STATEMENT FROM MAYOR RON DELLUMS RE:

Judge's Grant for Change-Of-Venue in Mehserle Trial

“I am calling for peace following the ruling of Judge Morris Jacobson to move the trial outside of Alameda County. As a city, we have to remember that the wheels of justice remain in motion. Johannes Mehserle will receive due process under the law and justice will be done. I know that there are many in our community who disagree with the decision, believing that justice can be served in this community. However, whether we agree or disagree with the ruling, let us go forward in a civil manner and treat one another with respect. My fervent plea is that this decision does not cause chaos and upheaval in our city. It is important that we go forward in a spirit of peace and dignity. Let us unite as one community working to address these issues.”
