Note: Numbers in the Weekly Crime Report do not match the official monthly crime totals reported to the FBI through the Uniform Crime Reporting (UCR) program. The purpose of this report is to show totals based on the crimes reported the week before. By contrast, the UCR numbers are tallied at the end of each month so they can reflect late reporting and the reclassification or un-founding of crimes. The only certified crime numbers are those contained in the UCR.

N/C - Cannot be calculated (cannot be divided by zero).
