Safety Bulletin

Oakland (Ca) – The Oakland Police Department is conducting an educational and awareness campaign to address robberies in Area 2 (Lake Merritt Area to High Street). Although the number of robberies is down over previous years, we must remain focused on ending them altogether. Over the next week, police and city personnel will distribute safety awareness information in the affected neighborhoods.

In addition, there will be two outreach events where materials will be distributed in multiple languages.

- The Laurel District, April 14th, Wednesday 12:00 – 7:00 PM
- The Fruitvale Transit Village and International Blvd, April 16th, Friday 12:00 – 7:00 PM

The police department is requesting all community members to pay extra attention to their surroundings. Please report any suspicious persons to the police immediately at 510-777-3333.

The flyers and community alerts will be posted to the Area 2 website at Oaklandpolice.com by April 14, 2010.
