NEW N.O.B.L.E. PRESIDENT - Congratulations to Lieutenant Sekou Millington, who has been named president of the Bay Area Chapter of the National Organization of Black Law Enforcement Executives (NOBLE).
#OaklandPolice

NOBLE's mission is to ensure equity in the administration of justice and to serve as the conscience of law enforcement, committed to justice by action. As Lieutenant Millington says, "This is no different than mission of the Oakland Police Department and consistent with the tenets of Procedural Justice."

Humbled and honored to have chosen to lead the Bay Area Chapter, President Millington pledges to do so with tenacity and conviction. His vision is to educate the youth and build stronger police/community relationships. NOBLE serves more than 60,000 youth nationwide through its Mentoring, Education, and Leadership Development and Safety programs – and Bay Area Chapter President Sekou Millington and chapter members will be leading the charge here in the Bay Area.
