recommendations of the Director of City Planning. The results and recommendations of the Meet and Confer/Mediation Process shall be presented to the City Council for review and consideration. At such hearing, Developer and any

other interested Person shall be entitled to submit evidence, orally or in writing, and address all the issues raised in the staff report on, or with respect or germane to, the issue of Developer's good faith substantial compliance with the material terms of this Agreement.

(b) The City Council may, in its sole discretion, require an additional Meet and Confer/Mediation Process with a designated third party or mediator. The results and recommendations of said process shall be presented to the City Council for review and consideration at a duly noticed meeting.

(c) If, after receipt of any written or oral response of Developer, and/or results and recommendations from the Meet and Confer/Mediation Process that may have occurred, and after considering all of the evidence at such public hearing, or a further public hearing, the City Council finds and determines, on the basis of substantial evidence, that Developer has not substantially complied in good faith with the material terms of this Agreement, the City Council shall specify to Developer the respects in which Developer has failed to comply, and shall also specify a reasonable time for Developer to meet the terms of compliance that shall reasonably reflect the time necessary to adequately bring Developer's performance into good faith substantial compliance with the material terms of this Agreement. If the areas of noncompliance specified by the City Council are not corrected within the time limits prescribed by the City Council hereunder, subject to the Permitted Delay provisions of Section 7.1, above, the City Council may by subsequent noticed hearing extend the time for compliance for such period as the City Council may determine (with conditions, if the City Council deems appropriate), Terminate or modify this Agreement, or take such other actions as may be specified in the Development Agreement Legislation and the Development Agreement Ordinance.

8.6 Effect of City Council Finding of Noncompliance; Rights of Developer. If the City Council determines that Developer has not substantially complied in good faith with the material terms of this Agreement pursuant to this Article VIII, and takes any of the actions specified in this Article VIII with respect to such determination of noncompliance, Developer shall have the right to contest any such determination of noncompliance by City Council pursuant to Section 8.7, below.

8.7 Remedies. Upon the occurrence of an Event of Default, each Party shall have the right, in addition to all other rights and remedies available under this Agreement, to (a) bring any proceeding in the nature of specific performance, injunctive relief or mandamus, and/or (b) bring any action at law or in equity as may be permitted by Laws or this Agreement. Notwithstanding the foregoing, however, neither Party shall ever be liable to the other Party for any consequential or punitive damages on account of the occurrence of an Event of Default (including claims for lost profits, loss of opportunity, lost revenues, or similar consequential damage claims), and the Parties hereby waive and relinquish any claims for punitive damages on account of an Event of Default, which waiver and relinquishment the Parties acknowledge has been made after full and complete disclosure and advice regarding the consequences of such waiver and relinquishment by counsel to each Party.

8.8 Time limits; Waiver; Remedies Cumulative. Failure by a Party to insist upon the strict or timely performance of any of the provisions of this Agreement by the other Party, irrespective of the length of time for which such failure continues, shall not constitute a waiver of such Party's right to demand strict compliance by such other Party in the future. In the event a Party determines that the other Party has not complied with any applicable time limit governing performance under this Agreement by such other Party or governing the time within which such

other Party must approve a matter or take an action, then the Party affected by such circumstance shall, prior to taking any other action under this Agreement or exercising any other right or remedy under this Agreement, notify such other Party of such failure of timely performance or such failure to render an approval or take an action within the required time period.

In the case of City, Developer shall send such notice to Director of Planning with copy to the head of any board or commission, the President of the City Council, or the Mayor, having responsibility for performance, approval or action, as applicable, and to the City Administrator, and City Attorney.

