

PUBLIC WORKS' RECORDS SUMMARY

Pursuant to the Public Records Requests, the Oakland Public Works Department searched for records from November 2004 to present.

For the warehouse property at 1315 31st Avenue, there are no records of service requests.

For 1305 31st Avenue, Oakland Public Works received two service requests for the removal of illegal dumping in September 2014 and March 2016.

For 1309 31st Avenue, there are no records of service requests.

For 1313 31st Avenue, there were seven service requests for removal of graffiti, litter, illegal dumping, and one tree inspection between November 2006 and July 2016.

For 3071 and 3073 International Boulevard, there were 11 service requests for street light repair, graffiti removal, litter and illegal dumping removal, removal of a fallen tree limb, utility inspection and pothole repair between December 2005 and April 2014.
