UNIFORMS AND EQUIPMENT

The purpose of this order is to set forth regulations and specifications regarding uniforms, civilian clothing, and equipment for Police Department members, reserve officers and employees.

I. GENERAL REGULATIONS REGARDING UNIFORMS AND APPEARANCE: MEMBERS, RESERVE OFFICERS, UNIFORMED EMPLOYEES, EMPLOYEES

- A. Members, reserve officers and uniformed employees shall wear only the uniform specified for their particular rank or assignment.
- B. The uniforms specified in this order must adhere to these specifications and it is the responsibility of each member or employee to ensure vendor compliance.
- C. In the absence of special provisions, uniform specifications for police officers shall be understood to apply equally to men and women, to all members regardless of rank and to all reserve officers.
- D. All uniforms shall fit properly and be maintained in a neat and clean condition. Uniform items containing patches, mends or other obvious repairs or which become worn or faded shall not be worn at any time.
- E. Members and employees may wear their uniforms while traveling directly to and from work. Members exercising this option shall wear a complete uniform, including all required equipment, whenever they are exposed to public view.
- F. All off-duty members and employees in uniform shall comply fully with applicable Departmental directives and are strictly prohibited from engaging in any activity which would be inappropriate for on-duty personnel.
- G. Personnel shall not wear civilian clothing with any distinguishable uniform item unless approved for authorized Department training.

- H. Non-regulation articles shall not be worn on duty, except as authorized by commanding officers for assignments in which regulation articles would be inappropriate.
- I. All members and employees, regardless of assignment, shall maintain an acceptable level of personal hygiene while on duty.
- J. Personnel may request the modification or addition of uniform or equipment items by submitting an interoffice memo of justification through the chain of command to the Chief of Police (COP). Absolutely no new or modified article of any kind shall be worn, except during a test period approved by the COP, unless it is documented by a revision of this order.
- K. Members assigned to routine field duties shall wear the basic wool uniform, except as otherwise specified in this order. Wearing the basic uniform hat is optional. The uniform of the day shall be designated by the Deputy Chief of the Bureau of Field Operations (BFO) or designee.
- L. All Supervisors, commanders and managers are charged with maintaining a high standard of appearance by members and employees assigned to their units and shall conduct regular inspections of uniformed personnel to ensure compliance with Departmental General Order C-1.
- M. All members, whether in uniform or plain clothes, shall carry their Department-issued identification card while on-duty. Additionally, when operating a department vehicle, members shall carry their California Driver's License.
 - 1. When asked for identification by a citizen, members shall, as soon as practical, produce their identification card for inspection.
 - 2. Supervisors, commanders and managers shall ensure compliance with this order by checking identification cards during uniform inspections.
 - 3. Members engaged in undercover activities where the carrying of police identification would hamper a legitimate police purpose are exempt from the provisions of this section.
- N. When operating a department vehicle all members and employees shall carry their California Driver's License (CDL). Members engaged in undercover activities, where the carrying of their CDL would hamper a legitimate police purpose, are exempt from the provisions of this section.

- O. The presence of tattoos, brandings, or intentional scarring on the hands, head, face or neck, visible while on duty and/or in uniform, is prohibited. **This standard applies to all Department personnel.** Permanent cosmetic tattoos* and medical tattoos** are exempt from this policy.

* A tattoo applied as make-up (i.e., eyebrows, lipstick, eye liner, eyelashes, etc.).

** A tattoo applied for health purposes. (i.e., as a warning that the patient suffers from a chronic disease or as a “marker” to aid medical personnel in performing a medical procedure.)

1. Members and employees may display tattoos, brandings or intentional scarring in the workplace, except:
 - a. On the hands, face or neck
 - b. Tattoos, brandings or intentional scarring of objectionable content may not be displayed in the workplace. Such objectionable content includes, but is not limited to:
 - 1) Vulgar or inappropriate language or images;
 - 2) Language or images considered demeaning to any protected class (such as race or sex); and
 - 3) Nudity or sexual language.
2. Members and employees having the above mentioned “body art” visible on a prohibited area or which has been deemed objectionable visible on an allowable area of their body, shall cover or conceal it with a bandage or concealing make-up which blends as closely as possible with the member or employee’s skin tone.
3. Additional exceptions to this section include the following:
 - a. The Training Section Commander, Academy Coordinator, Recruit Training Officer, or In Service Training Supervisor may exempt members, employees or Police Officer Trainees (POT):
 - 1) During training exercises (i.e., physical training, firearms training, scenario-based training, pursuit driving, Patrol procedures, etc.); or
 - 2). To enable all POTs to conform to the uniform of the day.