Any such notice shall include a provision in at least twelve point **bold** face type as follows:

**"YOU HAVE FAILED TIMELY TO PERFORM OR
RENDER AN APPROVAL OR TAKE AN ACTION
REQUIRED UNDER THE AGREEMENT: [SPECIFY IN
DETAIL]. YOUR FAILURE TO COMMENCE TIMELY
PERFORMANCE AND COMPLETE SUCH
PERFORMANCE AS REQUIRED UNDER THE
AGREEMENT OR RENDER SUCH APPROVAL TO TAKE
SUCH ACTION WITHIN THIRTY (30) DAYS AFTER THE
DATE OF THIS NOTICE SHALL ENTITLE THE
UNDERSIGNED TO TAKE ANY ACTION OR EXERCISE
ANY RIGHT OR REMEDY TO WHICH IT IS ENTITLED
UNDER THE AGREEMENT AS A RESULT OF THE
FOREGOING CIRCUMSTANCES."**

The failure of the Party receiving such notice to proceed to commence timely performance and complete the same as required, or render such approval or take such action, within such thirty (30) day period shall entitle the Party giving such notice to take any action or exercise any right or remedy available under this Agreement, subject to any additional notice, cure or other procedural provisions applicable thereto under this Agreement.

Any deadline in this Agreement that calls for action by the City Council or other body that is subject to the requirements of the Ralph M. Brown Act (Government Code Sections 54950 et seq.), City Sunshine Ordinance (Oakland Municipal Code Chapter 2.20), or other noticing and procedural requirements, shall be automatically extended as may be reasonably necessary to comply with such requirements and with City's ordinary scheduling practices and other procedures for setting regular public meeting agendas.

No waiver by a Party of any failure of performance, including an event of default, shall be effective or binding upon such Party unless made in writing by such Party, and no such waiver shall be implied from any omission by a Party to take any action with respect to such failure. No express written waiver shall affect any other action or inaction, or cover any other period of time, other than any action or inaction and/or period of time specified in such express waiver. One or more written waivers under any provision of this Agreement shall not be deemed to be a waiver of any subsequent action or inaction, and the performance of the same or any other term or provision contained in this Agreement.

Nothing in this Agreement shall limit or waive any other right or remedy available to a Party to seek injunctive relief or other expedited judicial and/or administrative relief to prevent irreparable harm.

8.9 Effect of Court Action. If any court action or proceeding is brought within the applicable statute of limitations by any third Person to challenge the City Council's approval of (a) this Agreement or any portion thereof, or (b) any Project approval concurrently adopted with this Agreement, then (i) Developer shall have the right to Terminate this Agreement upon thirty (30) days' notice in writing to City, given at any time during the pendency of such action or proceeding, or within ninety (90) days after the final determination therein (including any appeals), irrespective of the nature of such final determination, and (ii) any such action shall constitute a permitted delay under Article VII.

8.10 Estoppel Certificate. Either Party may, at any time, and from time to time, deliver written notice to the other Party requesting such other Party to certify in writing that: (a) this Agreement is in full force and effect and a binding obligation of the Parties, (b) this Agreement has not been amended or modified either orally or in writing, and if so amended, identifying the amendments, and identifying any administrative implementation memoranda entered into by the Parties, and (c) to the knowledge of such other Party, neither Party has committed an event of default under this Agreement, or if an event of default has to such other Party's knowledge occurred, to describe the nature of any such event of default. A Party receiving a request hereunder shall execute and return such certificate within forty five (45) days following the receipt thereof, and if a Party fails so to do within such 45-day period, the requesting Party may submit a second request (which shall also be sent to the City Council President, City Administrator and City Attorney) and if a Party fails to execute and return such certificate within thirty (30) days after the receipt of the second request, the information in the requesting Party's notice shall conclusively be deemed true and correct in all respects. The Director of City Planning, as to City, shall execute certificates requested by Developer hereunder. Each Party

acknowledges that a certificate hereunder may be relied upon by Transferees and Mortgagees. No Party shall, however, be liable to the requesting Party, or third Person requesting or receiving a certificate hereunder, on account of any information therein contained, notwithstanding the omission for any reason to disclose correct and/or relevant information, but such Party shall be estopped with respect to the requesting Party, or such third Person, from asserting any right or obligation, or utilizing any defense, which contravenes or is contrary to any such information.

8.11 Special Cure Provisions. During such portion of the Term that a Ground Lease is in effect for any Phase, the provisions of Section 18.3 of the applicable Ground Lease shall apply to such Phase.

