### Oakland's Summer Lunch Program Launches

**Oakland, CA** — The City of Oakland today announced the beginning of the summer meal programs to provide local children free lunch and afternoon snack during the school break. The Oakland Human Services Department's **Summer Food Service Program begins Monday, June 12**. About 70 sponsored youth-serving sites throughout Oakland – including community-based organizations, City libraries and recreation centers, and faith-based organizations – will offer free lunch Monday through Friday until August 11, 2017. All children and youth ages 18 and under can visit any location to receive a free meal.

A celebration to kick off a "Hunger Free Summer" will take place on Friday, June 16<sup>th</sup> from 11:00 a.m. to 1:00 p.m. at Lincoln Recreation Center. The event will feature fresh produce giveaways, summer lunch vendor samples and free food, fun playground activities and resource tables. Participating agencies include the Human Services Department, Oakland Unified School District, Oakland Public Library, Oakland Parks and Recreation, Alameda County Community Food Bank, and Oakland Alameda County Community Action Agency.

Approximately 20,000 children in the Oakland community depend on free and reduced-cost school meals during the school year. However, most families struggle to replace those meals for their children during the summer months. The City's Summer Food Service Program bridges the meal gap by providing access to nutritious lunches and snacks at convenient locations throughout the city while school is out of session.

There are no program requirements or paperwork to complete to benefit from the City of Oakland Summer Food Service Program. Finding the closest free meal is just a phone call away; Call the Alameda County Community Food Bank's Emergency Food Helpline at 800-870-FOOD.