- b. Captains or higher rank may exempt on-duty undercover personnel in plainclothes. Refer to Part II, A, 4, a-c for tracking and reporting requirements.

II. MEMBER APPEARANCE

A. Personal Appearance

- 1. At all times while on duty, members shall present themselves in a professional manner and shall be clean and well-groomed.
- 2. Members shall conform to the following additional standards of personal appearance:

- a. Hair shall not extend more than 3" from the top of the head and shall be compatible with wearing the uniform cap. It shall be neatly trimmed and tapered or styled in such a way that it gives an overall even appearance and does not protrude abruptly from the sides or back of the head, nor extend more than halfway below the top of the collar or below the center of the ear.
- b. Sideburns shall not be wider than 1-3/4" at the bottom nor extend beyond the bottom of the ears.
- c. Males shall be otherwise clean-shaven*, but may wear a neatly trimmed mustache, extending not more than 1/2" beyond or 1/4" below the corners of the mouth.

* Personnel with a medical condition that precludes shaving shall be required to present a written statement to that effect signed by a licensed physician. In such cases, the beard shall not exceed 1/4" in length. In the event that the condition continues for an extended period of time, the Department may request additional medical confirmation of the original diagnosis.

- d. Bright-colored cosmetics and nail polish shall be avoided when in uniform or civilian attire.
- e. Decorative and/or ornamental nails shall not be worn. Fingernails shall be at a length which does not interfere with the performance of duties and which would not be cause for injury if broken in the performance of duty.

3. Hair clips, pins, rubber bands, etc., shall be close in color to hair when in uniform.

While in uniform, members shall not wear any insignia, emblem, decoration, symbol, badge, pin, jewelry (except for conservative ring or earrings as specified below) or ornament other than the Departmental insignia or adornments specified in Part VII.

- a. Females are permitted to wear earrings that conform to the following standards while in uniform:
 - 1) Earrings must be screw-on, clip-on, or post-type earrings in gold, silver, white pearl, or diamond;
 - 2) Earrings must be a quarter of an inch or smaller, unadorned, spherical and fit snugly against the ear; and
 - 3) Earrings may only be worn as a matching pair and only one earring per earlobe.
4. Captains or higher rank may exempt on-duty undercover personnel in plainclothes from Part I, O and Part II, A, 1-3.
 - a. Personnel seeking an exemption shall complete a Personal Appearance Waiver Form (TF-3382) and forward to the approver. The approver shall track the personnel for exemptions of 5 days or less per month.
 - b. Personnel seeking an exemption longer than five (5) calendar days per month shall complete a Personal Appearance Waiver Form (TF-3382) and forward the approved form to the Intelligence Section Supervisor.
 - c. The Intelligence Section Supervisor shall track all exempted personnel specified in section b., above. This information is confidential.
 - d. Commanders and supervisors may contact the Intelligence Section Supervisor (long term) or the approving commander (short term) to verify a member's personal appearance exempt status.

B. On-Duty Civilian Clothing for Members

Civilian clothing worn by members while on-duty shall reflect professional appearance, and shall be suitable for the safe and inconspicuous performance of basic police tasks.

Civilian clothing shall be clean and in good repair. Members shall be guided by the following minimum standards:

1. Male members shall wear a dress shirt and tie with a business suit or a conservatively tailored sports coat and slacks. Shoes shall be of a conservative style and color. Leather jackets or "cowboy" boots of any style shall not be worn. For the purpose of this order, cowboy boots are defined as any boots that have a high arch, a high heel, unusually fancy stitching, or a pointed toe.
 - a. Male members shall not wear any insignia, emblem, decoration, badge, pin, nose rings, and any other jewelry or ornament except for conservative rings, tie bars, tie tacks, or lapel pins.
 - b. Shoes shall have soles and heels of conservative height.
 - c. Commanders and supervisors may permit members to remove their ties when assigned to duties which do not involve public contact or where the tie would pose a safety hazard.
2. Female members shall wear suits, dresses, skirts, or pants in designs and colors suitable for business wear and of prevailing style, fit, and length. All accessories (e.g. gloves, purse, shoes, hosiery, etc.) shall be of conservative style and color.
 - a. Female members shall not wear any insignia, decoration, emblem, badge, nose rings, jewelry or ornament except for conservative rings, earrings, necklaces, bracelets, pins, or hair clasps.
 - b. Hair shall be simply and neatly groomed in a daytime style.
 - c. Proper foundation garments shall be worn at all times.
 - d. Use of cosmetics shall be minimal.