ARTICLE IX

MORTGAGES/MORTGAGEE PROTECTION

9.1 Mortgages/Mortgagee Protection. During such portion of the Term that a Ground Lease is in effect for any Phase, the provisions of Article 34 (“Mortgages”) and Section 18.2 (“Special Provisions Concerning Mortgages and Events of Default”) of the applicable Ground Lease govern and shall apply to all Mortgages with respect to such Phase.

ARTICLE X

TRANSFERS AND ASSIGNMENTS

10.1 Transfer/Assignment; Release. During such portion of the Term that the LDDA is in effect for any Phase, (a) Developer shall not be entitled to Transfer all or any portion of its rights or obligations under this Agreement related to such Phase separate or apart from a Transfer that is permitted pursuant to the LDDA and (b) if Developer makes a permitted Transfer of all or any portion of its rights or obligations under the LDDA with respect to any Phase, Developer’s rights and obligations under this Agreement related to such Phase with respect to such Phase shall automatically transfer to the Transferee under the LDDA. During such portion

of the Term that a Ground Lease is in effect for any Phase, (y) Developer shall not be entitled to Transfer all or any portion of its rights or obligations under this Agreement related to such Phase separate or apart from a Transfer that is permitted pursuant to the applicable Ground Lease and (z) if Developer makes a permitted Transfer all or any portion of its rights or obligations under the applicable Ground Lease with respect to any portion of the Project Site, Developer's rights and obligations under this Agreement with respect to such portion of the Project Site shall automatically transfer to the Transferee under the applicable Ground Lease (other than such a Transferee that is a subtenant under such Ground Lease). In either event, no such Transfer shall release or relieve Developer from any of its obligations under this Agreement unless, and only to the extent, expressly set forth in the documentation for such Transfer under, as applicable, the LDDA or the applicable Ground Lease.

10.2 Effect of Transfer; No Cross Default. A Transferee shall become a Party to this Agreement only with respect to the interest Transferred to it under the Transfer and then only to the extent set forth in Section 10.1 above. Subject to the preceding sentence, from and after the effective date of the Transfer, (a) an Event of Default by the Developer under this Agreement shall have no effect on the Transferee's rights and obligations under this Agreement; (b) an Event of Default with respect to any Transferee shall have no effect on the Developer's rights and obligations under this Agreement; and (c) an Event of Default by a Transferee under this Agreement shall have no effect on the rights and obligations of any other Transferee under this Agreement.

ARTICLE XI

AMENDMENT AND TERMINATION

11.1 Amendment or Cancellation. Except as expressly provided in this Agreement, this Agreement may be Terminated, modified or amended only by the consent of the Parties

made in writing, and then only in the manner provided for in Section 17.138.080 of the Development Agreement Ordinance. Neither this Agreement nor any term, covenant, condition or provision herein contained shall be subject to initiative or referendum after the Effective Date.

11.2 Certain Actions Not an Amendment. Notwithstanding the provisions of Section 11.1 above, a minor modification to this Agreement may be approved by mutual agreement of City and Developer and shall not require a noticed public hearing or any action by the Planning Commission or City Council before the Parties execute such modification, but shall require the giving of notice pursuant to Section 65867 of the Development Agreement Legislation as specified by Section 65868 thereof. Modifications related to the Term, City Development Fees, Community Benefits, the allocations of SCA/MMRP as set forth in this Agreement or modifications that would increase the obligations of the City under this Agreement are expressly excluded from the definition of a “minor modifications” and shall require the approval of the City Council. Subject to the foregoing, for purposes hereof, "minor modification" shall be determined as set forth in Section 10.12 of the LDDA. The Developer shall forward to all City Council members any and all “minor modifications” within ten (10) days after execution of such.

Upon the expiration of such notice period, any such matter shall automatically be deemed incorporated into the Project and vested under this Agreement. The granting or amendment of a Project Approval or Subsequent Approval shall not require notice under Section 65867 and shall not be considered an amendment to this Agreement. Instead, any such matter automatically shall be deemed to be incorporated into the Project and vested under this Agreement.

