

## Emergency Management Plan

### 202.1 PURPOSE AND SCOPE

The City has prepared an Emergency Management Plan for use by all members in the event of a major disaster or other emergency event. The plan provides for a strategic response by all members and assigns specific responsibilities in the event that the plan is activated (Government Code § 8610).

### 202.2 ACTIVATING THE EMERGENCY PLAN

The Emergency Management Plan can be activated on the order of the official designated by local ordinance.

#### 202.2.1 RECALL OF PERSONNEL

In the event that the Emergency Management Plan is activated, all members of the Oakland Police Department are subject to immediate recall. Members may also be subject to recall during extraordinary circumstances as deemed necessary by the Chief of Police or authorized designee.

Failure to promptly respond to an order to report for duty may result in discipline.

### 202.3 LOCATION OF THE PLAN

The Emergency Management Plan is available in the Emergency Operations Center (EOC). All supervisors should familiarize themselves with the Emergency Management Plan. The Support Operations Division should ensure that department personnel are familiar with the roles police personnel will play when the plan is implemented.

### 202.4 UPDATING OF MANUALS

The Office of Emergency Services shall review the Emergency Management Plan Manual to ensure that the manual conforms to any revisions made by the National Incident Management System (NIMS) and the Standardized Emergency Management System (SEMS) and should appropriately address any needed revisions.

### 202.5 STATE RESOURCES

The Oakland Police Department shall follow emergency procedures in accordance with the State of California Law Enforcement Guide for Emergency Operations ("Red Book") and Law Enforcement Mutual Aid Plan ("Blue Book").
