**STATEMENT FROM MAYOR RON DELLUMS RE:**  
**10-Day Nurses Strike**

**Oakland, CA – March 21, 2008** – “Our nurses and health care workers are on the frontlines providing direct care and services to Oakland and Bay Area residents,” said Mayor Ron Dellums. “Their hard work is deserving of the best working conditions and compensation available. I support their efforts to ensure that issues around patient care are fully addressed and urge both parties to work expeditiously towards an agreement.”