- e. Shoes shall have a maximum heel height of 3", and shall have a back strap or full back. Spike heels and sport shoes are not permitted.
2. Captains or higher rank may authorize or require any type of clothing for an assignment in which approved civilian apparel would be unsuitable for police purposes.

A Personal Appearance Waiver Form (TF-3382) shall be completed and forwarded as specified in Part II, A, 4.

C. Casual Friday

Office personnel who are not required to wear uniforms shall have the option of wearing business appropriate casual attire on Fridays. Casual Friday attire shall only be acceptable on Fridays.

1. The following items shall be considered business appropriate casual attire:
- a. Sweaters
 - b. Button down shirts
 - c. Polo shirts
 - d. Cardigans
 - e. Slacks
 - f. Dockers
 - g. Skirts/dresses
 - h. Black or dark blue denim clothing

2. Class B gun belt: Handcuff key, OC, Firearm, handcuffs and case, radio holder, flashlight holder, baton ring, Asp (optional), magazine pouch, Taser (shall be worn opposite of the firearm in either an authorized belt or leg holster) and dump pouch (optional).

3. Motorcycle officers shall make the appropriate substitutions for their uniform.
4. All members shall have the option of wearing a dickey, turtleneck sweater or mock turtleneck under the short sleeve shirt. If the turtleneck is worn without a jacket, the sweater sleeves shall not extend below the shirt sleeves.
5. Optional outerwear.
6. Motorcycle officers shall also have the option of wearing the leather jacket.
7. The uniform hat may be worn at the discretion of the individual officer having consideration for officer safety and the requirement for identification, or at the direction of a supervisor or command officer.
8. Watch Cap (optional)

Night shift personnel are authorized to wear the watch cap. Day shift and swing shift personnel shall only wear the watch cap upon approval by the Bureau of Field Operations (BFO) Deputy Chief or designee.

When wearing the watch cap, the insignia shall be visible and worn centered on the forehead above the nose.

C. Field Utility Uniform (Class C)

Long sleeve or short sleeve utility shirt with name lettering, black undershirt, trousers, belt, insignia, star, shoes, socks, and Class B gun belt.

1. Members assigned to routine field duties shall wear the utility uniform only when designated as the uniform of the day by the Bureau of Field Operations (BFO) Deputy Chief or designee.
2. Members assigned to units outside of the BFO shall not wear utility uniforms without the prior authorization from the appropriate Bureau Deputy Chief or designee.
3. Bureau Deputy Chiefs or designee may authorize utility uniforms as the uniform of the day, to include, but not limited to, the following circumstances:

- a. During inclement weather (to include hot or humid conditions);
 - b. Special field projects;
 - c. Mobile field force mobilizations; or
 - d. Major Response Operations.
4. Members assigned to the following field units shall only wear the utility uniform* during their regular tour of duty, unless otherwise directed by a higher ranking member:

IV. RESERVE OFFICER UNIFORM

A. Clothing and Personal Appearance

- 1. Regulations regarding personal appearance, uniform, equipment items and civilian clothing worn while on duty, shall conform to those of the police officer unless otherwise indicated.
- 2. Reserve officers of all ranks shall wear only the uniform specified for police officers.

B. Shoulder Insignia: The specifications are identical to those specified for police officers; however, the letter "R" is embroidered onto the low point of the shoulder patch.

V. POLICE OFFICER TRAINEE UNIFORM AND APPEARANCE

Personal appearance standards shall be the same as for members. Uniform and equipment shall be the same as for police officers; however, the word "TRAINEE" replaces "OFFICER" on the star.

VI. MEMBER UNIFORM SPECIFICATIONS

A. Basic Uniform (Class A and Class B)

- 1. Hat

The cap is Midway Cap style #1960 blue 100% wool elastique having a gold rayon lining, black plastic visor, and a 1/2" wide black patent leather chin strap.

