How to Enjoy Your Park

The City of Oakland Parks & Recreation (OPR) offers over 140 beautiful and unique park venues for your personal enjoyment and the enjoyment of others. Our parks are available to host your next picnic, birthday party or special event. Parks are owned and maintained by the City to provide open public space.

This brochure provides education on the park permit regulations and City's expectations and information to help maximize your park experience. It is our hope that you embrace the outdoors and our wonderful parks and be respectful of the surrounding businesses, community neighbors and other park users.

As part of your enjoyment, we ask that you take personal responsibility by being cautious of your music, noise levels and litter. Please pick up and remove your litter from park grounds. If there are no available trash receptacles near you or if they are full, we kindly request that you take your litter with you.

Oakland is a dog friendly community. We ask that you respect the rights of others by keeping your dog on leash and under voice command. For a list of all dog friendly parks and leash requirements, please visit OPR's website at www.oaklandnet.com/parks.
