STATEMENT FROM MAYOR DELLUMS RE:
Agreement this week between Mayors Against Illegal Guns and Wal-Mart to
tighten up the retailer's gun-sales policies.

“As a member of the Mayors Against Illegal Guns Coalition, I support initiatives, such as this, that responsibly safeguard and prevent the illegal sale and purchasing of weapons that are undeniably wreaking havoc on communities across America. As mayors, it is our responsibility to keep our residents safe, and that includes making laws and endorsing policies that require all gun dealers to become part of the solution of keeping illegal guns off our streets and out of the hands of people who directly or indirectly want to cause harm.”
