Bogus Letter and Website Circulating

Apparently there is a letter being circulated by hand and on an unofficial website purporting to be from Mayor Jean Quan on what is supposedly official letterhead.

It is completely fabricated. Any official announcement from the Mayor or City of Oakland is posted on the city's website at www.oaklandnet.com and sent directly to the media. There is no official "oaklandmayor.com" nor press@oaklandmayor.com.

Attached is the official letter that the Mayor released on Thursday.