- 2. Hat shield

The cap shield is Jones Design No.668 plated with high chrome and hand tooled with a three-dimensional high-crown star. The lower panel contains the word "POLICE".

3. Long sleeve shirt

The navy blue 100% wool shirt has a button front, a plain turn-down collar, two front pockets with scalloped, button-down flaps secured at the corners by Velcro fasteners, black buttons, two-button cuffs, and a military press.

Men's shirts shall be made in neck sizes only, such as 15, 15-1/2, etc. Sizing in small, medium, and large is not acceptable. Fitting for female officers shall be achieved by appropriate cutting for women's sizes, and by bust and waist darts. Flying Cross model 20W9576 or equivalent.

4. Short sleeve shirt

The short sleeve shirt is navy blue 100% wool. It has a sport type collar which may be worn open or closed, a button front, two breast pockets with flaps, and a military press. Sizing and fitting are as specified for the long sleeve shirt. Flying Cross model 70R9576 or equal. Officers shall maintain the standard military press of two creases in the front and three in the back on their shirts at all times.

5. Undershirt

- a. The undershirt is plain black with a round neck. It may not extend below the uniform shirtsleeve and must be visible at the neck of the uniform shirt when the collar is unbuttoned.
- b. Members and employees may wear turtlenecks, dickies and mock turtlenecks, in navy or black.

Optional O.P.D. letters may be embroidered on the left portion of the collar. The embroidery shall be gold for command officers and white for all other members and employees. The lettering shall be 1/2 inch in height and in block lettering or brody script.

6. Tie

The tie is black, four-in-hand, snap-away or break-away style, not more than 3" at its widest, extending to 1/2" above the belt line. The

tie must be worn whenever the uniform jacket is worn. The tie is worn with the long sleeve shirt only.

7. Tie Bar or Tack (optional)

- a. The tie bar is a plain silver-colored metal bar with a replica of the Departmental shoulder insignia mounted on it. The tie tack is a silver-colored pin with a replica of the Departmental shoulder insignia mounted on it.
- b. Command officers shall wear a gold-colored tie bar or tack.
- c. The academy valedictorian tie bar is a plain silver-colored metal bar with a hanging replica star and may be worn by officers and sergeants.

No other tie bar or tack may be worn.

8. Star

The seven-point plain sterling silver star is Jones Design #514, 3-1/8" in diameter, with the words "POLICE OFFICER OAKLAND CALIFORNIA" and a three-digit number in black enamel. The star must be worn on the outermost garment.

Members may purchase and carry a flat star from the Ed Jones Company. The numbers shall correspond with the numbers of their Department issued star.

Members may substitute an approved cloth star patch on the utility shirt, utility jacket, flight suit, or flight jacket. See Utility Uniform Specifications for description.

9. Shoulder Insignia

The shoulder insignia is a cloth shield with the City seal centered on a seven-point star and the words "Oakland Police" above the star. It is attached so that the top of each insignia is 1/2" below the left sleeve head seam of the uniform shirt, the utility jacket, the uniform jacket, the utility uniform shirt/jumpsuit, and the flight suit.

10. Nameplate

The nameplate is black plastic with a white beveled corner, 2-1/2" by 5/8", with white block type no larger than 1/4" spelling out the first name or initial, and last name of the wearer, in that order (e.g., John Jones, J. Jones).

The nameplate is worn by all uniformed officers, regardless of rank, on the outermost garment. It is centered with its lower edge touching the top of the right breast pocket flap of the uniform shirt, utility jacket, and the uniform jacket. The nameplate may be excluded on rain gear and leather jackets only when the Star or Cloth Star with star number is worn on the rain gear or leather jacket.

Nameplate placement shall be moved as specified in DGO B-1, DEPARTMENTAL AWARDS, when worn in conjunction with awards

11. Trousers

The trousers are blue 100% wool elastique with matching buttons. They are slack-type, without pleats, properly fitted for the individual wearer. The waistband has seven keystone belt loops to accommodate a 2" wide belt. There are two front pockets, two hip pockets, one flashlight pocket, and one baton pocket. Trousers shall not be "pegged" or "flared".

Trouser stripe: The 3/4" side stripe is Hamburger Mills #836 marine blue elastique, placed on each trouser outside seam, extending to the bottom of the waistband. Flying Cross model OPDTRS01 or equal

12. Belt

The belt is black polished leather; 1-3/4" wide, with a plain rectangular one-pronged nickel or chrome finish buckle approximately 2-1/2" high by 2" wide.

