### **ALAMEDA AND SAN FRANCISCO COUNTIES JOIN TOGETHER TO OFFER AN ADDITIONAL \$50,000 REWARD** *HASANNI CAMPBELL CASE*

Oakland (CA) - On September 3, 2009, the Oakland Police Department Crime Stoppers Program received contributions to increase the reward fund for the Hasanni Campbell case. At the beginning of the investigation the reward was \$10,000 and now we are able to offer \$60,000.

Alameda County Supervisors along with San Francisco County have assisted the Oakland Police Department by promising reward money for Crime Stoppers. Gail Steele and Scott Haggerty from the Alameda Board of Supervisors initiated the move to increase the reward by \$25,000 for this very emotional and high profile case.

San Francisco Mayor Gavin Newsom today authorized a \$25,000 reward for information leading to the identification, apprehension and conviction of the person(s) responsible for the abduction of 5-year-old Hasanni Campbell.

"We hope this award will lead to information on the whereabouts of Hasanni Campbell," said San Francisco Mayor Gavin Newsom. "If you have any leads please contact the Oakland Police Department."

Hasanni Campbell's biological parents live in San Francisco and San Francisco's Department of Human Services has been involved, checking in with his foster parents.

Acting Chief Jordan said, "This case has touched everyone in our community and across the region and with the increased reward money we are hoping to bring closure to this case. The Oakland Police Department wants to thank everyone who is involved in this generous effort."

Anyone with information is urged to call the Oakland Police Department (510) 777-3211 or (510) 238-7934 or Crime Stoppers at (510) 777-8572.
