INFORMATION

The City of Oakland and the Oakland Police Department (OPD) have been engaged with Strategic Policy Partnership, LLC to conduct an assessment of crime reduction strategies and recommend enhancements. Many of the recommendations have already been implemented and the strategies have led to a measureable decrease in crime this year.

The City Wide Crime Reduction Strategy is in the final stages of completion by the Strategic Policy Partnership, LLC. The earlier anticipated release date, December 10, 2013, did not provide enough time to incorporate feedback from a recent retreat of Department Directors. The final report will be distributed by December 30, 2013. We appreciate your patience in this important work.

Any questions regarding this report can be directed to Interim Assistant Police Chief Paul Figueroa at 510-238-3365.

Respectfully submitted,

/s/

SEAN WHENT
Interim Chief of Police
Oakland Police Department