ARTICLE XII

ARTICLE XIII

COVENANTS RUNNING WITH THE LAND

13.1 Covenants Running With The Land. All of the provisions, agreements, rights, powers, standards, terms, covenants and obligations contained in this Agreement shall be binding upon the Parties and their respective heirs, successors (by merger, consolidation, or otherwise) and assigns, devisees, administrators, representatives, lessees, and all other Persons that acquire a legal or equitable interest of Developer in the Project Site, or any portion thereof, or any interest

therein, or any improvement thereon, whether by operation of Laws or in any manner whatsoever, and shall inure to the benefit of the Parties and their respective heirs, successors (by merger, consolidation or otherwise) and permitted assigns as Transferees, as covenants running with the land pursuant to Section 65868.5 of the Development Agreement Legislation. This Agreement and the covenants as set forth herein shall run in favor of City without regard to whether City has been, remains or is an owner of any land or interest in the Project Site.

13.2 Successors to City. For purposes of this Article XIII, "City" includes any successor public agency to which land use authority over the Project may be transferred, which public agency shall, as part of such Transfer, by written instrument satisfactory to City and Developer, expressly (a) assume all of City's rights, duties and obligations under this Agreement; and (b) release and Indemnify City from all obligations, claims, liability or other Losses under this Agreement.

ARTICLE XIV

MISCELLANEOUS

14.1 Negation of Partnership. The Parties specifically acknowledge that the Project is a private development, that neither Party is acting as the Agent of the others in any respect hereunder, and that each Party is an independent contracting entity with respect to the terms, covenants and conditions contained in this Agreement. None of the terms or provisions of this Agreement shall be deemed to create a partnership between or among the Parties in the businesses of Developer, the affairs of City, or otherwise, or cause them to be considered joint venturers or members of any joint enterprise. This Agreement is not intended and shall not be construed to create any third party beneficiary rights in any Person who is not a Party or a Transferee; and nothing in this Agreement shall limit or waive any rights Developer may have or

acquire against any third Person with respect to the terms, covenants or conditions of this Agreement.

14.2 Approvals. Unless otherwise provided in this Agreement or, if applicable, the LDDA or any applicable Ground Lease, whenever approval, consent, satisfaction, or decision (herein collectively referred to as an "Approval"), is required of a Party pursuant to this Agreement, it shall not be unreasonably withheld or delayed. If a Party shall disapprove, the reasons therefore shall be stated in reasonable detail in writing. Approval by a Party to or of any act or request by the other Party shall not be deemed to waive or render unnecessary approval to or of any similar or subsequent acts or requests.

14.3 Not a Public Dedication. Except for Exactions made in accordance with this Agreement, and then only when made to the extent so required, nothing herein contained shall be deemed to be a gift or dedication of the Project, or portion thereof, to the general public, for the general public, or for any public use or purpose whatsoever, it being the intention and understanding of the Parties that this Agreement be strictly limited to and for the purposes herein expressed for the development of the Project as private property.

14.4 Severability. If any phrase, clause, section, subsection, paragraph, subdivision, sentence, term or provision of this Agreement, or its application to a particular situation, shall be finally found to be void, invalid, illegal or unenforceable by a court of competent jurisdiction, then notwithstanding such determination, such term or provision shall remain in force and effect to the extent allowed by such ruling and all other terms and provisions of this Agreement or the application of this Agreement to other situations shall remain in full force and effect.

Notwithstanding the foregoing, if any material term or provision of this Agreement or the application of such material term or condition to a particular situation is finally found to be void,

invalid, illegal or unenforceable by a court of competent jurisdiction, then the Parties hereto agree to work in good faith and fully cooperate with each other to amend this Agreement to carry out its intent.

