

Oakland EarthEXPO Thursday, April 6, 2017 10am-2pm Frank H. Ogawa Plaza, Downtown

Oakland EarthEXPO is an annual environmental fair that highlights transportation, environmental health, waste reduction, water, energy, urban design, nature and community themes. Approximately 100 exhibitors will showcase their contributions for a sustainable environment to an estimated 2,000 attendees. To register your exhibit, or for more information, go to www.oaklandearthexpo.org.
