RESOLUTION AMENDING RESOLUTION NO. 72727 C.M.S., WHICH IMPLEMENTED  
THE CITY OF OAKLAND'S COMMUNITY POLICING POLICY, TO PROVIDE A  
STRUCTURED APPROACH TO COMMUNITY INVOLVEMENT

WHEREAS, the people of Oakland require that their municipal government provide police services in the manner calculated to best insure public safety; and

WHEREAS, for the last two decades cities and police departments across the United States have adopted strategies to reduce reliance on 911-response policing and instead utilize approaches known as "Community Oriented Policing," "Problem Oriented Policing," or "Community Policing;" and

WHEREAS, the experience of the police departments which have adopted community policing strategy demonstrates the effectiveness of this approach in both reducing crime levels and increasing public sense of safety; and

WHEREAS, the Oakland Police Department has been a pioneer in the development and utilization of community policing strategies through such programs as Beat Health, Neighborhood Watch, and Home Alert; and assuming a leadership role in comparable efforts by the Oakland Housing Authority; and

WHEREAS, on June 11, 1996 the City Council of the City of Oakland passed Resolution No. 72727 to implement the community policing program in the City of Oakland and this Resolution was subsequently amended by Resolution No. 73185 C.M.S on December 17, 1996 and by Resolution No. 73916 C.M.S. on November 4, 1997; and

WHEREAS, community policing creates a working partnership between the community and the police to analyze neighborhood problems, set priorities, develop strategies, and work together to improve the quality of life in our neighborhoods; and

WHEREAS, community policing focuses on issues of ongoing public concern rather than specific incidents as reported; and

WHEREAS, community policing employs a comprehensive City inter-departmental approach to solving neighborhood problems; and

WHEREAS, community policing assists in the empowerment of neighborhoods by relying on the organization of people in our communities to identify problems, prioritize concerns, and develop solutions which are implemented through the cooperation and collaboration of neighborhood residents, public employees, and public officials;

NOW THEREFORE, the City Council of the City of Oakland hereby adopts the following policies for the implementation and institutionalization of community policing:

## **Section 1 - Title and Philosophy**

- 1.1 This program shall be known as the Community Policing Program of the City of Oakland.
- 1.2 Four principles govern the Community Policing Program of the City of Oakland:
  - 1.2.1 Its purpose is to reduce crime, enhance public safety, and to improve quality of life.
  - 1.2.2 It is a peer level partnership between the community, the Police Department, and other city agencies.
  - 1.2.3 In contrast to the 911 emergency response system, it addresses long term, chronic problems using proactive, collaborative problem solving methods.
  - 1.2.4 It fosters a geographically based crime prevention effort on three levels: at the block level, at the *neighborhood level*, and at the *citywide level*.
- 1.3 Community policing is hereby reaffirmed as the public safety policy and philosophy of the City of Oakland.

## **Section 2 - Police Beats**

- 2.1 *Police beats shall conform as nearly as possible to the natural boundaries of neighborhoods and communities in the City of Oakland, taking into account historical neighborhood boundaries, natural boundaries such as streams, artificial boundaries such as major thoroughfares and highways, shopping and commercial districts, and public school attendance areas. The beat boundaries shall be reviewed from time to time to accommodate the natural evolution of population and neighborhood boundaries.*
- 2.2 Each police beat should, to the extent feasible, contain between 5,000 and 7,000 residents.

## **Section 3: Block Level Organization**

- 3.1 Home Alert is the block-level component of the City's Community Policing Program.
- 3.2 Home Alert will recruit and engage residents in crime prevention and problem solving through block-level organizing.
- 3.3 Home Alert Groups shall, to the extent safe and reasonable, strive to include representatives from each address on the block.
- 3.4 City Staff will partner with Home Alert Groups regarding issues of block health and safety. Home Alert Groups shall cooperate actively with police officers and other city staff and interested individuals and organizations to improve the quality of life on their blocks.
- 3.5 Once a year there will be a citywide meeting of Home Alert captains.
- 3.6 The Home Alert Coordinator will oversee the Home Alert Program and shall be a non-

sworn employee of the police department working under the supervision of the Neighborhood Services Manager.

3.7 The Neighborhood Services Manager will determine the specific duties of the Home Alert Coordinator.

3.8 The city shall encourage Home Alert captains and members to participate in neighborhood-level and citywide-level components of the Community Policing Program.

4.3 Neighborhood Councils shall strive to include representatives of a variety of organizations sensitive to community needs and interests, such as, but not limited to, community organizations, service groups, Home Alert groups, church organizations, youth groups, labor unions, merchant associations, school parent-teacher organizations, as well as interested members of the community.

4.4 Neighborhood Councils shall meet regularly, as determined by their members, but at least quarterly.

4.5 Meetings of Neighborhood Councils shall be publicly announced.

4.6 All meetings of Neighborhood Councils shall be public. The Neighborhood Services Coordinators and Community Policing Officers shall be directed to attend meetings of the Neighborhood Council. Other city staff shall attend Neighborhood Council meetings when appropriate or as requested.

These bylaws must include a requirement for annual elections of any leadership positions, whether they are called officers, steering committee members, or other names. These bylaws shall be available to all residents of the police beat.

4.10 Neighborhood Service Coordinators, police officers assigned to the beat, and employees of other city departments shall meet with Neighborhood Councils to identify neighborhood concerns

regarding issues of public health and safety, establish priorities for law enforcement efforts, and develop strategies to resolve public health, safety, neighborhood improvement and revitalization, and other concerns.

4.11 Neighborhood Councils shall cooperate actively with police officers and other public employees and interested individuals and organizations to improve the quality of life in their neighborhoods, through such activities as involvement in litter and graffiti abatement, community patrols, providing supervision for youth recreation activities, monitoring problems at liquor stores, and other actions.

4.12 Neighborhood Councils shall be encouraged to establish a community center in each police beat in order to provide a regular place for their meetings and activities, a location for positive interaction between residents and police officers, and a center for the provision of activities and services to residents of that police beat. To the extent possible public facilities, which can accommodate a large range of activities, such as youth recreation and classes for adults, shall be utilized as community centers. The City Council shall solicit the cooperation of the Oakland Unified School District in making school facilities available for Neighborhood Council meetings without charge to the community.

4.13 An organized group may represent itself as a Neighborhood Council, and therefore representative of the citizens of that beat, only if that group is in compliance with Section 4 of this Resolution and has passed certification by the Community Policing Advisory Board (CPAB).
