The Oakland Police Department Recruits at Merritt College

Oakland, CA — Today, the Oakland Police Department recruiting unit teamed up with the Merritt College Administration of Justice program in their efforts to recruit persons interested in joining the police department. The open invitation to join the team varied from a police officer, dispatcher, cadet, explorer or a member of the department's professional staff.

The Oakland officer's recruiting displayed a wide range of equipment from police motorcycles, bicycles, mobile command post, jet skis and a police helicopter.

The entire event was held for two hours on the main campus. One of the highlights of the event was the police helicopter landing on one of the campus's courtyards. The students were able to interact and engage with officers, learning more about the profession.

This is one of many recruiting events that the Oakland Police Department will participate in. We are hiring and are seeking the best to join the Team! If interested, please visit OPDJobs.com.
