

Holiday TreeCycling Curbside Pickup

January 2 – 13, 2012

TreeCycling Pickup is on the regularly scheduled Yard Trimmings day for Oakland properties with up to 4 residential units.

For More Information, call
Waste Management at (510) 613-8710

Recycle clean green trees next to your cart – here's how!

- No snow flocking, tinsel, ornaments, nails or tree stands.
-  Flocked trees are non-recyclable and must be placed in your garbage cart for disposal.
- Place tree curbside by 6am on collection day and no earlier than one day before.
- Trees must be no more than 5 feet tall. Cut taller trees in half.
 - After January 16, recycle your clean, green tree in the yard trimmings cart at any time. Lid must close.
- Oakland Residents are eligible to take one (per household) clean, green holiday tree for recycling at no charge, to Davis Street Transfer Station: 2615 Davis Street, San Leandro.

Help Your Tenants Recycle! Call Waste Management at (510) 613-8710 to:

- Order a **Tree Roll-Off Box** for large volumes of trees (5 sizes available).
- Request a **Job Truck** for small volumes of trees. Appropriate rates apply. Orders must be scheduled by property owner or manager. You will be advised of charges at time of scheduling.
- All Oakland Residents are eligible to take one (per household) clean, green holiday tree for recycling at no charge, to Davis Street Transfer Station: 2615 Davis Street, San Leandro.

CLEAN GREEN TREES ONLY.

No snow flocking, tinsel, ornaments or tree stands.

Flocked trees are non-recyclable and must be placed in your garbage container for disposal.

If your garbage container lid does not close due to excessive content, you may incur overage charges.
