Oakland Earth Day Volunteers

Clean and Green Oakland

Saturday, April 23

Oakland, CA – On Saturday, April 23, thousands of volunteers will clean and green over 80 locations in parks, creeks, and streets throughout Oakland at the **22nd Annual Oakland Earth Day**. Approximately 60 sites are in parks or along creeks and other waterways, and approximately 20 sites will be neighborhood cleanups of streets, sidewalks, and schools. Volunteers will pick up litter, remove graffiti, weed and plant, and restore native habitat. Oakland Public Works sponsors this event, with support from the Alameda County Flood Control and Water Conservation District and participation from more than 60 community groups, including Friends of Sausal Creek, Keep Oakland Beautiful, and the Lake Merritt Institute.

In 2015, approximately 3,400 volunteers pitched in more than 15,000 hours at 90 sites across Oakland. Volunteers removed more than 170 cubic yards of trash and more than 500 cubic yards of weeds and green waste. This amount is the equivalent to more than 4,000 35-gallon garbage carts!

Oak Glen Park volunteer Lizz Milota says, “there's a special type of person who volunteers their precious weekend time helping the environment and improving the quality of life for the people and animals in Oakland.”

Volunteers will receive Numi Tea and Clif Bar samples, and Chinook Books.

A complete list of project sites is attached. The sites listed below can accommodate large volunteer groups. Groups of 10 or more should RSVP with the project site coordinator. Individuals and small groups are encouraged, but not required, to RSVP.

DeFremery Recreation Center, 1651 Adeline Street
Dimond Park, Dimond Recreation Center at 3860 Hanly Road
Emerson Elementary School, 4803 Lawton Avenue
Jingletown, 3001 Chapman Street
