IN REMEMBRANCE - Officer William Grijalva #OaklandPolice

On December 15, 1993, Officer Grijalva responded to an officer request for a cover unit. Upon arrival, other officers briefed him that the owner of the residence owned a dog that had bitten someone, but was refusing requests to turn the dog over for quarantine.

The dog owner was advised that he was under arrest. When officers prepared to handcuff him, he fought and broke away from the officers, ran back into the residence, picked up a shotgun, and fired several times at Officer Grijalva.

Although Officer Grijalva was struck twice by shotgun rounds, he was able to return fire. He was transported to a local hospital, where he passed away during surgery.

Officer Grijalva had served with the agency for 20 years. He is survived by his wife and two children.

MOTOR SANTA CRUISED THROUGH OAKLAND — On December 15, 2015, the Oakland Police Department Traffic Section conducted its annual Motor Santa Operation to provide toys to children (12 and under) throughout the City of Oakland. #OaklandPolice

In this Traffic Section tradition, a traffic officer dresses up as Santa and rides his motorcycle throughout the City of Oakland, passing out toys to children he encounters along the way. Says Traffic Section Commander Lieutenant Dave Elzey, "This is one way we give back to the community." Chief Sean Whent agrees. "This is community policing at its best. It's something our officers look forward to each year." #OPDMotorSanta2015