An optional black nylon belt of the same dimensions with a metal or plastic black buckle may be used. (Class B and C uniforms only) Members may substitute the "traditional" belt buckle. The buckle is 3" long by 1-3/4" high, and the letters "O" and "P" are centered on the front.

Command officers exercising this option shall wear the gold-colored buckle while in uniform.

13. Gun belt

- a. Class A: Key ring with whistle, callbox key and handcuff key, Firearm, handcuffs and case, baton ring, magazine pouch with magazines and short baton.
- b. Class B: Handcuff key, OC, Firearm, handcuffs and case, radio holder, flashlight holder, baton ring, Asp (optional), magazine pouch, Taser (shall be worn opposite of the firearm in either an authorized belt or leg holster).

14. Gloves

- a. White: Plain white cotton or nylon wrist-length gloves are worn at inspections and at such other times as directed.
- b. Black: Wrist-length gloves of a plain design, without buttons or fancy stitching may be worn. Members shall not wear gloves which allow any portion of their fingers to show.
- c. Tan: Wrist-length Wells Lamont® or equivalent leather work gloves may be worn by Traffic members assigned to motorcycle duties or by members when assigned to dual purpose motorcycle duties.

Departmental members and reserve officers are prohibited from carrying or wearing weighted gloves of any type.

Weighted gloves, for the purpose of this order, are defined as gloves which incorporate substance or material of significant weight or density (e.g., sand or lead).

15. Socks

Socks shall be black or navy blue. White socks may be worn if they are not visible above the top of the shoe or boot while the member is in a sitting or standing position.

16. Footwear

Shoes shall be black with plain toes and constructed of highly polished leather or similar material, such as corfam or patent leather. Footwear with wedge-type soles, pointed toes, or squared or cowboy-type heels shall not be worn. Ornamental stitching, straps, or buckles are prohibited.

Boots shall be constructed of black leather or leather-like material with a breathable black fabric panel. The boots are approximately 6-8" in height, waterproof, and have a lug sole.

17. Jacket

a. Uniform Jacket (Class A uniform only)

The body of the jacket is blue 100% wool elastique with a brass zipper and silver-colored police "P" style buttons on the breast flaps and equipment straps. The jacket has a stitched-down rear belt, lapel collar, two breast patch pockets with box pleats, and two inside breast pockets. Each breast pocket flap has a center buttonhole and a snap fastener at each end.

Fitting for female officers shall be achieved by appropriate cutting for women's sizes, and by bust and waist darts.

b. Stripe: A 3/4" stripe of Hamburger Mills #836 marine blue 100% wool elastique is attached to the jacket 3-1/2" from the bottom of the sleeve.

c. Lapel Ornament: Gilt metal "O.P.D." letters 1/2" high and 3/8" wide are attached to each side of the collar lapel, 1/2" from the collar notch and lower collar edge.

18. Watch Cap (optional)

The watch cap is black 100% acrylic knit equivalent to Hero's Pride #6890 with a replica should insignia attached or embroidered on the front.

Motorcycle officers may substitute the Traffic insignia for the replica shoulder insignia.

19. Roll-up Utility Pouch (optional)

Black Codura® or nylon pouch with retention cord or flap designed to fold or roll-up when not in use, equivalent to 5.11 gear extra-

large dump pouch, Condor roll-up utility pouch or Maxpedition Rolypoly MM Folding dump pouch.

The roll-up dump pouch shall only be worn on the duty belt and shall be folded or rolled-up when not in use, except as specified below.

The Tactical Operations Team Commander may approve Tactical Operations Team members, when activated, to wear appropriate alternative color dump pouches attached to alternative locations on their uniform.

B. Field Utility Uniform (Class C)

1. Utility Cap

The cap is a navy blue baseball type with a 3” replica of the shoulder insignia attached to the center front. Net-like material is not authorized. Utility caps are not authorized to be worn with the basic duty uniform.

Motorcycle officers are authorized to wear the utility cap with the Traffic insignia in lieu of the motorcycle helmet while engaging in non-riding field assignments.

2. Watch Cap (optional)

The watch cap is black 100% acrylic knit equivalent to Hero’s Pride #6890 with a replica OPD shoulder insignia attached or embroidered on the front.

