25. Minimum Wage Ordinance

Pursuant to the Oakland Municipal Code Chapter 5.92, the New Minimum Wage Law became effective March 2, 2015.

Oakland employers are subject to the federal, state and Oakland minimum wage laws. When there are conflicting requirements in the laws, the employer must follow the stricter standard. In the case of minimum wage, Oakland employers must pay employees the rate that is most beneficial to the employee. Thus, since Oakland's current law requires a higher minimum wage rate than does the state and federal law, all employers that have employees who perform work in Oakland who are subject to the laws must pay at least the City's minimum wage rate.

Oakland employers are subject to Oakland's Minimum Wage Law whereby Oakland employees must be paid the current Minimum Wage rate. Employers must notify employees of the annually adjusted rates by each December 15th and prominently display notices at the job site. The law requires paid sick leave for employees and payment of service charges collected for their services.

26. Equal Benefits Ordinance

This Agreement is subject to the Equal Benefits Ordinance of Chapter 2.32 of the Oakland Municipal Code and its implementing regulations. The purpose of this Ordinance is to protect and further the public, health, safety, convenience, comfort, property and general welfare by requiring that public funds be expended in a manner so as to prohibit discrimination in the provision of employee benefits by City contractors (consultants) between employees with spouses and employees with domestic partners, and/or between domestic partners and spouses of such employees. (Ord. 12394 (part), 2001)

The following contractors are subject to the Equal Benefits Ordinance: Entities which enter into a "contract" with the City for an amount of twenty-five thousand dollars (\$25,000.00) or more for public works or improvements to be performed, or for goods or services to be purchased or grants to be provided at the expense of the City or to be paid out of moneys deposited in the treasury or out of trust moneys under the control of or collected by the city; and Entities which enter into a "property contract" pursuant to Section 2.32.020(D) with the City in an amount of twenty-five thousand dollars (\$25,000.00) or more for the exclusive use of or occupancy (1) of real property owned or controlled by the city or (2) of real property owned by others for the city's use or occupancy, for a term exceeding twenty-nine (29) days in any calendar year.

The Ordinance shall only apply to those portions of a contractor's operations that occur (1) within the city; (2) on real property outside the city if the property is owned by the city or if the city has a right to occupy the property, and if the contract's presence at that location is connected to a contract with the city; and (3) elsewhere in the United States where work related to a city contract is being performed. The requirements of this chapter shall not apply to subcontracts or subcontractors of any contract or contractor

The Equal Benefits Ordinance requires among other things, submission of the attached and incorporated herein as **Schedule N-1, Equal Benefits-Declaration of Nondiscrimination**.

27. City of Oakland Campaign Contribution Limits

This Agreement is subject to the City of Oakland Campaign Reform Act of Chapter 3.12 of the Oakland Municipal Code and its implementing regulations if it requires Council approval. The City of Oakland Campaign Reform Act prohibits contractors that are doing business or seeking to do business with the City of Oakland from making campaign contributions to Oakland candidates between commencement of negotiations and either 180 days after completion of, or termination of, contract negotiations.

If this Agreement requires Council approval, Contractor must sign and date an Acknowledgment of Campaign Contribution Limits Form attached hereto and incorporated herein as **Schedule O**.

In such event, the City shall give thirty (30) days written notice of such abandonment. In the event of abandonment prior to completion of the final drawings, if applicable, and cost estimates, Contractor shall have the right to expend a reasonable amount of additional time to assemble work in progress for the purpose of proper filing and closing the job. Prior to expending said time, Contractor shall present to the City a complete report of said proposed job closure and its costs, and the City may approve all or any part of said expense. Such additional time shall not exceed ten percent (10%) of the total time expended to the date of notice of termination. All charges thus incurred and approved by the City, together with any other charges outstanding at the time of termination, shall be payable by the City within thirty (30) days following submission of a final statement by Contractor.