14.5 Exhibits. The exhibits listed below, to which reference is made herein, are deemed incorporated into this Agreement in their entirety by reference thereto:

- Exhibit A: Project Site Legal Description
- Exhibit B: City Approvals
- Exhibit C: Allocation of SCA/MMRP's
- Exhibit D-1: Project Conceptual Site Plan
- Exhibit D-2: Development Program

14.6 Entire Agreement. This written Agreement and the exhibits hereto contain all the representations and the entire agreement between the Parties with respect to the subject matter hereof. Except as otherwise specified in this Agreement, any prior correspondence, memoranda, agreements, warranties or representations are superseded in total by this Agreement and exhibits hereto, and such administrative implementation memoranda. Neither the conduct or actions of the Parties, nor the course of dealing or other custom or practice between the Parties, shall constitute a waiver or modification of any Term or provision of this Agreement; and this Agreement may be modified or amended only in the manner specified in this Agreement.

14.7 Construction of Agreement. All of the provisions of this Agreement have been negotiated at arms-length between the Parties and after advice by counsel, who have reviewed this Agreement, and other representatives chosen by each Party, and the Parties are fully informed with respect thereto. Therefore, this Agreement shall not be construed for or against either Party by reason of the authorship or alleged authorship of any provisions hereof, or by reason of the status of either Party. The provisions of this Agreement and the exhibits hereto shall be construed as a whole according to their common meaning and not strictly for or against

any Party and consistent with the provisions hereof, in order to achieve the objectives and purpose of the Parties hereunder. The captions preceding the text of each article, section and the table of contents hereof are included only for convenience of reference and shall be disregarded in the construction and interpretation of this Agreement.

14.8 Mitigation of Damages. In all situations arising out of this Agreement, each Party shall attempt to avoid and minimize the damages resulting from the conduct of the other Party. Each Party shall take all necessary measures to effectuate the provisions of this Agreement. Such actions shall include, but not be limited to, good faith and active participation in any meet and confer and cure process.

14.9 Further Assurances; Covenant to Sign Documents. Each Party shall take all actions and do all things, and execute, with acknowledgment or affidavit if required, any and all documents and writings, which may be necessary or proper to achieve the purposes and objectives of this Agreement.

14.10 Covenant of Good Faith and Fair Dealing. Neither Party shall do anything which shall have the effect of harming or injuring the right of the other Party to receive the benefits of this Agreement; each Party shall refrain from doing anything which would render its performance under this Agreement impossible; and each Party shall do everything which this Agreement contemplates that such Party shall do in order to accomplish the objectives and purposes of this Agreement. The Parties intend by this Agreement to set forth their entire understanding with respect to the terms, covenants, conditions and standards for the development, use and occupancy of the Project and by which the performance of the rights, duties and obligations of the Parties hereunder shall be measured or judged.

14.11 Governing Law. This Agreement, and the rights and obligations of the Parties, shall be governed by and interpreted in accordance with the Laws of the State of California.

14.12 References; Terminology. Unless otherwise specified, whenever in this Agreement, reference is made to the table of contents, any article or section, or any defined term, such reference shall be deemed to refer to the table of contents, article or section or defined term of this Agreement. The use in this Agreement of the words "including," "such as" or words of similar import, when following any general term, statement or matter, shall not be construed to limit such statement, term or matter to specific items or matters, whether or not language of nonlimitation, such as "without limitation" or "but not limited to," or words of similar import, are used with reference thereto, but rather shall be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such statement, term or matter.

14.13 Irregularity in Proceeding. No action, inaction or recommendation by a Party pursuant to this Agreement, or of City in connection with a City approval, shall be held void or invalid, or be set aside by a court on the grounds of improper admission or rejection of evidence, or by reason of any error, irregularity, informality, neglect or omission (collectively, an "Error") as to any matter pertaining to petition, application, notice, finding, record, hearing, report, recommendation or any matters of procedure whatsoever, unless after an examination of the entire record with respect to such error, including the evidence, the court finds that the Error complained of was prejudicial, and that by reason of the Error, the complaining Party, or third Person, sustained and suffered substantial injury, and that a different result would have been probable if the Error had not occurred or existed. No presumption shall arise that an Error is prejudicial, or that injury resulted from an Error, solely as a result of a showing that Error occurred.

14.14 Judicial Proceeding to Challenge Termination. Any challenge made by Developer to City's termination, modification, or amendment of this Agreement pursuant to a right so to do granted by this Agreement, shall be subject to review in the Superior Court of the County of Alameda and solely pursuant to California Code of Civil Procedure Section 1094.5(c).

14.15 Conflicts of Interest. Developer shall use all diligent efforts to ensure that no member, officer, employee, or consultant of City who participates in any way in the Project or in the making of this Agreement, or a member of such Person's immediate family, shall have any personal financial interest in the Project or this Agreement or receive any personal financial benefit from the Project. Developer warrants that it has not paid or given, and will not pay or give, to any third Person any money or other consideration in exchange for obtaining this Agreement. Not in limitation of any other indemnity obligation of Developer, Developer shall Indemnify City from any claims for real estate commissions or brokerage fees, finders or any other fees in connection with this Agreement.

14.16 Nonliability. No member, official, employee, agent, or member of any board or commission of City shall be personally liable to Developer, or any Transferee, in the event of any Event of Default committed by City or for any amount that may become due to Developer or a Transferee under the terms of this Agreement.

14.17 Developer's Warranties. Developer represents and warrants that it: (i) has access to professional advice and support to the extent necessary to enable Developer to fully comply with the terms of this Agreement and otherwise carry out the Project, (ii) is duly organized and validly existing under the Laws of the State of California, and (iii) has the full power and authority to undertake the Project; and (iv) that the Persons executing and delivering this Agreement are authorized to execute and deliver this Agreement on behalf of Developer.

14.18 Exercise of Police Power. The Parties acknowledge that City has exercised its police power in the interest of the Parties, the citizens of City and the general public, by enacting this Agreement as its legislative act, and that full implementation of this Agreement will confer substantial benefits to the citizens of City and the general public.

14.19 Intentionally Omitted.

14.20 City of Oakland Campaign Contribution Limits. Developer has dated and executed and delivered to City an acknowledgement of campaign contributions limits form as required by Chapter 3.12 of the Oakland Municipal Code.

14.21 Disabled Access. Developer shall construct the Project in compliance with all applicable federal, state, and local requirements for access for disabled Persons.

14.22 City Subject to Brown Act and Sunshine Ordinance Requirements. Developer acknowledges that all City Council and Planning Commission actions are subject to the requirements of the provisions of the Sunshine Ordinance (Oakland Municipal Code Chapter 2.20) and the Ralph M. Brown Act (Government Code Sections 54950, et seq.), and the published agenda of the City Council and Planning Commission and regular procedures applicable thereto. City shall cause all City Council and Planning Commission actions to conform to the foregoing requirements and Developer shall take no action which would violate the foregoing requirements.

14.23 Signature Pages. This Agreement may be executed in counterparts, and in facsimile and/or electronic form, and all so executed, shall constitute one Agreement that shall be binding upon all Parties hereto, notwithstanding that the signatures of all Parties' designated representatives do not appear on the same page.

14.24 No Third Party Beneficiary. Nothing in this Agreement shall confer any rights in favor of any third party or third parties.

14.25 Time. Time is of the essence of this Agreement and of each and every term and condition hereof.

14.26 Recitals True and Correct. The Parties acknowledge and agree that the Recitals are true and correct and are an integral part of this Agreement.

14.27 Conflict with LDDA or Ground Lease. Notwithstanding any provision in this Agreement to the contrary, with the exception of Sections 3.8.4(b) and 3.8.6 and the addition of weekly compliance reporting referenced in Section 4.1, which are intended to control, (a) except as otherwise expressly set forth in the LDDA, in the event of any conflict between any provision of this Agreement and any provision of the LDDA, the provision of the LDDA shall govern and control; and (b) except as otherwise expressly set forth in the Ground Lease, in the event of any conflict between any provision of this Agreement and any provision of any applicable Ground Lease, the provision of the applicable Ground Lease shall govern and control.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the day and year first above written.