Motorcycle officers may substitute the Traffic insignia for the replica shoulder insignia.

3. Trousers

The trousers are the Flying Cross Model 47680. The trousers are navy blue, 75% polyester and 25% wool. There are two front pockets, two back pockets and two cargo pockets. The legs shall not be “pegged” or flared.

4. Belt

Same as specified for the basic uniform.

5. Long Sleeve Utility Shirt

The long sleeve utility shirt is the Flying Cross Model 49W8486 with shoulder straps (epaulets). The shirt is navy blue, 75% polyester and 25% wool and has a button front and button-down flap pockets.

6. Short Sleeve Utility Shirt

The short sleeve shirt is the Flying Cross Model 99R8486 with shoulder straps (epaulets). The shirt is navy blue, 75% polyester and 25% wool and has a button front and button-down flap pockets.
NOTE: Lettered references, such as “OAKLAND POLICE,” are not authorized to be worn anywhere on either shirt. Officers shall maintain the standard military press of two creases in the front and three in the back on their shirts at all times.

7. Shoulder Insignia

Same as specified for the basic uniform.

8. Name Lettering

Personnel names shall be embroidered in 1/2” grey block letters into the uniform, centered with its lower edge touching the top of the right breast pocket flap. Commander name shall be in gold lettering.

9. Cloth Star

The star is a cloth type replica of the Department star and shall designate the appropriate rank without the individual star number. The star is sewn in place above the left front shirt pocket.

C. Staff Utility Uniform

Wearing of the staff utility uniform must be specifically authorized by the Chief of Police, Assistant Chief of Police or a Deputy Chief.

1. Shirt

The shirt is a navy blue short-sleeve pullover, of good quality cotton/synthetic blend, with sport collar and 3-button front.

A 3" true-color embroidered or gold screened or dye processed version of the shoulder insignia is on the left breast area. Unit identification information may be added above or below the insignia.

2. Trousers

The trousers are medium or charcoal gray dress slacks, 35% - 100% wool blend, with belt loops and plain cuffs.

3. Jacket

The jacket is navy blue nylon, warm-up style, lined or unlined, with a 3" gold version of the shoulder insignia, screened or dye-processed onto the left breast area.

4. Utility Cap

The utility cap may be worn as an optional item.

5. Shoes and Belt

Shoes and belts are the same as specified for the basic uniform.

D. Specialty Uniforms

1. Undercover, Plain Clothes or Task Force Uniform

a. TAC Vest

Second Chance® Tactical Assault Carrier vest (pocket or modular webbing model), black color made of 10000-denier Cordura®.

The following items shall be affixed to the vest:

- 1) Cloth replica of the Department star, designated with the member's star number and appropriate rank, attached to the left chest area of the vest;

The VERTX shirt shall be manufactured from an up-to-date pattern and shall have articulated patterning, gusseted underarms, and a standing collar.

The styling shall have a fully separating center front zip with exterior storm flap and interior wind flap, two (2) bicep pockets with hidden zips, and two (2) hidden wire pass-through's with hook and loop fastener. Cuff tab closures shall be a tapered shape and will adjust with hook and loop fastener.

A loop fastener patch shall be attached at the upper arm of each sleeve. The collar shall be a standing collar with the front zip extending to the top of the collar allowing it to fully close and seal out the wind. The front zip storm flap shall extend to the top of the zip and finish cleanly, creating a smooth cover over the zipper teeth and zipper pull when in the closed position. The internal windflap shall end at the top of the zipper and terminate cleanly. The inner collar shall be lined in microfleece.

The center front zipper shall be a YKK™ #3 Vislon® with an interior self-fabric wind flap. Pocket zippers shall be coil and covered by a garage to protect the zipper teeth. Pocket zippers shall have pulls made of 2.2mm knotted cord to aid in operation with gloved hands. (2) 2 ¼" wire pass through openings shall exist on the garment 10" up from hem bottom. These will close with hook and loop fastener when not in use.

