

Create a Secure Future

Advance Health Care Directives

Friday, April 20, 2018

1:00 pm – 2:00 p.m. in Hall 3

An advance directive is a document by which a person makes provision for health care decisions in the event that, in the future, he/she becomes unable to make those decisions.

There are two main types of advance directive — the “Living Will” and the “Durable Power of Attorney for Health Care.” There are also hybrid documents which combine elements of the Living Will with those of the Durable Power of Attorney.

You’re invited to join staff from Legal Assistance for Seniors as they explain the Advance Health Care Directive document, and make sure you know what these very important documents can and cannot do.

This event is FREE; however, you must call us at 238-3284 and RSVP
