CORE is a program of the Oakland Fire Department, Emergency Management Services Division. All public CORE training locations are wheelchair accessible. To request materials in alternative formats, or to request an ASL interpreter, captioning or assistive listening device, please contact the CORE Coordinator at 510-238-6351, TTY 510-238-3254 or core@oaklandnet.com at least five business days in advance. Please refrain from wearing scented products to CORE events for the benefit of people who may experience chemical sensitivities.

CORE Workshop/Event Schedule

The CORE program offers the following single session, single topic workshops in addition to the basic CORE I, II, and III trainings. Some workshops are specifically designed for CORE graduates and require a minimum level of prior training. Others are open to any Oakland resident, regardless of past experience.

CORE Workshops

The workshops below are additional learning opportunities outside of CORE basic training.

Detailed class descriptions are available on the CORE website at www.oaklandcore.com
