

**STATEMENT FROM THE MAYOR RE:**  
*Results of Measure NN*

“A majority of Oakland residents voted for Measure NN and want us to pursue our four-pronged public safety strategy of prevention, intervention, enforcement and sustainability. While increasing our police force is not the only solution to bringing peace to our streets, our residents have embraced this strategy that includes increasing our police force. The argument that Measure NN was “too costly” was without merit. The highest tax would have been paid by single family residents including: 31 cents a day for the first year, 50 cents a day the second, and 75 cents a day the final year. Even though Measure NN did not pass, we will pursue all options and do everything we can to maintain the integrity of our comprehensive public safety strategy.”
