You have been selected as a top-ranked proposer for Oakland's Zero Waste Service Request for Proposals, for one or more of the three Service Groups. On May 17, 2013, the names of the top-ranked proposers will be published in an Agenda Report that will be considered by the Public Works Committee of the Oakland City Council on May 28, 2013.

Coinciding with publication of the names of the top-ranked proposers, the City will open the Protest Period, which provides proposers the opportunity to protest the City's selection of top-ranked proposers. Any proposer wishing to file a protest with the City is directed as follows:

1. Provide in writing details, grounds and factual basis for the protest. Protests will not be considered for disputes of proposal requirements and specifications.
2. Include the name of the proposer, the name of the proposer's authorized representative, and contact information (telephone, email, mailing address) for the proposer's authorized representative.
3. Deliver this document to:
