

City of Oakland Department of Housing and Community Development
REVISED DECEMBER 13, 2016

COMMUNITY DEVELOPMENT DISTRICTS PRIORITY CATEGORIES FOR 2017-2019 FUNDING CYCLE
DISTRICTS THREE TO SEVEN

- ▶ Eligible proposals will be considered in the categories of the District-specific services and capital improvements as well as in the category of housing related services listed below which are described in detail in the attached lists for Districts three to seven.
- ▶ Only proposals addressing the specific priorities below will be accepted and considered for funding.
- ▶ Applicants may request funding to provide the programs in any or all of the categories below. However, programs identified in the three categories must not be combined in a single proposal.
- ▶ Applicants requesting funding for more than one category must submit a separate proposal for each program(s) to be provided in each category.
- ▶ Applicants requesting funding to serve more than one of the five CD Districts (Districts 3 to 7) must submit a separate complete proposal for each District - identifying the program(s) to be provided in that District, the number of clients to be served from that District, and the amount requested from that District allocation.
- ▶ Applicants must cite in each proposal the priority code number identified in the respective priority category listing below.
