- Crime Report Locations

N W E S

0 0.5 1 Miles

File Name:BFO1_M20110822B
Note: Violent Crime Includes UCR 1-12
Combined indicators may count a single report multiple times if the report involved multiple crimes. Hotspots are computed using only one crime per report. Hotspots are locations with more than one report in the time period or in areas where more than one report occurred in close proximity. Locations indicated by a "Crime Report Location" symbol are addresses where reports are routinely taken that do not indicate the true location of the crime itself.