The shirt shall be constructed using a serge and 1/8" DN top stitch method. Stitching shall be 12 to 14 Stitches per inch for increased durability. Bartacks will be used to reinforce high wear and stress areas including the bicep pockets at each sleeve. Die cut pieces will be used for the center front hook and loop closures and loop fastener patches at each sleeve.

b. Pant: VERTX Pant model VTX1000MC Multi-Cam

Trouser shall be manufactured from a uniform trouser pattern. The trouser shall incorporate two (2) front pockets with utility notch, two (2) pointed patch style hip pockets, two (2) side utility pockets, concealed zipper pocket, gusseted crotch, hidden mag/cell phone pocket, back yoke and stretch waistband. The two (2) front pockets shall be a notch style with a minimum opening of 7". Pocket facings shall be made of the shell fabric. Front pockets shall have a knife notch at the bottom of the pocket opening.

There shall be a 6.5" vertical concealed pocket on a size 36 waist set into the right front pocket facing with a #3 invisible coil zipper. Concealed pocket shall zip closed from top to bottom. There shall be two (2) pointed patch style hip pockets. These patch hip pockets shall measure 6" wide by 7 3/8" deep from top of pocket to bottom of center point on size 36 waist.

There shall be a trap flap on the inside of each back pocket and shall be cut on an angle. There shall be a cargo style accessory pocket set into right and left side seam. Cargo pockets shall measure approximately 8 1/4" backside of pocket and 9 1/4" front side of pocket and shall be 7" wide. Cargo pocket shall be placed 3" down from bottom of side pocket. Cargo pocket shall have a 1/2" vertical pleat 1 1/4" from back edge of pocket. Top of pocket shall be serged and turned and stitched under 1/4". There shall be a pocket flap inserted at the top of the pocket 1 3/4" by 7 1/2".

The waistband shall be 1 1/2" wide with a 4" elastic gusset sewn into each side for extra comfort. The waistband shall be lined with self-goods and shall have a metal riveted button and buttonhole for closure. The waistband shall be topstitched completely around. Trouser shall have a metal YKK # 5 locking zipper. There shall be two straight bartack

at the bottom of the fly going through the zipper tape. There shall be two pleats on each knee forming an articulated knee. This will ensure total mobility with no restrictions. There shall be a minimum of six (6) belt loops 7/8" in width of double thickness. All loops must be bartacked to the top of the waistband and bartacked 1" below the bottom of the waistband turned and then stitched into the waistband.

There shall be a double belt loop placed at the center back spaced approximately 1" apart. Trouser must be neatly pressed on hothead presses and properly shaped so that no crease is visible at center of leg. Trouser must be cleaned and finished in such a manner that there are no loose threads.

VII. UNIFORM ADORNMENTS

A. Medals, Ribbons, Awards, Service Stars and Stripes

1. When in uniform, members shall not wear any insignia, emblem, decoration, symbol, badge, pin, jewelry (except for conservative rings) or ornament other than veteran's ribbons, qualification badges, Departmental awards, as specified in DGO B-01, or Department insignia.
2. Service Stars: Members may wear a 3/4" service star on the left sleeve of the uniform jacket for each five years of service completed with the Department or with a P.O.S.T. approved California city police department or county sheriff. Members may wear the service star and/or service stripe six months prior to their anniversary date. Pre-academy and academy time shall not be included when calculating years of service for this purpose. The star is embroidered in gold nylon thread on a black felt background. The first star is centered on the sleeve; point up, 1" above the Departmental stripe. Two stars are placed 1-1/4" from center to center, equidistant from the center line of the sleeve, points up, 1" above the Departmental stripe. Three stars are placed as indicated above, with the middle star on the center line of the sleeve. The fourth star is placed in a second row 1" directly above the center star in the first row.

The addition of a fifth star requires moving the fourth so that both are in the second row 1" above the first row, equidistant from the

center star and the outside stars of the first row. Six stars are arranged in two rows with the stars in the top row directly above those in the bottom row. Seven stars are placed with four in the bottom row, and three in the top. Eight stars are arranged in two rows, four to a row.

3. Service Stripes: Members may wear one 2" by 1/2" service stripe on the left sleeve of the long sleeve shirt for each five years of service completed with the Department or with a P.O.S.T. approved California city police department or county sheriff.

Members may wear the service star and/or service stripe six months prior to their anniversary date. Pre-academy and academy time shall not be included when calculating years of service for this purpose.

The service stripe is an embroidered bar, with infantry blue center, embroidered piping, black background, and rolled edges. The piping shall be white for police officers and sergeants and gold for command officers.

The first stripe is centered horizontally on the sleeve outside the press line 1/2" above the cuff placket. Additional stripes are centered above the first and placed 1/4" apart.
