MEMORANDUM

TO: HONORABLE MAYOR &
CITY COUNCIL

FROM: Vitaly B. Troyan, P.E.

SUBJECT: POTHOLE BLITZ 2012

DATE: May 14, 2012

City Administrator

Date

Approval **/s/ Scott P. Johnson**

5/15/12

INFORMATION

In an effort to improve efficiency and provide a longer lasting solution to temporary pothole repairs, the Public Works Agency has implemented a more permanent repair method to this year's "Pothole Blitz." In addition to filling individual potholes, deteriorated street sections that cannot be preserved with pothole filling, staff will grind a portion of the street (mill), and overlay 2" with asphalt. This process is a longer lasting solution to filling potholes that reoccur and require repetitive work. This process is not a substitute for the contracted re-surfacing which covers curb to curb paving of the entire designated street. For a list of the 2012 locations under contract and recently completed, please visit:

<http://www2.oaklandnet.com/Government/o/PWA/o/EC/s/STS/OAK030328>.

During this process, street locations will remain in the milling state until paving can be performed. Our goal is to pave these locations within a few days after milling and no longer than one week. Notifications will be distributed to those residents and businesses impacted, and signs will be posted three days prior to the start dates.

Below is the schedule of streets where milling and paving will take place in each Council District:

District	Date	Location	Status
1	April 30, 2012 – May 4, 2012	Broadway between Taft & 51st	Complete
2	May 7, 2012 – May 11, 2012	Rand Ave between Mandala & Lakepark	In Progress
3	May 14, 2012 – May 18, 2012	14 th Street between Brush & Market
