

SERVICE INFORMATION

Weekly Trash, Recycling & Compost Collection

When the holidays, Thanksgiving, Christmas or New Year's Day, fall on a weekday, pickup will be one day later for the rest of that week.

Set your carts out curbside by 6 a.m. on your scheduled pickup day, with lids closed and fronts facing the street.

Select the right size carts to meet your needs, and avoid overage charges for excess trash. Contact your service provider to discuss options.

Available Cart Sizes	20 gal	32 gal	64 gal	96 gal
----------------------	--------	--------	--------	--------

Free Holiday Tree Recycling Pickup

Trees are collected curbside during the first two weeks of January on regular pickup day. Only clean trees are accepted:

- No "snow" flocking, stands or decorations
- Trees must be cut to less than 4' tall.

Extra Yard Debris

- Tie or bundle branches (must be less than 4' long and 6" across).
- Use large paper gardening bags available at most hardware stores (or purchase directly from WM).
- Use your own extra container (cannot exceed 75 pounds or contain dirt).
- Set out next to Compost Cart for pickup.

Note: Plant debris set out in a plastic bag will be charged as extra trash collection.

Service Options for Disabled and Elderly Customers

Backyard service is available at no cost for qualifying elderly or disabled residents. Call Waste Management of Alameda County at (510) 613-8710.

RECYCLE RIGHT CHALLENGE

Recycling right is more than an individual choice – it is part of how we are all making a difference for a cleaner Oakland and more livable neighborhoods. With your participation, Oakland's **Zero Waste** program strives to divert all recyclable and organic material away from our landfills.

Your recycling team is a partnership between the **City of Oakland, California Waste Solutions** and **Waste Management of Alameda County**. Our commitment to you is to provide the services and information you need to recycle right. When you pledge to recycle right, we're here to help.

RECYCLE RIGHT - AVOID A CONTAMINATION FEE

When you place the right materials in the right cart, it benefits you and your community, and protects the environment. When you place the wrong materials in a cart, it can harm the environment, injure workers and result in additional charges to your account. Waste Management and California Waste Solutions can refuse to collect carts containing the wrong materials, and charge contamination fees. Be sure to follow this guide to recycle right, and avoid contamination fees. Learn more at OaklandRecycles.com.
